The thugs got beaten up badly, and they were defeated, and we powered down.

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

We returned home, and then, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up!

Lincoln: Nurse Sue! I know you're watching from the shadows, know this, you have caused enough trouble for me and my family for the very last time! We're gonna make absolutely sure you never run free again! We're taking you down once and for all and throwing you back in the nuthouse where you rightfully belong, you psychotic old shrew!

This reached Nurse Sue who was hiding from the shadows, and when she heard it, she let out a nasty bellow of pure anger and rage, and we heard it from a mile away!

Nico: Nice one, Lincoln! Now that old shrew is gonna get it later on today.

Me: If she has more thugs with her, I hope you do worse to them too.

Lincoln: Believe me, I have more than a few ways of doing much worse to them.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair, red eyes, massive black angel wings, she has the Envy symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with The Pot of Envy on it too, black Gothic stockings, dark pink fingerless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is The Pot of Envy, and with her are the three girls.

Lincoln: (GASPS) Allana Nightshade, Avatar and Gene-Slammer of The Pot of Envy and Deadly Princess of Envy.

Allana Nightshade: That's right, and I got the girls away and saw the whole thing go down.

Nico: Especially with what's going to happen later.

Me: It'll soon be the end of Nurse Sue for good.

Lincoln: We'll be rid of her for good. (To Allana Nightshade) And it's so good to see you again, Allana.

Allana Nightshade: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Allana Nightshade had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Allana Nightshade was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Allana Nightshade: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Allana Nightshade's waist and hugged her, and Allana Nightshade is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Allana Nightshade: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Mara Lucifer: And so do we, this is Allana Nightshade, Avatar and Gene-Slammer of The Pot of Envy and Deadly Princess of Envy, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Envy. She's known as The Deadly Princess of Envy and Avatar and Gene-Slammer of The Pot of Envy, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Allana Nightshade has the power to make the envy of those who are the most envious even more envious than ever which ends with them killing their own cohorts and allow her to send them to The Circle of Envy. Allana Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Envy, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Envy, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Lola with a blazing passion, and she swore if she saw that narcissistic envious little she-demon again, she would use her powers to make Lola's envy and narcissism even worse, and it'll cause her to die as it poisons her entire body and sends her to The Circle of Envy.

Me: Lincoln told us of what you're capable of. I hope you can do some harm to a certain asshole we're gonna face for Ino's big day.

Allana Nightshade: Consider it done, I'll make him regret ever being born.

Lincoln: We'll make sure of that, and since J.D. got rid of the other Evil Sasukes and sent them to The Black Abyss, we'll soon be rid of the last one, and now that you're here, Allana.

Lincoln with his massive muscular arms still wrapped around Adrienne Nightshade's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and

104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adrienne Nightshade: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Allana Nightshade with yellow gems on the gold lightning bolts and yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Allana Nightshade: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Allana Nightshade.

Allana Nightshade had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Allana Nightshade's waist, and he leaned down to her face and kissed her on the lips, and with Allana Nightshade's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Allana Nightshade had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Allana Nightshade: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The three girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the three girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the three girls are Uta Sakura A.K.A. Cure Idol, Nana Aokaze A.K.A. Cure Wink, and Kokoro Shigure A.K.A. Cure Kyun Kyun from You and Idol Pretty Cure

Lincoln: Oh wow, it's Uta Sakura A.K.A. Cure Idol, Nana Aokaze A.K.A. Cure Wink, and Kokoro Shigure A.K.A. Cure Kyun Kyun from You and Idol Pretty Cure

Nicole: It's been a while since you've rescued girls who have powers like Emily and her friends, and that shrew had some nerve trying to kill them. I hope Mom tears her in half.

Lincoln: Same here. Are you girls okay?

Uta Sakura: Yes, we're okay, thanks to you.

Then, when Uta Sakura and the two other girls saw who it was that saved them from Nurse Sue's thugs, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of

Uta Sakura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his

abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kokoro Shigure: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Uta Sakura A.K.A. Cure Idol, Nana Aokaze A.K.A. Cure Wink, and Kokoro Shigure A.K.A. Cure Kyun Kyun with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was an interesting trip to Sunset Canyon.

May: They had the whole place turned into a impenetrable fort and they're also armed with weapons and all sorts! They're ready for war!

Lincoln: Against Nurse Sue. This should be good!

Nico: And they're getting the chance for payback for her crimes against the elderly. Time for her to respect her elders the hard way!

Me: I've known Nurse Sue ever since I moved to Michigan, and she never shows respect to her elders at all.

?: The bitch never does show any sign of respect at all.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long crimson red hair with yellow streaks, red flower in her hair, red eyes, massive red angel wings with reflecting fire, she has on a crimson red two piece bikini, and in her hand is a fire greatsword.

Lincoln: (GASPS) Arpina Infernaira.

Anna Anyanova: The Former Queen of The Infernairans!

Nico: Oh, no way, you have a Guardian Angel from that hostile planet you just absorbed yesterday along with the Infernairans and its neon red Sun?!

Me: That's really shocking! And you know her?!

Lincoln: I do.

Anna Anyanova: And so do we, this is Arpina Infernaira, she's Lincoln's Guardian Angel from Infernaira, the extremely hostile blood red planet of fire, anger, and rage in The Forbidden Zone. She's the former Queen of The Infernairans, and she knew her people were an extreme danger to the entire universe. But, she's not like her people and she's also far more powerful than her own people: in addition to being a natural born and savage fighter and having immense power over fire and gamma radiation and the ability to grow even stronger the angrier she get, but she was also born with angel wings, Cosmic Pyrokinesis, fire, flames, lava, rage, anger, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her former people times infinity, and she left her former home and she swore to return and put her people to the sword. Arpina Infernaira came to

Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, fire, flames, lava, rage, anger, gamma radiation, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Pyrokinesis, Omnipotence, Omniscience, Cosmic Awareness, fire, flames, lava, rage, anger, gamma radiation, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and savagery and she also gave him the power to grow even stronger the angrier he gets, but his power to grow stronger the angrier he gets doesn't make him blind with anger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility but his power to grow stronger the angrier he gets doesn't make him blind with anger, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln would invade her planet, absorb her people, her planet's core and planet itself, and her planet's Sun, and she swore to thank him for what she planned to carry out on her former people. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion, and she swore to destroy her and make her suffer the wrath of her own Infernairan rage!

Caleb Maxwell: No way, she's the former Queen of those hulked-out rageaholic beasts from Hell?!

Arpina Infernaira: Something like that. The Infernairan King whom The Deadly Princess of Wrath captured yesterday was my brother, Michael Infernaira, he tried to steal the throne from me by killing me, as if! So, I fled, but I swore to destroy him and put my people to the sword.

Then, she turned to Lincoln.

Arpina Infernaira: But, you did just that when you absorbed my former people, my planet and its core, and its Sun into your body. Thank you, Lincoln, and it's good to see you again, but wow, you've really grown.

Suddenly, Lincoln pinned Arpina Infernaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Arpina Infernaira with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Arpina Infernaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms tightly around her waist pinning her to his body even more and she really felt how much stronger he really is.

Arpina Infernaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Infernairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy. I wonder if he also has Guardian Angels of Celestia and Aquaira, the two planets he absorbed along with the souls of the male Celestians and Aquairans, and the Suns of the two planets.

Arpina Infernaira: Funny you should ask that. We'll be meeting The

Guardian Angels of Celestia and Aquaira when we go after Nurse Sue.

Me: Wow

After Lincoln absorbed Nurse Sue's thugs and sent his warning to that bitch, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Allana Nightshade saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Allana Nightshade: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Allana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Allana Nightshade: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Allana Nightshade: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Allie Maxwell got out a videotape.

Allie Maxwell: Okay, now this tape I have here, this takes place a week after the last incident, and it wasn't long before Caleb decided to call upon the ghosts of his traumatic past to hunt down Drake, he launched a raid on his hideout, and the bloodbath that would ensue, that would draw the NYPD Nightshift in, but Drake would make his escape losing more of his own men and Caleb would laugh even more at his own misfortune.

Allie Maxwell put the tape in and it played on the big screen, and it showed New York at night, it was a week after the incident and Caleb was out once again, but this time, he was heading for the train station, specifically the hideout of Drake Maxwell: he was going to unleash pure Hell on him and his gang.

Past Caleb Maxwell: You've lived in the deep forgotten recesses of the tunnels, Drake, it proved to be a good hideout for you and your surviving gang. But, now it's going to be your tomb, time to send you straight to Hell where you belong!

We heard the hatred in Caleb's voice: he was out for blood and vengeance.

Nico: Oh shit. The hatred in Caleb's voice always means blood is about to be spilled once more.

Then, we saw Caleb Maxwell head down to the subway, and he headed right to the entrance of the hideout of Drake Maxwell and his gang and he went in.

Past Caleb Maxwell: It still smells horrid.

Suddenly, Caleb heard the loud bellows from deep in the lair, and he saw Drake's men.

Past Caleb Maxwell: There's Drake's men, but I don't see Drake anywhere.

Then, he saw Drake Maxwell and he was still pissed and bellowing hate against the NYPD Nightshift, The Big Claw Gang, and hatred towards him and his own family.

Past Caleb Maxwell: What an animal, he doesn't deserve to breathe again, neither do the rest of those shitheads. Now, they're going to die, time to send them all to Hell for good.

Then, Caleb made a cut on his right palm and blood came out, and as soon as he placed it on the wall and it spread throughout the room, the nightmare began. Then, out of nowhere, guns appeared out of nowhere and they fired at Drake's gang who were too drunk and high on drugs to fight back, and the bullets tore them apart and blood was spilled all over the place!

Past Drake Maxwell: Who's doing this?! WHO! YOU FUCKING NYPD NIGHTSHIFT ASSHOLES! I KNOW YOU'RE BEHIND THIS! COME OUT NOW SO I CAN FILL YOU FULL OF LEAD!

Past Caleb Maxwell: Idiot, you really are blind. Oh well, time to shut you up forever.

Caleb Maxwell was about to fire, but then, gasoline came splashing onto the field Drake was at, and a lit match fell and it went up in flames.

?: Hey, you better get your ass out!

Then, two male tan-furred cats with blue hair, blue tails, and wearing street clothes appeared.

Past Drake Maxwell: About time!

Drake Maxwell ran out, but Caleb saw the two who helped Drake escape!

Past Caleb Maxwell: Is that...Arata and Daisuke? I've heard about them, those two are notorious lunatics from Japan, they're members of the Matsumoto Family, one of the many Yakuza families in Tokyo. They love dousing people with gasoline and lighting them on fire to see them burn. They're both sick, and for them to show up to help Drake, this is unforgiveable! Kaito Yamamoto, you and your family are finished, I'm gonna tear you all apart for this!

Me: Oh...shit! Tell me you didn't threaten an entire Yakuza family with death!

Caleb Maxwell: I did, and fortunately, they were in New York for their own business, but they were a long way from Japan and in our city. Sadly for them, to think they can do their business here and not get my attention, that is a fatal mistake and it's one they were going to pay.

We then looked at the screen, and we saw Caleb fire two blasts of black and red energy that hit the two pyromaniacs and forced them out onto the streets, and Caleb followed and shot them both in the chest killing them, and then, he found the rest of The Yamamoto Family at The Ritz-Carlton Hotel in Manhattan.

Yamamoto Family Member: (Japanese Accent) What the?! Who the Hell are you?! (Recognizes Caleb Maxwell) (GASPS) Oh God! It's Caleb Maxwell, New York's Dark Angel of Vengeance!

Then, a male white-furred cat with black hair and black tail and dressed in black business clothes came in, it was Kaito Yamamoto, the head of The Yamamoto Family.

Kaito Yamamoto: (Japanese Accent) I knew you'd come. Ichiro and Nekome warned me of this.

Past Caleb Maxwell: So, you have connections with The Big Claw Gang if you mentioned their names.

Kaito Yamamoto: (Japanese Accent) Ichiro and Nekome are my old friends, and our trip to your city is this little matter of Arata and Daisuke.

Past Caleb Maxwell: Why them? Aren't they your loyal members?

Yamamoto Family Member: Those two lunatics showed their disloyalty and turned on the boss when they tried to set him on fire, and it turns out they decided to side with Drake. Those two weren't the smartest of our clan, they knew of The Syndicate's fall four years ago and committing treason was the final straw, we swore to kill them.

Kaito Yamamoto: But, an informant just told us of what you just did: the attack in the subway's forgotten tunnels was no doubt your doing to get rid of Drake for good. You killed all his men and turned the hideout into dust, but Arata and Daisuke helped him escape.

Past Caleb Maxwell: And to that end, I killed those two. (Crimson Red Eyes turn Blood Red) And now, you're next!

Suddenly, a smoke bomb hit and The Yamamoto Family escaped, and when the smoke cleared, it was empty, and Caleb knew it was due to Nekome and Ichiro, and he let out an angry scream as the video ends.

Roxy Drake: I remembered that night too well. We got called about the murders of those two, but we didn't know they were former Yakuza, but man, Caleb really made a mess.

Cage Blunt: And that smoke bomb at The Ritz-Carlton Hotel, no doubt Ichiro and Nekome were there to get the rest of them out.

Carla Claw: They were Dad's important clients, and there was no way we'd let them die at your dear brother's hands.

Travis Tackett: Still, to threaten an entire Yakuza family with death, that'd take a whole new level of crazy.

Lincoln: We dealt with the Yakuza before, and it's nothing new to us. But, for Caleb to threaten them with death especially if they also have connections with The Big Claw Gang, it wasn't going to end well.

We got a shower, and then, Lincoln and Tina Rex are heading to Okinawa Beach in Japan.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tina Rex was dressed in a two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her.

Plus, we found out Tina Rex had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Tina Rex: Wow, so this is Okinawa Beach, it sure is beautiful.

Lincoln: It sure is, Tina, and it's perfect for our first date. Shall we?

Lincoln and Tina Rex dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Tina Rex also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Tina Rex a deep tissue massage, and when he was done with that, Tina Rex was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Tina Rex got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift 107 massive 999 Septillion ton barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Tina Rex: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Tina Rex and he hugged her in his abnormally massive and powerful muscular arms, and Tina Rex placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Okinawa Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Tina Rex with colored gems on the gold lightning bolt links and colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, now Tina Rex is in your harem, Linky.

Tina Rex showed the marks Lincoln made on the right side of her trapezius.

Jenna: You had no trouble at all.

Tina Rex: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the 5th Skylanders adventure.

Nico: Who's next?

Me: Pain-Yatta and we're going to the Mystic Mill for it.

Nico: Cool!

Me: Eli, Hunter, Nunnally, Ahsoka, Blastermind, Enigma, Spyro, Deja-Vu, Star Man and Jewel Man are going next.

Qin: Awesome!

Eli: Lets go get him!

Hunter: (German Accent) Ja lets make this fun!

They went in and it activated and they were at the Mystic Mill!

Eli: Wow so this is the Mystic Mill.

Nunnally: It's amazing.

Ahsoka: I sense a lot of enemies here coming.

Nico saw a piece fo candy on the ground.

Nico: Look a piece of candy.

Me: Mmm.

Nico picked it up and it was a tootsie roll. Cherry flavor.

Nico: Yummy. Cherry.

Me: Weird.

Eli: Look guys.

We saw a trail of candy.

Nico started eating them.

Eli: Nico wait. He's leading us to him with that candy.

Ahsoka: I sense it too.

Blastermind: We better be careful

But they followed the candy.

Nico folloed the candy and he got to a seat and saw a HUGE PILE of cookies and cream bars!

POOF!

Pinkie Pie: HAPPY CANDY LOVER DAY NICO!

We laughed!

Nico: (LAUGHS) Thanks Pinkie.

Hunter: Nico, you don't find it odd that there happens to be candy out here?

Nico: Yes I do. But it's good stuff.

Qin: Yep. Pinkie Pie gave us candy in here.

Hunter: Oh boy.

Eli: Lets just focus.

They got to following it and then at the top of the mill and saw PAIN-YATTA!

Pain-Yatta encountered the Skylanders at Telescope Towers, where he got into a brawl with them. In the end, he was beaten and trapped.

After his capture, the Skylanders took him, and Chomp Chest to the Secret Sewers of Supreme Stink for their Villain Quests, along with fighting some of the local mutants and Goo Chompies on the way. His Villain Quest was with one of the Skaletones, Bag O' Bones, called "I'm With The Band". He then explained to the heroes that he was the manager of the Gecko Chorus along with a few other bands, and that the geckos had just finished their latest single that they wish to deliver to the Capybara King, but they had to cross enemy lines and trusted only Pain-Yatta as an escort. After successfully delivering the gramophone to him, he was awarded with Bag O' Bones' gratitude, the Rubber Glove Hat, and a new outfit.

Pain-Yatta captured and witnessed Spotlight and Blackout breaking out of his massive pinata using the elements of Light and Dark. As the two Skylanders flew off to report to Master Eon, Pain-Yatta announced his plans of a "candy catastrophe" that the Skylanders wouldn't be able to stop it in time.

Rejected by the Doom Raiders, Pain-Yatta formed his own plan to rule Skylands. He used the elements of Light and Dark siphoned from Spotlight and Blackout to construct and power an army of candy warriors, which emerged from various pinatas around Skylands and began terrorizing the inhabitants. When the Light and Dark Skylanders, Spotlight, Blackout, Knight Light and Knight Mare came to the Arkeyan ruins to investigate, Pain-Yatta confronted the heroes and overwhelmed them by unleashing a wave of candy.

Pain-Yatta imprisoned Spotlight, Blackout, Knight Light and Knight Mare inside a massive pinata version of himself as he prepared to lead his candy army in their victory over ruling Skylands. Knowing that he had used the energies of Light and Dark to power himself and his candy army, the villain was confident that the four Skylanders wouldn't dare to try and escape using their powers otherwise they would make Pain-Yatta stronger. However they overloaded the giant pinata with their Light and Dark abilities, causing it to explode and allowing the four Skylanders to escape. As he absorbed the Light and Dark energies released from the blast, Pain-Yatta gloated that the Skylanders only made him and his army more powerful than ever. Suddenly the villain became sick from absorbing too much energy, and his candy army all across Skylands crumbled to pieces as a result. In an attempt to drown the Light and Dark Skylanders in candy, Pain-Yatta could only muster the energy to cough up a single piece of candy, allowing the Skylanders to easily apprehend the weakened villain.

Pain-Yatta makes an appearance in both the SuperVillain Cup of Skylanders: SuperChargers and the Wicked Tour of Skylanders: SuperChargers Racing, where he drives two near-identical piñata-based vehicles with a hippopotamus-like design. He uses a Land vehicle in the SuperVillain Cup, and a Sky vehicle in the Wicked Tour, where he replaces Lord Stratosfear as a playable Villain. Unlike his Land vehicle, his Sky vehicle is comically small, and has additional pig-like piñata rockets attached to its sides in order to achieve flight.

Growing up, Pain-Yatta's best friend was the legendary Unocorn, a unicorn with a churro-horn that sprinkles magical cinnamon from time to time. While the cinnamon donuts for breakfast were incredible, being so sweet and delicious made them both easy targets for those looking for yummy treats. But Pain-Yatta had no problem protecting the both of them with his giant sucker! One day, however, the Unocorn went missing, and Pain-Yatta was beside himself. He tried desperately to find his buddy, but to no avail. That's when the Doom Raiders tricked him into thinking that the Skylanders were behind it all, and Pain-Yatta fell for it. He joined up with the band of villains and ventured out to get revenge on the Skylanders, but was eventually captured by the Trap Masters. Master Eon explained that the Skylanders had nothing to do with the Unocorn's disappearance and said he would help Pain-Yatta find his friend, if he became a Skylander Sensei and trained new Imaginators in the ways of smashing! Pain-Yatta agreed and the search for the missing

Unocorn continues.

Pain-Yatta: IT'S PARTY TIME!

Eli: Pain-Yatta!

Hunter: Guten Tag to you.

Pain-Yatta: Well same here. This will be fun!

Pain Yatta: I put that candy to lure you here!

Ahsoka: I had a feeling it was you.

Eli: It was good candy

Hunter: Wunderbar good candy.

Pain-Yatta: Thanks.

Eli: Well you want a party? Lets give you one!

Pain-Yatta: Get them boys!

Pinata clones came at them!

Eli: Lets get them!

Eli and Ahsoka put on blindfolds.

They got out Piñata sticks!

Blastermind: MIND OVER MATTER!

Enigma: OUT OF SIGHT!

Deja-Vu: Did that just happen?

Spyro: ALL FIRED UP!

They went at the Piñatas and bashed them all over!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

MOUNTAINS AND MOUNTAINS OF CANDY CAME OUT OF THEM!

Pain Yatta: Not going down that easy!

Eli: I knew it was not going to be easy!

Pain-Yatta: Wait you guys have blindfolds on?

Eli: Well it wouldn't be fun bashing piñatas if we didn't wear them.

Ahsoka: Yeah.

Pain-Yatta: So the Force is telling you where they are.

Eli: That's right.

Ahsoka: And it's fun!

Pain-Yatta: Still not gonna be that easy!

They blasted and bashed NUMEROUS Piñatas all over like you wouldn't believe!

Then...

BOWLING CRASH!

HUGE JAWBREAKERS CAME OUT OF ONE!

They landed in front of me, Nico, Eddy and Luan.

Me: HUGE Jawbreakers!

Ed, Edd and Eddy: JAWBREAKERS!

Ymir: These are big jawbreakers!

Eddy: The kinds me and the boys and Luan like.

SLURP!

Nico had put one in his mouth.

Nico: (SLURPS) YUMMY!

Then THOUSANDS OF JELLYBEANS came in and poured into a basket!

Pinkie Pie: JELLYBEANS!

They really were smashing piñatas left and right!

Until it was only Pain-Yatta left.

Eli: WHEW!

Ahsoka: WOW!

Nico: And then there was one!

Eli: Yep.

Pain-Yatta: Bring it on!

They fired waves of magic and jewels and blasted him all over.

Nico: YEAH!

Eli, Hunter, Nunnally, Ahsoka, Blastermind, Enigma, Spyro, Deja-Vu, Star Man and Jewel Man: MAGICAL SKYLANDS MYSTIC BLAST!

They fired waves of intense magic and blasted him and he was down!

PAIN-YATTA DEFEATED!

Eli: Now for the fun part!

He held up a purple trap and a purple vortex appeared and sucked him in!

Pain-Yatta: "Ugh. I ate too much candy for this ride, NOOOOOOO! (blows party horn)"

He was in the trap!

Pain-Yatta: "I'm not afraid of this place, I'm not afraid of anything. Except rain...and maybe trees...and definitely blind-folded kids. But other than that..."

PAIN-YATTA TRAPPED!

Eli: Now you are my prisoner Pain-Yatta and you have to be good no matter what!

Pain-Yatta: "Hey, as long as no one hits me with a stick, I'm-I'm cool with whatever."

Eli: Good.

Nico: We'll try to reduce that

Me: Yep.

They came back and we cheered for them!

Me: YEAH! Way to go guys!

Hunter: Danke that was fun!

Me: Yeah it was!

Eli: Yeah!

Later we were in the park relaxing.

Me: Ahh.

Linka: Nothing like relaxing in the park.

Me: You said it.

We were sunbathing, drinking smoothies, having all kinds of fun.

Camie: This is relaxing.

Ymir: It sure is.

Dina: (Pokes her head out of the lake) It sure is fun.

Rita: I guess Tetch, in spite of his crimes, had a heart after all

Me: Yes he did.

Qin: Yep.

Iormu: Boy it's hard to imagine that Tetch did all that. But at least he has a heart.

Camie: And all it took to see that was him hearing Alice Liddell's dark tale.

Xenia: I know.

Poromon was drinking beer

Poliwag was eating a Knackwurst Nightmare Platter.

Heffer: Geez you are going to be stuffed.

Poliwag: I know.

He slurped the weiners down like spaghetti.

Heffer: Poliwag is eating a massive 572 pound sausage.

Nico: HOLY SHIT!

Qin: Wow!

Heffer: I ate one and won the Weinermobile.

Me: Really? Wow.

Poliwag slurped it all down and he was stuffed!

POLIWAG BELCHED EXPLOSIVELY!

G1 Thrust: Geez!

Poliwag: Excuse me!

Me: You are not eating anything more for the rest of the day.

Poliwag: I am stuffed!

Poliwag was as heavy and big as a Lardadoodle Bird!

Me: Better make it the rest of the week.

WE LAUGHED!

Xenia: Funny.

Strafe held Poliwag upside down and started shaking him

Poliwag: (LAUGHS)

Strafe: Okay that is funny.

He continued shaking him.

Then a Pirate sword, knuckledusters, Screwdriver, bomb, club, cleaver, torpedo bomb, dagger, 17th century flintlock pistol, spear, 17th century rifle. Mace club, grenade, gunpowder barrel bomb, pirate hook, dynamite, axe, baseball bat and more came out and then...

CRASH!

A cannon came out.

And a pirate accordian too.

Strafe: What the!? Where did all that stuff come from!?

Me: Lots of pirate and adventure stuff.

Qin: Geez Poliwag have you been storing lots of weapons and stuff?

Poliwag: Never hurts to be prepared.

Strafe: Is he feeling lighter?!

LOUD NASTY HUGE BELCH!

He was back to normal size.

Poliwag: Ahh! That's better. Just REALLY Bad gas.

Nico: Thank goodness.

Me: Yep.

But then...

SMASH!

A shadow ball flew in and it hit May and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMM!

May screamed as she was hit!

She was burned bad!

Manaphy: MAMA!

Me: What the!?

Lola: Look where that came from!

We saw a Gigantamax Polteageist and Polteageist!

Me: WHOA! A Gigantamax Polteageist and Polteageist!

Nico: How did they get here?!

Me: I think I know. They must be Dark Gale's work.

Kairi Yano: Lets see here.

Keiichiro: I wonder.

They used Telepathy and gasped!

Kairi Yano: It's my sister Aria!

Keiichiro: And my sister Kikyo!

Me: WHOA!

Kairi Yano: You'll be amazed on who they are.

Me: We better go help them.

We went over to them.

Kairi Yano: Aria! It's me Kairi!

Keiichiro: And Kikyo calm down! It's me Keiichiro!

They used Shadow Ball and we deflected it back!

And it hit them and exploded!

Me: Okay then.

We fired waves of darkness and smashed them.

Me: Okay then.

I snapped my fingers and they reverted back. They were both girls with purple hair and blue eyes and purple angel wings and had Gigantamax Polteageist and Polteageist on their foreheads and had purple suns with the LupinRangers and PatRangers symbols in them on their arms as cutie marks.

We wrapped them in blankets and put them on a bench.

Me: Yeah!

They both woke up.

Aria Yano: (Groans) What happened?

Kikyo Asaka: I feel light Dogranio Yaboon smashed my head in.

Kairi Yano: Are you guys okay?

Keiichiro: Yeah.

Aria Yano: (GASP) Kairi!

Kikyo Asaka: Keiichiro!

They hugged them.

Aria Yano: It's awesome to see you.

Me: You both were turned into a Gigantamax Polteageist and Polteageist by Dark Gale.

Aria Yano: Dark Gale? Who are they?

Kikyo Asaka: We were fighting one of the ganglers and then everything went black after we defeated him.

Me: Which Gangler were you facing?

Kikyo Asaka: It was Nanpario Pengino.

Eli: (GASP) I remember him! He was that penguin themed Gangler that Umiko and Tsukasa beat in the 2018 Special, Girlfriends Army.

Umiko: I remember that! Me and Tsukasa teamed up in a girl powered battle against him.

Me: I never saw that one but that is cool! So that's one of the Ganglers we haven't kicked his big ugly fucking ass in any of the Usual Battles yet.

Aria Yano: That was clever.

Kairi Yano: Me and the others were taking a day off at the time.

Noel: And at that moment, I didn't join the team yet

Me: I see. The Girls got their chance to shine back then.

Noel: Yep.

Me: Cool.

Kikyo Asaka: I know.

Kairi Yano: Also our sisters are the Purple Rangers. Aria is the Purple LupinRanger.

Keiichiro: And Kikyo is the Purple PatRanger.

Me: Cool! We'll have to see them in action on the main mission later on.

Aria Yano: Awesome.

Nico: And to answer your earlier question, Dark Gale was an evil organization we destroyed a while back. Long story.

Me: Yep.

Kikyo Asaka: I see.

Rarity: Lets get you some new clothes darlings.

Kairi Yano: And we held on to your VS Chargers too.

Kikyo Asaka: Thanks guys.

The Fashion Brigade gave them purple clothes and they were awesome.

Aria Yano: We look amazing!

Me: You sure do.

We went back home

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999

Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep. Man that was good relaxing.

Camie: We needed it too.

Kairi Yano: I agree.

Numbuh 274: Good thing you're not big anymore, Poliwag.

Poliwag: I know.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Nurse Sue, she's finally on the move to attack Sunset Canyon, and she's finally lost it big time! When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: SO, YOU'RE FINALLY ON THE MOVE, YOU DEMENTED SHREW!

Eli: It's time.

Lincoln: That it is, Eli!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Nurse Sue, she's finally on the move to attack Sunset Canyon, and she's finally lost it big time!

EVERYONE GASPED!

Nebula Lanaia: I knew that screwed-up cow would finally make her move!

?: (Female Voice) Now, we can get a move on.

?: (Female Voice) And end that fat cow for good.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long aqua blue hair with light blue streaks, blue flower in her hair, blue eyes, massive blue angel wings, she has on an aqua blue two piece bikini, and in her hand is a water greatsword, and another beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long white hair with yellow streaks, pink flower in her hair, yellow eyes, massive white angel wings, she has on a yellow two piece bikini, and in her hand is a light greatsword.

Lincoln: (GASPS) Anahita Aquaira, Queen of The Aquairans and Chiara Celestia, Queen of The Celestians.

Nico: The only two survivors of the Infernairans' rage. And you know them, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, the blue-haired girl is Anahita Aquaira, Queen of The Aquairans, she's Lincoln's Guardian Angel from the water planet of Aquaira in The Forbidden Zone. She was the Queen of the Aquairans who ruled the planet and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over water and the ability to grow even stronger, but she was also born with angel wings, Cosmic Hydrokinesis, water, the oceans, the bodies of water, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Anahita Aquaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Hydrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, water, the oceans, the bodies of water, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Hydrokinesis, Omnipotence, Omniscience, Cosmic Awareness, water, the oceans, and the bodies of water, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome water greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion, and she swore to quench her fury for good with the powers of Aquaira.

Eman Reynolds: And the white-haired girl is Chiara Celestia, Queen of the Celestians, she's Lincoln's Guardian Angel from the light planet of Celestia in The Forbidden Zone. She was the Queen of the

Celestians who ruled the planet and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over water and the ability to grow even stronger, but she was also born with angel wings, Cosmic Photokinesis, light, purification, fire, The Sun, life nourishment, energy, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Chiara Celestia came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Photokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, light, purification, fire, The Sun, life nourishment, energy, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic Awareness, light, purification, fire, The Sun, life nourishment, energy, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an awesome water greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Chase Young with a blazing passion, and she swore to destroy that evil monster for good with the powers of Celestia.

Anahita Aquaira: We swore to end those Infernairans for good, but we needed Arpina's help.

Chiara Celestia: But, when Lincoln absorbed her former people, her planet and its core, and its Sun into his body, he avenged our people, and he absorbed the souls of our people, our planet's cores and planets themselves, and our planets' Suns to preserve their legacy, that was truly a noble thing he did to save our people from being forgotten. Thank you, Lincoln, and it's good to see you again, but wow, you've really grown.

Suddenly, Lincoln pinned Anahita Aquaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anahita Aquaira with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Anahita Aquaira: (Seductive Voice and still rubs Lincoln's massive pecs) My Goodness. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of Aquaira and Celestia, you can land an airplane on that massive, wider, and more muscular back.

Chiara Celestia: (Rubs his legs) Squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps. (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Hey, save the intimate stuff for later tonight, we got to deal with that fat cow!

The girls had an embarrassed blush on their faces.

Nico: Nice save, Shanan. Alright, team, let's get a move on, time to teach that bitch, Nurse Sue, a painful lesson.

Lincoln: And we're also dragging her butt to court. This is gonna be awesome.

The previous group came

Tchang Zu: Can me, Vexen, Pied Piper, Jack O Lantern, Ryugu Tamatebacco, Pterodcatyl Ghost, Dodgeball Wizard, White Lightning, Seadramon, and MetalSeadramon go with you guys?

Nico: Yes you all can come with. Nurse Sue is going to pay for her crimes.

Xenia: Yeah!

Varie: That bitch gives all nurses a bad name!

Pied Piper: Nico, which Gene Slammer do you think you'll meet next?

Nico: Numbers 32 and 31 next.

Me: WHOA!

Qin: Cool!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Ragnaros the Firelord and The Fire Elementals, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr from World of Warcraft, they've come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Ragnaros the Firelord and The Fire Elementals, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr from World of Warcraft, they've come back for revenge on us.

Lola: I should've known.

Alena Zlochova Cooper: Hope you're ready to absorb them again, Lincoln.

Lincoln: Always ready, Alena. Ragnaros chose the wrong time to come back along with The Fire Elementals.

Nico: Now, they're going to wind up absorbed like last time. Alright, team, let's go, this is the last and final time we ever have to deal with Nurse Sue.

Lincoln: This is where we end her madness forever, and once we get done with her, you're next, Ragnaros the Firelord, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr.

Alena Zlochova Cooper: You monsters made the big mistake of returning, now we'll make sure you never return.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Sunset Canyon to put a permanent end to Nurse Sue's madness once and for all, and once we get done with her, Lincoln and Alena Zlochova Cooper are going to destroy Ragnaros the Firelord, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr and send them to The Black Abyss after Lincoln absorbs them.

We were off to Sunset Canyon Retirement Home.

We arrived.

Me: Here we are.

Meowth: Think we should call Beautiful Gorgeous?

Me: I was about to suggest that.

We called her.

Beautiful Gorgeous came.

Beautiful Gorgeous: I'm here guys.

Xenia: Awesome!

Laney: Cool.

Albert: Hey kiddos!

Me: Hiya Mr. Albert.

Rita: Hey dad.

Albert: Glad you all came. We're prepared for Nurse Sue the Female Ivan the Terrible Nurse.

Me: Ooh good comparison.

Metal Man: Good thing she isn't a Dermatologist

Me: No I don't think that's more her field.

Varie: But after we're done here she'll be recommended to a neurosurgeon.

Me: In the Saturn Arkham Asylum section.

Nico: Good idea.

Albert: I've had it with that witch.

Me: All of us had.

My phone rang.

Me: Oh please excuse me.

I went and answered.

Me: Hello?

Vypra: J.D. it's Vypra.

Me: Oh hey Vypra. What's up?

Vypra: I want to tell you that we're going to have an extra member for the usual battles come in. Sprite Thunder is going to have fun with this one.

Me: Ooh cool! I have a feeling she is going to have fun. I'll tell her.

Vypra: Great! Good luck today guys. Nurse Sue is going to be brutal.

Me: Thanks for telling me. Bye.

I hung up.

Nico: What did Vypra want?

Me: Sprite Thunder is going to have her First usual battle against her archenemy today. Vypra said it's a surprise.

Nico: Cool.

Ryugu Tamatebacco: Did we mention that we have a book from the last time we fought Mad Hatter?

Me: Really?

Qin: Cool!

Burst Man: It's called Team Loud Phoenix Storm's Adventures in Wonderland

Nicole: Oh right! I remember! That was a crazy one.

Camie: I remember that one too! That was nuts!

Vinyl Scratch: My ambassador missions were going on too.

Nicole: We followed the scenario from Arkham Missions back then and that was intense. He was toying around with Harvey Bullock.

Dodgeball Wizard: That was when he rhymed

Me: And those rhymes gave us a headache.

Qin: Yeah.

Varie: He hid a bunch of hostages for us to find.

Qin: Yeah no kidding.

Teresa: And then we ended up fighting him on Aldabra

Terraspin: On my home planet which was really cool.

Me: He said it was the closest thing to Wonderland there is.

Camie: Yeah even though it was 2.3 million lightyears away.

Lola: Yep.

Wallflower Blush: Too bad it wasn't the real Wonderland though. But that is as good as he could do it.

MetalSeadramon: But we know what Wonderland really looks like.

Me: That's true. But he also had ALL THOSE ANOTHER RIDERS with him which was REALLY epic!

Qin: It sure was.

Lola: Yeah!

Garby: (LAUGHS) Boy all those were fun too. (LAUGHS)

LOUD FART TOOT!

Garby: Oops. Sorry! (LAUGHS)

Nico: Haven't done that in a while

Garby: I know. Has been a while.

LOUD FART TOOT!

WE LAUGHED!

Nico: (LAUGHS) That is always funny.

Me: Yeah.

Deadpool: Haven't done that since this story started

Jamesdean5842: It has been a while.

Me: Yep.

Nico: Yeah.

Garby: That was also my first time helping you guys and it was fun.

Me: It sure was.

Garby: Yeah we all had fun.

LOUD FART TOOT!

WE LAUGHED MORE!

Ty Rux: That always cracks us up

Me: Yes it does.

But then we HEARD REALLY ANGRY YELLING COMING FROM OUTSIDE!

Me: Holy shit! Someone is REALLY PISSED!

Cars and buildings were being torn apart and massive explosions were blasting off!

Jimmy: SOMEONE IS THROWING A KANKER STYLE HISSY FIT!

Me: HOLY FUCK!

Nico: We better check it out!

We were off and we were greeted by a HORRIBLE SIGHT!

We saw much of a block of the city completely reduced to flaming rubble and everything was RIPPED APART AND BURNING!

Me: What the fuck happened here!?

Nico: Nurse Sue must've caught onto us!

Eddy: Or the Kankers attacked early!

Lincoln: No this was not the work of either of them! This was work of Mom's Akuma.

Me: WHAT!? Rita's Akuma did this!?

Lincoln: Yep. Her name is Angry Karen! The Hypothetical Akuma of Rita Loud and she is a REALLY NASTY AND ANGRY WOMAN! She has a REALLY NASTY DISPOSITION! You think Karen Women are dangerous, she is the worst! She hurls furniture and fireballs and destroys everything in her path and seriously hurts a lot of people with NASTY RACIAL COMMENTS AND WANTS NOTHING MORE THAN TO KILL EVERYONE IN HER PATH! She was made because of Lynn Sr. And the kids leaving her because Rita was abusive and evil and vowed to punish the world for everything that happened to her.

WE GASPED IN SHOCK AND DISBELIEF!

He showed a sketch of and it was a woman that had black angry wings and had piercing red eyes emitting INTENSE and EXTREME HATRED and she was REALLY PISSED OFF!

Me: OH MAN!

Doofenshmirtz: And I thought I had family issues

Me: If there's one thing I HATE MORE THAN RAPISTS, IT'S A

KAREN!

Leni: But her name is not Karen.

Me: No Leni. Remember it's a slang term. It means a woman that thinks they are so much better than everyone else that they think they can get away with anything even breaking the law and all that.

Nico: Yep.

Leni: Oh right.

Posey Bloom: Honestly, they think they're so much better than everyone and look down on others, PUH-LEEZE! And it's always an amusing sight to see them get their just desserts when they mess with the wrong people.

Me: Yeah KARMA IS A BITCH! They need to lock them up and throw away the key. Karens are an absolute menace to society.

Nico: Who came up with that name anyway?

Me: I don't really know for sure. The term's origins are still unclear.

Nico: Well lets get her.

We then saw a figure come and it was ANGRY KAREN!

Me: Well well well.

Angry Karen: I WILL SHOW YOU NO MERCY BECAUSE I'M BETTER THAN YOU!

Me: SHUT YOUR FUCKING TRAP YOU MOTHERFUCKING BITCH!

Angry Karen: WHAT THE FUCK DID YOU SAY TO ME!? WHAT THE FUCK DID YOU SAY TO ME!?

Me: YOU HEARD ME! YOU ARE A MOTHERFUCKING BITCH AND YOU NEED TO SHUT THE FUCK UP! YOU UGLY BITCH!

Angry Karen: YOU CALLING ME A BITCH!?

Me: YEAH! AND I EAT MOTHERFUCKING PUTRID BITCHES LIKE YOU FOR BREAKFAST!

Angry Karen: I WILL MAKE YOU REGRET THAT!

Me: BRING IT ON YOUR PUTRID FUCKING WHORE!

She threw plates at me and I punched them and she threw furniture and I smashed it and smashed her down!

Me: YOU ARE NOTHING MORE THAN A PUTRID FUCKING SHITHOLE WHORE AND AN UGLY DOUCHEBAG SACK OF SHIT!

Angry Karen: I HATE YOU FUCKING DICKWAD!

MY AURA FLARED UP INTENSELY TIMES 100,000,000,000,000,000,000,000,000,000!

I THEN SMASHED HER HEAD IN WITH AN ANCHOR, SOFA, CHAIR, ANVIL, BOULDER, DUMPTRUCK AND A 2 TON ANVIL!

We then got into a REALLY NASTY SWEARFEST AND CALLED EACH OTHER SUCH HORRIBLE NAMES THAT IT WAS TOO HORRIBLE TO EVEN SAY!

Clyde: (SCREAMING) AAAAAAHHH! MY EARS ARE BLEEEDING!

Milhouse: SOMEONE SHUT THEM UP!

Me and Angry Karen were fighting in a brutal Fight Cloud!

Seadramon: Rita, is that you?

But she was too busy fighting me to even answer!

Nico: HOLY FUCK IS SHE ONE PISSED AKUMA!

Nicole: Okay we're going to kill her and throw her into the Book of Vile Darkness!

Beautiful Gorgeus: Ok, you need to seriously calm down!

Eli: Allow me.

Eli went and grabbed us.

Eli: I must discipline the nannygoats!

KRABLANG!

He bashed our heads together!

Me and Angry Karen: OW!

I had birds spinning and chirping around my head.

Me: Pretty birds.

POW!

Beautiful Gorgeous punched Angry Karen in the face.

I shook my head and shoved an entire bar of soap down Angry Karen's throat!

SHE SPIT AND GAGGED AND BELCHED OUT BUBBLES!

Kickback: Like that?!

I punched her in her face and grabbed her tongue and made her bite on it and it SLICED OFF!

SHE SCREAMED IN PAIN AND BLOOD POURED OUT OF HER MOUTH!

Nico: YIKES! That had to hurt!

Me: SICK! But that will shut her up!

Rita: I'll finish her.

She used her super elasticity and wrapped around Angry Karen and then channeled lightning and then electrocuted her and reduced her to ashes!

Then Nicole banished her spirit into the Book of Vile Darkness!

Me: WHOA!

Xenia: That was one NASTY TEMPERED Akuma!

Tayuya: And I thought I had a really nasty fucking mouth!

Rita: I would never turn into that.

White Lightning: I know you're not like that.

Rita: No that was going too far.

Me: Yeah no kidding.

I snapped my fingers and fixed the city that was damaged.

Me: There we go.

Wendy Koopa: Let's lure Nurse Sue into a trap.

Me: Good idea Wendy.

Lincoln: And I know just what to do.

Lincoln had us huddle.

His plan was to lure her into Sunset Canyon Retirement Home and then trap her in rug that is really the C.A.T.U.H.P.L.U.N.K. (Chucks Alotta Things Up High Powered Largely Using Negonized Ketchup) and when she is up in the air, we'll use the entrance and punch her all over in the explosion and smash her into a massive pool full of chum, rotten egg stink bombs and rotten garbage.

Nico: That is genius.

Pterodactyl Ghost: Go prepare the trap. I'll fly to see how far she is

We nodded.

We got everything ready.

Nico: Boy this is gonna be funny!

Family Guy Penelope: I hope we don't have to wait long. I don't like doing that

Pterodactyl Ghost came back.

Pterodactyl Ghost: She's coming.

Me: Perfect timing. We just finished.

Numbuh 1: Battlestations.

Me: Right.

We got ready.

Jack O Lantern: There she is

We saw her. It was NURSE SUE!

Me: (Whispers) Get ready.

She came in and was REALLY ENRAGED!

She growled ferociously! Then...

FOOMP!

She fell into the floor!

Nurse Sue: What the?

But then...

KRABOING!

She was catapulted high into the sky through an open window in the skyline!

Nurse Sue: (SCREAMS)

She splashed right into a HUGE POOL Full of Rotten Chum, Rotten Eggs and Rotten Garbage and it smelled REALLY HORRIBLE!

She got out and REALLY WAS SMELLING LIKE SHIT!

We landed and I grabbed her and picked her up by her shirt.

Me: Hello you putrid bitch! Remember us?

Shocker: Have a nice swim?

Me: Too bad it wasn't a pool full of water.

Albert: You made our lives miserable!

Nurse Sue: I was only doing what was right for a good working environment!

Me: You call having the elderly thrown out just for being late by one second good!? I don't think so!

Vexen: It was a bad working environment

Me: And you don't care about the elderly at all! All you care about is wanting to make sure they suffer!

Rita: That's right!

POW!

Rita punched Nurse Sue in her face and gave her a black eye!

Jynx charged at her and punched and smashed her.

Luna: Time for me to go frost!

She fired a blast of ice and froze herself and then turned into LUNA FROST!

Aria Yano was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Sonya, Cerria and Kikyo.

Aria Yano: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Mega Altaria, Slugma, Gigantamax Polteageist and Polteageist and transformed and fired energy and fire and wind and blasted her all over.

Mevya hopped over to her.

Mevya: SMELL-O-GRAM! (LOUD NASTY HORRIBLE BELCH)

She smelled it and threw up!

Then Six Gum Gang, Toiletnator, Fixer, Xiao Fung, Leonard, Mr. Mittens, Condiment King, Gramma Stuffum, Deadwood, and Electro came.

Nico: Six Gum Gang, Toiletnator, Fixer, Xiao Fung, Leonard, Mr. Mittens, Condiment King, Gramma Stuffum, Deadwood, and Electro.

Nurse Sue threw up all over Leonard!

Me: OH SICK!

Leonard: HEY! WHY YOU LITTLE!

He sent his pigs and they thrashed her all over.

Me: At least it's better than having her order you around.

Dixie: Much better!

Goof: But still gross!

Wilbur: You said it!

Leonard: This is easy to wash off.

Fixer: It sure is.

Me: That was funny though.

Xiao Fung: (to Nico) We heard you fought Mad Hatter.

Nico: We sure did.

Toiletnator: (to Layla) You should take care of that Chinchou

Layla: I will.

?: Cool and slow.

Then a figure came and it was SNAIL WORLD from episode 12 of Zenkaigers!

The Snail World is a minor antagonist in Kikai Sentai Zenkaiger, appearing as one of the two main antagonists (the other being the Great Snail World) in Episode 12. A snail-themed World who serves as an agent of Tojitendo, he wields the Katatsumuri Tojiru Gear containing Katatsumuritopia.

He was voiced by Yasuhiko Kawazu, who previously voiced Bomb-Maker D.D Ladis, a Vase Org, Shiransu, Trinoid 9: Bankumushroom, Botsian Zortac, Yokai Nurikabe, and the Great Snail World.

The Snail World made his first appearance at a bridge, as he used this ability to slow down the area and everyone within it, especially for Juran and Magine, as they're both jealous about Twokaiser as he gives them a beating. However, once said pirate comes in to help, he to gets caught in slow motion, as he was knocked down to his back as the Snail World, ready to slow down the rest of the world after.

Later, the Snail World was at a freeway as he used his ability again to slow down a couple of vehicles until he got a call from Barashitara, asking him about his progress and he says it was smooth sailing from here on out. Barashitara told them to eliminate, but Snail World doesn't want to since they're going slow enough to which it doesn't matter. Despite this, Barashitara forced him to move anyway.

After this, the Snail World was at the scene of the crime as he used a pair of his mini-missiles at those now slow, but Zox protected them from the blast since he was prepared before hand. As for Magine and Juran, they were about to be eliminated until Kaito used Sentai Gear #13, granting them the speed they need to block the Snail World's ability.

Once the civilians are out of the way, they began their roll call as the real battle begins as the Snail World summons a couple of Kudakks to aid him in his battle. The Snail World tried to use his ability again, but they used the same gear to counter it before it backfired on his minions. Eventually, the Snail World was defeated by the Zenkai Buster Finish technique, thus the affected area was back at its own pace.

Kaito: Snail World!

Snail World: Been a while rangers.

Me: I remember you! You were going to turn the world into a world of Snails.

SpongeBob: The kinds like Gary?

Snail World: (LAUGHS) Well actually all kinds of snails.

Me: Snails that don't meow like cats. Were you going to turn us into Escargot?

Marinette: I would like that.

WE LAUGHED!

Snail World: Good one. But good memory there.

Me: Thanks.

Snail World: Let me demonstrate my power!

He fired a blast of energy and it hit Nurse Sue and made her SLOW as a snail!

I pulled up my speed radar.

Me: Wow 0.02 miles per hour.

Nurse Sue: (SLOW DEEP TALK) I WILL KILL YOU ALL!

Me: I don't speak slow.

Sprite Thunder VS Lor Zod

Lor Zod was next.

Sprite Thunder: So you're the son of General Zod? That is amazing.

Lor Zod: It is. My father told me all about Kal-El and the family of the Els.

Sprite Thunder: I see. What is your story about? Your background?

Lor Zod: Well my family was imprisoned in the Phantom, my home planets extradimensional prison. But as you see my race never intended to keep people there for eternity.

Sprite Thunder: That would have been far too cruel in my opinion. Unfortunately from what I was told, Krypton was destroyed when it exploded because they were harvesting the core for energy and no one survived to release the prisoners from the zone when their sentences were over.

Lor Zod: That's correct. The last Phantom Zone Projector was discovered on the planet New Genesis 1,000 years later in the 31st Century. They paroled us after 1,000 years of imprisonment.

Sprite Thunder: According to Kryptonian standards compared to Earth that's over 1,370 years.

Lor Zod: That's right. When my parents were unjustly imprisoned in the Phantom Zone, not even my mother knew that she was already pregnant. As no one ages or dies there she had the honor of unknowingly carrying the scion of General Dru Zod for a millennium. 8 months after their parole in the 31st Century, I arrived.

Sprite Thunder: You were inside your mothers womb for over 1,000 years!? That's incredible! But then again because the Phantom Zone is isolated from all of time and space, it shouldn't come as a surprise.

Lor Zod. That's right. The Frightened beaurocrats of the United Planets had settled all of us on the Kryptonian colony world Daxam, a planet orbiting a red sun. Thus preventing us from gaining the powers that were our birthright.

Sprite Thunder: Because radiation from a red sun neutralizes the Superpowers that Superman has.

Lor Zod: That's right. But they didn't count on my fathers ingenuity.

By the time I turned 15, he'd smuggled his followers along with a few light-minded Daxamites to a nearby planet under a yellow sun. Now that we had our rightful powers, my father made a valiant attempt to lead a rebellion against the United Planets for the good of the Galaxy.

Sprite Thunder: I take it that didn't go very well.

Lor Zod: No it did not. My father was determined to assert his dominence over everyone and everything. But then as luck would have it, the newly formed Legion of Superheroes defeated my father and imprisoned him and his fellow patriots back into the Zone with the very same Phantom Zone projector that released him from prison. The damned Legion put my parents and their army of patriots back into the Zone! Depriving the Galaxy of true leadership!

Sprite Thunder: But the Legion didn't consider you that much of a threat before didn't they?

Lor Zod: No they did not because I was still just a teenager and thought I wasn't that much of a threat. I was raised to despise the family El. Chief Scientist Jor-El, Superman's father, had exposed my father's attempt to save Krypton from it's own weakness.

Sprite Thunder: I remember before Krypton exploded, Zod tried to launch a Coup.

Lor Zod: Yes and call it what you will. But what is certain is that Jor-El conspired with his brother chief examiner Zor-El to sentence my parents to the Zone. I didn't think I could hate anyone as much as I hated the El's. And now there was the Legion.

Sprite Thunder: So you made an attempt to get the projector to free your parents and followers to finish what they attempted to do.

Lor Zod: Yes you are very perceptive. But as I was about to use it, the Legion Destroyed it, The Legion had permanently consigned my mother and father to the Hell of the Phantom Zone.

Sprite Thunder: Oh man. That is a fate worse than death. Eternally rotting in the Phantom Zone forever.

Lor Zod: Yes. But after I saw you all defeat Brainiac in the 31st Century, Vypra came to me with an offer I just couldn't refuse and that is to join her. I had to wait until I got an archenemy.

Sprite Thunder: Well now here I am.

Lor Zod: Indeed. Now it's time to see what you are made of.

Sprite Thunder: Gladly!

She spread her wings and flew at him and they punched and kicked at each other and she fired a blast of lightning and electrocuted him.

Lor Zod fired laser vision blasts and she reflected them back at him and blasted him down and she kicked him into the ground. He was knocked down.

Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's over for you, Nurse Sue, this time, you're going away to the nuthouse forever! DOCTOR ELEMENT STYLE: DERMATOLOGIST!

Lincoln and the girls fired waves of energy and elements that formed into said doctors that hit Nurse Sue and exploded.

Beautiful Gorgeous: Now to knock you out!

KRABLAM!

SHE SMASHED HER FIST INTO HER FACE!

She really knocked her teeth out.

Lincoln and his harem: We have had it up to hear with you to last an eternity, Nurse Sue! This time, you're going away forever! DOCTOR FINAL SMASH: DOCTOR BLAST!

Lincoln and his harem fired Ki blasts based on types of doctors at Nurse Sue and they exploded as they hit her and knocked her down.

Lincoln fired a rainbow energy blast that turned into a straitjacket and tied Nurse Sue up. We cheered as we holstered our weapons and powered down.

Lincoln: Alright, now let's get this monster to trial at once.

Nico: Right.

Me: This is gonna be awesome.

Rita: Time to send this belligerent old cow to the nuthouse where she belongs.

We dragged Nurse Sue who was strapped to a gurney to the Gotham Royal York Courthouse where the trial of the century began. We proceeded to present our evidence and give testimony: everything from Nurse Sue's outrageous and unreasonable rules to unlawfully evicting the residents for breaking her rules, and they even presented the videos of her power trips and acting like an outright tyrant, and when they also showed her taking the money from the seniors, that was also proof of theft.

The jury were literally disgusted, and it didn't take long for them to deliberate, and less than ten seconds later they came back.

Katie Rockell: Has the jury reached a verdict?

Foreman: We have, Your Honor. We the jury find the defendant, Sue, guilty on all charges of theft, embezzlement, power harassment, and elder abuse.

The senior citizens quietly cheered, but Sue was glaring with extreme hatred at them and she was about to threaten them and us with death, but Lincoln knocked out her teeth with a baton to shut her up.

Katie Rockell: This is indeed one of the worst cases of elder abuse, embezzlement, power harassment, and theft. You are without a doubt not only the worst caregiver ever to live, but you are also a filthy criminal with delusions bordering on madness. You belittle life: both young and old and you don't give a single care about the elderly, all you ever care about is yourself and you just don't know when to quit causing trouble to The Louds! Sue, it is with the judgement of this court and the full power of the judiciary system that I hereby sentence you to Eternity in The Saturn Insane Asylum where you belong and you will never be free again! If you so much as dare to escape, you will be killed without a single thought. Bailiff, security, get this belligerent fat cow out of my courtroom!

Bailiff: Yes, ma'am!

The bailiff and the security guards grabbed Sue by the arms and dragged her out in handcuffs as they escorted her out of the courtroom!

Finally, Nurse Sue lost it big time!

Nurse Sue: WHAT THE?! YOU CAN'T DO THIS TO ME! GET YOUR FILTHY GRUBBY HANDS OFF OF ME?! DO YOU KNOW WHO I AM!? I WILL RETURN AND I WILL RETAKE SUNSET CANYON AND KILL ALL OF YOU STUPID OLD GEEZERS AND YOU TOO, YOU STUPID GODDAMN LOUDS! I WILL KILL ALL OF YOU AND I WILL MOUNT YOUR HEADS ON STAKES AND DRINK YOUR BLOOD! NO ONE DEFIES ME, NOBODY!

Lincoln: (Deathly Calm Voice) You miserable belligerent delusional fat cow...!

LINCOLN CLENCHED HIS LEFT HAND REAL TIGHT, AND HE DREW BLOOD FROM HIS PALM: NURSE SUE DID IT NOW! NO ONE THREATENS HIS FAMILY AND GETS AWAY WITH IT!

Suddenly, Nurse Sue broke free and attacked the guards, and then, she ran at us to kill us in a deranged fury, but then...!

Lincoln: GO TO HELL, YOU BELLIGERENT FAT COW!

Lincoln punched Nurse Sue real hard in the face with his left fist and sent her flying into the hands of the police!

Nurse Sue: (SCREAMS)

Nurse Sue had a busted up face, missing teeth, and a broken and bleeding nose! The police came in and cuffed Nurse Sue and they dragged her out again as she was ranting and screaming at us like a madwoman swearing that she will break out again and kill us all and she swore to make all of us pay for ruining her! But, Nico, Bart Simpson, and I mooned her, Lincoln and his siblings and cousins gave her the finger, Lynn Sr., Lance Loud, Sharon, and Rita gave her both middle fingers, Albert and the other senior citizens booed and jeered at her and they hoped she'd suffer for eternity, and Varie swore that if she ever saw that fat cow here again, she'd throw her right into the depths of The Underworld to be tortured for eternity!

Me: And that's that! Get lost, Nurse Sue, you fat cow!

Nico: And don't you dare show your ugly fat ass here ever again!

Lincoln: Oh, she won't show up here again, she's going to the Arkham Asylum wing in The Saturn Insane Asylum for the rest of her life. Now, there's one last thing to do and one last loose end to tie up: Ragnaros the Firelord and The Fire Elementals, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr.

We then turned our attention to Ragnaros the Firelord and The Fire Elementals, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr who was still in suspended animation.

Ragnaros the Firelord: YOU! WHEN WE GET OUT OF THIS, WE WILL DESTROY YOU!

Lincoln, Alena Zlochova Cooper, Nico, and I went after Zovaal and Sire Denathrius and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Ragnaros the Firelord, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Alena Zlochova Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Alena Zlochova Cooper, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Ragnaros the Firelord, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Ragnaros the Firelord, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Ragnaros the Firelord and The Fire Elementals and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Ragnaros the Firelord, Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr ran at Lincoln, and entombed him in an planet-sized massive ball of fire formed, but this was Lincoln's plan: then, he proceeded to suck in and absorb Ragnaros the Firelord, Lord

Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr into his body and he assimilated Ragnaros the Firelord's Godlike strength, Godlike durability, Pyromancy, Immortality, Vast armies, Minion creation, and Corrupting Influence and the Shapeshifting, Pyromancy, Immortality, Incredible Strength, Incredible durability, Charisma, and Control over fire elementals of Lord Rhyolith, Baron Geddon, Fandral Staghelm, Majordomo Executus, Shannox, Riplimb and Rageface, and Baron Charr, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(GROWLS) This feels really good! RRGH!

Then, he also absorbed the planet-sized ball of fire he was entombed in, and when Lincoln was done, nothing was left of Ragnaros the Firelord and The Fire Elementals, and Lincoln drained their souls of energy and he sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles and fire exploded out!

We cheered wildly as we holstered our weapons and powered down and Alena Zlochova Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Alena Zlochova Cooper: It's over for you, Ragnaros the Firelord and the Fire Elementals, and to this we say good riddance. Thanks for helping me get rid of those evil deities, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Alena.

Me and Nico: Our pleasure, Alena.

Suddenly, Alena Zlochova Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alena Zlochova Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Alena Zlochova Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Alena, you transformed and you guys really let those evil fire elementals have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of Pride and The Pot of Pride appear.

Lincoln: (GASPS) The symbol of Pride and The Pot of Pride.

Adriana Nightshade: There's only one person who fits that: Allie Nightshade, Avatar and Gene-Slammer of The Pot of Pride and Deadly Princess of Pride.

Mara Lucifer: I knew it was her, and you guys are going to enjoy meeting her, Allie Nightshade, Avatar and Gene-Slammer of The Pot of Pride and Deadly Princess of Pride, is Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride. She's known as The Deadly Princess of Pride and Avatar and Gene-Slammer of The Pot of Pride, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Allie Nightshade has the power to make the pride of those who are the most proud completely blind with pride which ends with them killing their own cohorts thinking they are better than them and allow her to send them to The Circle of Pride. Allie Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Chandler with a blazing passion, and she swore if she saw that sewage asshole again, she would use her powers to make Chandler's pride even worse, so much so that someone winds up killing him and allow Allie Nightshade to send him to The Circle of Pride.

WE GASPED!

Me: HOLY FURIOUS BLAZES OF DARK PRIDE! WHOA!

Nico: Damn, and that's the very sin that caused Lucifer's fall from grace.

Lincoln: The very one that turned him from the high-ranking Angel of Heaven to The Ruler of Hell.

Mr. Mittens: That's the last time we deal with her.

Deadwood: You said it.

Electro: What now?

Gramma Stuffum: I'll make food for the victory feast.

Condiment King: And I'll get the ketchup and mustard. (laughs) I'm glad I got my payback earlier.

Me: Yeah!

Nico: Yep. Great job today everyone.

Rita: Nurse Sue is where she belongs and that is in the nuthouse.

Me: Thank goodness.

Rita: (To the viewers) Never mess with the Loud Family and their relatives or you're going to regret it.

Me: Big time.

We went to Cap'n Cluck's Chicken Restaurant in town.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it. We took down that no-good former Nurse Sue.

Anna Anyanova: And we had her taken to trial and she was sentenced to Eternity in The Arkham Asylum section of The Saturn Insane Asylum where she'll stay there forever or until she dies. Either way, she's never getting anywhere near Sunset Canyon again.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist

and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

We're going to rescue seven girls there for my harem. And we're going to battle 7 villains too. First up: Day 1: Sakura Kazehana - Villain: Darvon Reynolds, he was a cruel remorseless bully who terrorized my high school and all of Colorado for years, and he committed all kinds of violent assaults, robberies, murders, rapes, you name it, and to make things worse for himself, he was part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, Venn's little brother. That was until I gathered all of the evidence of his crimes, and when Darvon found out, he went ballistic, but he was taken down and sent to prison forever. Zecora is going to unlock her Rainbow Power. The Anothers are going to be the Embodiments of Aldebaran and Lucifer. Next we're going to meet gene-slammers for

Number 32 and 31.

Alright, and now, for tomorrow, the match-up scene is for Alexandra Vondrousova Cooper, The Shadow Phantom of Prague of The International Clan of The Coopers, and she and Lincoln are going to destroy Al'Akir the Windlord who's come back for revenge.

For Lincoln's rescue tomorrow, Lincoln's group and all of TLPS and The MOE are heading to Mobius, but we got some bad news: another old enemy of Lincoln's is running loose and is trying to cause trouble, his name is Dr. Robert Winslow, he's an insane mad scientist who was once a respected scientist in the scientific community, but he was pure evil to the core: he was responsible for doing all sorts of genetic experiments splicing humans with animal DNA: he was messing with the forces of nature to create an army of Animal DNA-spliced hybrids to take over the world, he was INSANE TO THE INFINITE-POWER! Lincoln took him down long ago, but that madman tried to attack once more, and it ended with Lincoln taking his life by draining him dry of blood. That was six years ago, and now, six years later, we got the bad news that Dr. Robert Winslow has returned from the dead as an undead vampire and he's still out to create an army of Animal DNA-spliced hybrids to take over the world, but this time, he's mixing in his vampire blood as well, and even worse news: Black Doom, the monster responsible for Shadow the Hedgehog's creation, has returned and he wants revenge.

But, we're going to take both of them down and end them forever, and we're going to find out from Shadow the Hedgehog that long ago before he got killed by Robotnik, Lincoln purified him of Black Doom's influence, and after you resurrected Shadow years ago, we're also going to find out he had gained angelic powers along with the powers he has, and Shadow's going to transform, and he and Lincoln are going to wipe Black Doom and Dr. Winslow out for good and banish them to The Black Abyss forever. This is the end for Black Doom and where we'll close the chapter on Shadow the Hedgehog's dark past forever.

And we're going to meet Allie Nightshade, Avatar and Gene-Slammer of The Pot of Pride and Deadly Princess of Pride, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride. She's known as The Deadly Princess of Pride and Avatar and Gene-Slammer of The Pot of Pride, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Allie Nightshade has the power to make the pride of those who are the most proud completely blind with pride which ends with them killing their own cohorts thinking they are better than them and allow her to send them to The Circle of Pride. Allie Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Chandler with a blazing passion, and she swore if she saw that sewage asshole again, she would use her powers to make Chandler's pride even worse, so much so that someone winds up killing him and allow Allie Nightshade to send him to The Circle of Pride.

Next up is Girl Power and we're going to battle Aresia from the Justice League episode Fury!

See you all next time.

GIRL POWER: BATTLE OF THE AMAZONS

Aresia is back for Revenge

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there was sky blue planet and a massive city with smaller cities connecting the main city with a Sun, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over wind and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Ventaira, a sky blue planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Ventairans, the males were not only natural born fighters, but had powers over wind, weather, and the sky and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Ventairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: How many planets have the Infernairans terrorized?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) One too many, and the Sun you saw on the planet, Lincoln, it's infinite-times hotter than The Sun and the amount of solar radiation also exceeds that amount, the male Ventairans trained under the harsh heat and sunlight along with other extreme weather events. You need to head to the well where their souls are imprisoned and absorb them into your body, and once that happens, you'll gain their powers over water and their many incredible powers, immortality, virility, and invincibility, and you must absorb the planets and The Sun of Solaris as well.

Lincoln: On it.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Ventaira once inhabited by The Aquarians, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Ventaira, it's awesome!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Ventaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a sky blue gem surrounded by angels carved on it, and then, the aqua blue gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of sky blue souls came out numbering in the septillions: they were the quadrillions of souls of the ancient male warrior angels of Planet Ventaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Ventaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their wind powers, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and sky blue aura with winds surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their wind powers, and their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to

do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Ventaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Ventaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Aquaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large

gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Ventaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories

from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep.

Hours later, May's enemy, Harley just went into an abandoned warehouse.

Harley: Okay. This is where the Pokemon contest is. So where is everyone?

Suddenly, the lights turned on...but instead of what Harley was expecting...

KRASPLAT!

A paint can full of pink paint dropped onto his head, making him pink! He heard a laugh and saw Nico, Poliwag, Poromon, and Manaphy laughing.

Nico: (laughing) Pink suits you, Harley!

Harley: You must be May's new husband!

Nico: That's Nico Chan to you!

Harley: You must've been the one to set up this prank! Well, at least no one else can see it.

Poliwag: (holding a camera with his tail) Don't be too sure!

Poromon: All 4 of us had a part to play in this prank!

Manaphy: Nico came up with it, Poromon dropped the paint can, Poliwag recorded it, and I'm putting it on YouTube! Serves you right for humiliating mama!

Nico then stopped laughing and got closer to Harley's face.

Harley:...you're gonna kill me, aren't you?

Nico: No. You're not worth it. But this is simply a message: Never humiliate my wife again!

The 4 of them then left, leaving Harley with his humiliation.

HARLEY WAS MADE A TOTAL LAUGHINGSTOCK!

It went viral in minutes!

Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The

Infernairans terrorized! Damn.

J.D. 2: I remember Ventaira all too well, it was also an advanced civilization and a place where we went to in the past.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) It was also a really awesome vacation spot, but what those Infernairans did, it was pure evil. The Infernairans terrorized The Forbidden Zones destroying and imprisoning the souls of the male warrior angels in the wells and they kidnapped and raped the females.

Nicole: How utterly evil.

Lincoln: That's why every night, I'll be going to the planets of The Forbidden Zone to absorb the souls of the male warrior angels, absorb their planet's cores and planets themselves, and the Suns into my body which'll lead to my room expanding even more with my gym expanding with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of our merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for me and my expanding harem, and massive extra-extra-extra large never-ending expanding bed for me and my expanding harem.

Nico: The only way to preserve the planets of The Forbidden Zone and their legacy will live on in you. But, I can guess if there are other planets in The Forbidden Zone as well, they've also suffered the wrath of The Infernairans.

Wonder Woman woke up to see Regirock staring at her

Regirock: Morning Diana. It's time for breakfast.

Wonder Woman: Oh thank you Regirock.

She went and got dressed.

She came down to the table and heard us laughing hysterically!

Wonder Woman: What in the name of Hera is so funny?

Me: Oh morning Diana. We were just laughing at what Nico and the mascots did to Harley earlier in the morning at the abandoned warehouse.

I showed her on my computer and she then bursted into laughter!

Wonder Woman: That is hilarious!

May: I know right?

Manaphy: We got much needed payback on that jerk Harley and got justice for mama.

Wonder Woman: You sure did.

Poliwag: Wait...we weren't getting payback on him without you guys?

Lynn: Oh no? Who then?

Poliwag:...Crackhouse Goofy?

Crackhouse Goofy: (Offscreen) YOU SON OF A BITCH!

WHAM WHAM WHAM WHAM!

HARLEY WAS SCREAMING IN AGONY

Crackhouse Goofy smashed Harley all over the place and gave him the WORST SPANKING IMAGINABLE!

Me: OUCH!

Poliwag:...yeah, that's who we were pranking!

Me: Well either way Harley had it coming. You guys made him the biggest laughingstock of all

Universe 666 May: Yeah never liked the guy.

Me: Did Universe 666 Nico do the same thing to him?

Universe 666 May: No worse! He dumped a vat of sulfuric acid on him and pinned the blame on Team Rocket.

Me: HOLY SHIT!

Nico: GEEZ!

May: YIKES!

Manaphy: BRUTAL!

Universe 666 May: I know.

Me: Man what a jerk!

Poromon: Poliwag, there's no use hiding it, the cat's out of the bag

Poliwag: Okay yeah we pranked him. Poromon, myself and Manaphy and Nico did it.

Nico: Yep.

Me: We saw.

Fiona Harvey: (LAUGHS) My brother had it coming!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw a pink-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the pink-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw a new addition to my harem.

Nico: It's been a while since you've gone on any rescues, J.D., and we got a girl sinking in quicksand.

Lincoln: It's not just her, but there are six other girls on Criam as well. (Sensed something very evil) Oh God, and if there are seven girls on a distant planet, this means there are seven dirtbag villains there as well, but these six of these villains are bastards and bitches from your past, J.D., and they also have a connection with my and Cadenza Cthugha's old enemy, Venn Vexos, and your old enemy, Gerald Vexos, the lowlife sicko who had used The Black Star Dragonballs to make a wish to bring his brother, Venn Vexos, back from the dead and almost caused Armageddon and the end of the Earth.

Me: WHAT?!

Nico: Can you sense the first villain, Lincoln?

Lincoln: (Sensed it) Got him. Alright, now let's finish breakfast and head for Criam to rescue the girl and deal with the first villain there.

Me: Right. (Thinking) Six of these villains are from my past and have a connection with Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, but we don't know who the mastermind behind this is, but if it's someone from our early days, that person is done for.

We finished breakfast, and we headed to Criam to help Zecora unlock her Rainbow Power and rescue the first of the seven girls that's located there and kill the first villain there.

We were off to Criam.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14022.1: The U.S.S. Valorous Phoenix is en route to the swamp planet Criam to embark on Day 1 of a seven day rescue series for J.D. Our first mission is to rescue the first girl and battle one of J.D.'s enemies there and help Zecora unlock her power.

Nico: Yeah couldn't have said it better myself!

Poliwag: We're gonna need a new nurse for the Retirement home now

Varie: That won't be necessary. I'm the head nurse there remember?

Poliwag: Oh right. I forgot.

Nico: Cool.

Me: Yep.

Nico: Ah, I love the smell of payback in the morning. Smells like victory.

Me: Yes it does!

Qin: Yeah!

May: That was funny! Harley had it coming.

Lola: (to Manaphy) What's your YouTube account?

Manaphy: I do one called ManaphyPranks. I specialize in this.

She pulled up her page and it was where she shows pranks on criminals as well as do jokes on criminals.

Manaphy: Did I tell you how Scoots gets around town? She uses a Scooter and I mean why does she use it? She should have had her legs replaced with wheels instead of a scooter!

RIMSHOT!

WE LAUGHED HYSTERICALLY!

Nico: (LAUGHS) THAT WAS FUNNY!

Horsea: You should've included me in the prank!

Nico: Sorry.

Horsea: It's okay.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at a green planet and it was creepy.

Me: So that's Criam.

Xenia: Scary.

Nico: Lets get to landing.

We landed and got out and it was a scary swamp planet.

Nico: Whoa.

Me: So this is Criam. It sure is a scary place.

May: Reminds me of Dagobah.

Qin: Wow. It sure is a scary swamp world.

Varie: I can see why.

May: Yeah.

May went out and then...

SPLORF!

Her leg got caught in swamp mud and it was slimy and sticky.

May: YUCK! This place is like Dagobah!

Rarity: I am not stepping out into this yucky world!

Lincoln then held Rarity on his back.

Lincoln: That help Rarity?

Rarity: It most certainly does darling. Thank you.

Erica Tala: Mom sure doesn't like getting dirty does she?

Me: No your mom has always been sort of a clean and tidy and perfect person.

Applejack: It's true.

Carol: Yeah she likes that.

Erica Tala: I see.

Me: Well we better be ready for anything.

We went out and explored.

Me: Boy this place gives me the creeps.

The planet was full of REALLY SCARY NIGHTMARISH TREES AND YUCKY SWAMP MUCK!

Brenda Bograth: I like this planet. It's more my liking.

Nico: You would like it

Me: Yeah.

Universe 666 May: Whenever me and your evil counterpart went to a swamp planet like this Nico, he would leave me in the swamp muck to get REALLY FILTHY and I would smell horrible for days on end.

Me: YUCK!

May: That is disgustingly despicable.

Me: No kidding. Swamp mud smells like you were rolling around in pig poop.

SPLORF!

Lana was playing in the mud.

Lana: I love this!

WE LAUGHED!

Me: Figures Lana would!

Nico: (LAUGHS) Yeah!

Ymir: Yeah.

Erica Tala: I understand Lana.

Me: Yeah. Also Erica, we have always known your mom to be clean like that since we met her after the Great War With The Royal Defenders.

Ymir: What's that?

Me: Oh it's the one of the biggest battles we've had in our teams history. On August 21st, 2020 we went into battle against the Royal Defenders versions of Lincoln and his friends from Universe 26.

Nico: We'll explain that to you on the anniversary of that. I forgot that was coming up.

Me: Yeah.

Ymir: Okay.

Nico: I told you guys I would get back at Harley

Me: You sure did.

Naruto: Just like how I never go back on my word.

Me: For that is your ninja way bro.

Naruto: Yep.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Criam to help Zecora unlock her Rainbow Power and rescue the first of the seven girls that's located there and kill the first villain here. J.D., are you familiar with someone by the name of Darvon Reynolds?

I GASPED!

Me: So, that's the first villain that's located here?! THAT PIECE OF SHIT!

Nico: Uh oh. J.D., you know him?

Me: Wish I hadn't. Darvon Reynolds is a cruel remorseless bully who terrorized my high school and all of Colorado for years, and he committed all kinds of violent assaults, robberies, murders, rapes, you name it, and to make things worse for himself, he was part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, Venn's little brother.

EVERYONE GASPED!

Me: That was until I gathered all of the evidence of his crimes, and when Darvon found out, he went ballistic, but he was taken down and sent to prison forever. And now, he's here on Criam along with six other shitheads from my past, huh?

Lincoln: Yep, and soon, we'll face the masterminds behind their breakouts from prison.

Nicole: We'll find out who it was that did this.

So, now we can finally go crazy.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than

ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head

and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the first girl) There! I found the first girl just as the viewing window said.

Blake heard a Pokémon cry

Blake: Look guys!

We saw a Meowth in a scary tree.

Me: A Meowth is up there!

Meowth: Hey its one my kind up there.

Meowth 2: (Girl Voice) Wait you talk too!? I thought I was the only Meowth that can talk.

Meowth: Hey you talk too! Wow!

Me: Imagine that! Another Meowth that learned how to talk on its own.

Blake flew up.

Blake: I'll get you down. You scared of heights?

Meowth 2: Yeah I am.

She got her down.

Meowth 2: Thank you.

Blake: You hungry?

Meowth 2: I sure am.

She gave her apples and she ate them.

James: Looks like you've made a new friend.

Meowth: I sure did.

Me: Now Meowth has a friend. Another Meowth.

Nico: Yep.

Poromon: Want to come with us?

Meowth 2: I would like that.

Me: Awesome.

But then...

SPLORF!

May screamed!

She was covered head to toe in DISGUSTING SWAMP MUD!

May: EW!

Manaphy: MAMA!

May: MAN I AM A MESS!

We then heard laughing and saw a Mega Espeon laughing at May!

Me: A Mega Espeon! What's that doing here?

Nico: Laugh at my wife will ya!

Me: YEAH!

Nico: It's not alone!

We saw a Mega Klinklang too!

Me: A Mega Klinklang! Wow!

Nico: Wow!

Horsea: How did they get here?

Meowth: It must be some of Dark Gale's work.

Meowth 2: Yeah.

Pain-Yatta: Lets see here.

He used telepathy and gasped!

Pain-Yatta: Ay Caramba! It's my friend Luna Espra! She is a great party lover and loves throwing parties. She loves candy as much as me.

Pinkie Pie: OOH! She and I would get along great with parties.

Me: That is for sure!

Aruto: Lets see.

He used Telepathy and gasped!

Aruto: It's my sister Ayla! She is a Zero One Rider like me and loves all my jokes!

Me: WHOA! We better go help them.

Aruto: HENSHIN!

He turned into Zero One!

Pain-Yatta: IT'S PARTY TIME!

We went over to them.

Pain-Yatta: Luna it's okay. It's me Pain-Yatta.

Aruto: And sis calm down. It's me Aruto.

Mega Espeon used Psybeam and I deflected it and hit it back.

Mega Klinklang used Hyper Beam and I punched the blast and it hit it and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

Me: WHOA!

Pain-Yatta: WOW! What power!

Me: I know.

We fired waves of energy and blasted them.

I snapped my fingers and they reverted back.

Luna was a girl with purple hair and purple eyes and purple wings and had the Magic Skylanders Symbol on her forehead and had the Magic Skylanders symbol with piñata on it on her arm as a cutie mark.

Ayla was a girl with red hair and red eyes and had fire angel wings and had Mega Klinklang on her forehead and the symbol of the Burning Falcon Progrise Key with the Infernowing Kamen Rider Symbol on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

They woke up.

Luna Espra: (Groans) What hit me?

Ayla Hiden: I feel like I was hit by Arc.

Me: Well you guys went through a rough patch.

Pain-Yatta: You okay Luna?

Luna Espra: Pain-Yatta!

She hugged him.

Luna Espra: I'm glad to see you.

Pain-Yatta: Me too.

Aruto: Hey sis.

He took off his helmet.

Aruto: Glad to see you.

Ayla: Aruto!

They hugged.

Ayla Hiden: Thank goodness you're safe.

Aruto: Me too.

Ayla: Where are we?

Me: You're on the swamp planet Criam. As you can see it's scary place.

Luna Espra: Geez it sure is.

May: YOU DRENCHED ME IN MUD!

May was a MESS!

Manaphy: Shame on you!

Luna Espra: Sorry! I don't remember doing that!

Me: That's because you both were turned into a Mega Espeon and a Mega Klinklang by Dark Gale.

Luna Espra: (GASP) I remember!

Ayla: Who are they?

Me: Oh you weren't with Sonya's team.

Luna Espra had a flashback.

Luna was in a purple suit and injected and turned into Mega Espeon! She flew out of the lair.

FLASHBACK ENDS

Luna Espra: That was awful.

Me: I know. But Dark Gale was destroyed for good.

Nico: Yep.

Ayla: I was busy battling one of the Raiders of Arc when I got turned into that. I was battling Splashing Whale Raider.

Me: I remember that one!

Flora: He was a tough one. Also Ayla I am the ambassador of the Zero One Kamen Riders. Your brother is my brother too and that makes you my sister.

Ayla: COOL! Also I heard how you guys destroyed Arc.

Me: Yeah Arc is gone for good. We relied on our technological skills and ingenuity to destroy him and banish him to the Black Abyss.

Horsea: It's true.

Kuni: Wow! Thank goodness and Flora I'm glad my brother was in good hands.

Flora: Yeah.

Me: Your brother and all the Kamen Riders from over the last 50 years have been an amazing and tremendous help.

Ayla: I heard about how they helped you guys during the 20 Days of Darkness and I'm so glad.

Me: We are too.

Luna: Yeah. Oh I am the party master of Sonya's team. I make parties as awesome as Pinkie Pie and Cheese Sandwich's parties and we always have fun. I use candy as my powers and defeat our enemies with it.

Pinkie Pie: You are going to get along great with us!

Me: Yep.

Luna Espra: Yep. Also outside the team I help the Skylanders battle the forces of Kaos and I help in redeeming Pain-Yatta.

Pain-Yatta: It's true.

Me: Wow!

Pain Yatta: I still have my candy

Luna laughed.

Luna Espra: You sure do.

Rarity: Lets get you new clothes darlings.

The Fashion Brigade gave them new clothes. Luna's were purple clothes and she had a magic staff.

Kuni's were red.

Aruto: I've been holding on to this.

He gave her the Rider Belt she lost and her Burning Falcon Progrise Key.

Kuni: Thanks bro. Wow we look amazing.

Luna Espra: We sure do.

Kuni: I am also known as Kamen Rider Flamewing.

Me: Cool!

Nico: You should Morph against our target here

Kuni: I will.

Me: Lets get a move on. The target is an old enemy of mine.

Lincoln: (Sensed for Darvon Reynolds) And I also spotted Darvon Reynolds, he's 200 yards away near the location and he's trying to shoot the girl dead!

Me: That piece of shit!

We then took off into the air to rescue the girl and kill Darvon Reynolds.

We were flying in the air, and we saw the first girl, she was a cute pink-haired mega hot girl with pink eyes and in quicksand, but then, we saw bullets being shot right at her and we saw our main target: a male with wild black hair, red eyes full of hatred, and wearing a red prison jumpsuit, it was Darvon Reynolds, my old enemy.

Darvon Reynolds: STAY STILL! I'm gonna enjoy killing you, bitch, before you sink in quicksand, and once that shithead fuck Knudson and all of Team Loud Phoenix Storm shows up along with those stupid Masters of Evil, I'll fuck them all up!

Me: OH, FUCK YOU, YOU PIECE OF SHIT!

I swooped in and pulled the pink-haired girl out of the quicksand and went back up into the air.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, YOU PIECE OF SHIT!

I fired waves of energy and blasted them.

Me: (To the girl) Are you okay?

Sakura Kazehana: Thanks to you. Oh my goodness! My hero! Oh my name is Sakura Kazehana.

Me: Pleasure.

Alexander Maxwell and Tyler Maxwell charged at Darvon Reynolds, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive warhammer and he even shot at him with his machine guns, while Alexander Maxwell slashed at his grunts with his massive greatsword and shot at him with his guns.

Caleb landed as the barrier came down.

Rayman fired a barrage of purple energy fists that attacked Darvon Reynolds with swift fury and brutality, and we landed.

Me: You've got some nerve showing your fucking face here again, Darvon! I thought I was done with you years ago, and now, I find out you and six other shitheads from the past have busted out of prison and you also kidnapped a girl and tried to make her sink in quicksand after you shot her! You haven't changed at all! You're still the same fucking asshole from long ago!

Darvon Reynolds: SCREW YOU, SHITHEAD KNUDSON! DIE!

Darvon Reynolds got out a knife and tried to stab me with it, but I broke his wrist and smashed his face in with a punch to the face, and now, he was pissed!

Me: Aww did I break your little wrist?

Darvon Reynolds: THAT'S IT! GET OUT HERE BOYS!

His thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Me: Come and get me!

Ayla: HENSHIN!

BURNING FALCON!

She transformed into a female version of Aruto's Burning Falcon form and had wings made of pure fire!

Ayla: FLAMES OF THE BURNING FALCON! KAMEN RIDER FLAMEWING!

KRABBBBBBBBOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off behind her and she was ready!

Flora: WOW! Kuni that is cool!

Kuni: Thanks!

I punched and bashed and killed numerous thugs!

Meowth 2 charged at him and slashed him all over his face with fury swipes!

SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

HE SCREAMED IN AGONY!

Nico: YIKES!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance,

hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance,

hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Darvon Reynolds big time!

Inside a rainbow sphere with intense flames and elemental forces, Zecora then underwent an intense and amazing transformation! Zecora had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow African symbols on her forearms, she also got white lines on her hair and tail. She then had her Cutie Mark change into many rainbow African symbols, and her massive angel wings had intense rainbow fire on them.

What the!

?: I have been waiting for a chance to meet you, Lincoln Loud.

Suddenly, Lincoln saw who it was that did this: it was Neptulon The Tidehunter from World of Warcraft.

Lola: That's Neptulon The Tidehunter from World of Warcraft! He and his kin were enslaved by The Old Gods to serve them, but thanks to Deathwing, he broke free and swore to destroy The Old

Ones.

Neptulon The Tidehunter: Correct. But, with what your brother did to them and to Ragnaros the Firelord and The Fire Elementals, he'd brought an end to eons of enslavement we had to endure at the hands of The Old Ones and absorbed Ragnaros the Firelord and The Fire Elementals, and I must thank you for this, but, now it's my turn to be absorbed and merge with Lincoln for the opponent you'll be facing is none other than Al'Akir the Windlord.

Then, Neptulon The Tidehunter proceeded to enter Lincoln's body as he began absorbing Azeroth's Elemental Lord of Water into his body, and he assimilated Neptulon The Tidehunter's Hydrokinesis, immortality, Godly strength, Godly durability, and nigh limitless water and ice magic which Lincoln converted into infinite water and ice magic, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, he also absorbed the planet-sized ball of water he was entombed in, and when Lincoln was done, he also merged Neptulon's soul with his and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles and water exploded out from his massive muscles!

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it made Darvon Reynolds even more angrier and pissed off and it made him even stronger.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Darvon Reynolds, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Darvon Reynolds, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Darvon Reynolds hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Darvon Reynolds was on his last legs and he was really really mangled.

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chest, back, arms, legs, and stomach and Darvon Reynolds, and we began absorbing him and we assimilated his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, Darvon Reynolds began shrinking in height and muscle mass as his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of him one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, Darvon Reynolds was shrunk back to his normal size and left as a desiccated skeleton drained of everything and we fired a blast of fire that burned him to ashes and we sent him to The Black Abyss. We cheered as we holstered our weapons and powered down.

Me: And that's one down, and six to go.

Nico: That's old escaped face from your past down.

Me: Good fucking riddance.

Suddenly, the pink-haired girl I rescued ran up to me and jumped me and she kissed me on the lips, arms, pecs, and twelve-pack abs, and overcome by wild love, I suddenly returned her kiss. Then, she pressed her large nude breasts and chest against my massive hairy pecs and her stomach against my twelve-pack abs causing my nose to bleed, and that alone caused my Mark of The Incubi on my left thigh to glow with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Sakura Kazehana: Thank you for rescuing me, my name is Sakura Kazehana, I'm the Flower Girl of Criam and a master of flowers.

Me: It's a pleasure.

Sakura Kazehana made a flower crown and put it on top of my head.

Me: Cute and awesome.

Suddenly, I pinned Sakura Kazehana down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my

105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Sakura Kazehana with pink gems on the gold flame-shaped links and pink crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Sakura Kazehana: (In Heaven) (Rubs my massive hairy pecs) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

Lincoln: Let's take care of The Anothers before Nicole kills J.D.

Nico: Good idea.

Nicole: And I am not going to kill my father.

Nico: Nice job, Meowth 2!

Meowth 2: Thanks. That was fun and awesome.

Me: It sure was.

Dina the Undine: Here May.

She washed May off and cleaned her.

May: Ahh thanks Dina.

Dina the Undine: No problem.

Poromon: Want some beer Meowth?

Meowth 2: Oh no thanks. I only drink apple cider. The good stuff.

Applejack: Well we have lots of that for ya.

She gave her some and it was good!

Meowth 2: Ahh! Boy that is good!

Me: Applejack and her family make some of the best Cider in Ponyville and Equestria.

Applejack: It's true.

Poromon: Yep.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Meowth 2: Nice try though pipsqueak.

Poliwag: HEY!

Nico: Oh, Ultimate Swampfire, what do you like to do in your free time?

Ultimate Swampfire: Oh I like to give guided swamp ride tours in Skunk Swamp.

Nico: WHOA!

Me: That's the Swamp where I battled the Gunderson Clan.

Ymir: Really?

Me: Oh yeah! They were the meanest and NASTIEST Hillbilly Clan ever to terrorize all of Gotham Royal York. They were PURE EVIL!

Nico: I remember that!

Eli: Yeah.

Camie: GEEZ!

Ultimate Swampfire: But J.D. beat them and sent them to prison and then to the Black Gates before.

Me: Yep.

Nico: Now for the Anothers.

Me: WAIT! The mascots haven't told us what they are going to do yet.

Poromon: Oh right. We're going to the zoo later today.

Poliwag: We want to have some fun there.

Me: Okay. We'll all go there too.

Nico: Good idea.

Me: Okay now for the Anothers.

Nico: Okay.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another of Wonder Woman.

Wonder Woman: Another Me? Interesting.

Lincoln: We'll find out soon.

Eli: Right.

Me: So we got Another Lava Monsters (Jake and The Neverland Pirates), Ghost Vypra, Turnip King, Scarswamp, Yuterujan, Universe 666 Hexxus, Metal Men from Mercury and North Wind.

Nico: Yep and Ultimate Swampfire, Brenda Bograth, Orla Oasis, Nemo Numa, Sadie Mae Swamp, Oksana Oasis, Quetzali Quagmire and Morgan Mori Shell are up.

Qin: Cool!

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Ghost Vypra, Turnip King, Scarswamp, Yuterujan, Universe 666 Hexxus, Metal Men from Mercury and North Wind!

Me: WHOA! This will be awesome!

Another Ghost Vypra: It sure will.

Me: (GASP) That voice!

She reverted back and was the Embodiment of Aldebaran!

Me: (GASP) Altara Aldebaran!

Altara Aldebaran: That's right. Good to see you J.D.

Nicole: Wait you mean the star Aldebaran in the constellation of Taurus the Bull?

Altara Aldebaran: That's right.

Me: WOW! Altara is the Embodiment of the Aldebaran Dopant and she has all the powers of fire and stars. She also is very good at sports and all that.

Nico: Neat!

Nicole: Aldebaran is also the star that symbolizes the Eye in the

Bull.

Altara Aldebaran: That's true.

Me: By the way are the rest of the Anothers friendly or hostile?

Altara Aldebaran: Friendly and cool. The Another Lava Monsters are going to be a surprise and shock.

Me: Whoa.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

But then we heard Gothic Satanic Chant music.

Me: What's that?

Brittney: Sounds like Satanic Chant music.

Nico: Who's doing it?

But then a MASSIVE VORTEX of darkness and Souls of The Damned exploded out of the ground!

The souls of the damned screamed and writhed in agony as they swirled around a figure of darkness and evil and then out of the vortex came Another Lava Monster and Wonder Woman!

WE GASPED!

Me: WHOA! What an entrance.

Another Lava Monster: (In a girls voice) That was awesome!

Me: Layla Lucifer! I knew it!

She reverted back and it was the Embodiment of Lucifer!

Layla Lucifer: Good to see you again J.D.

Me: You too.

Nico: YOU SCARED US SHITLESS!

Qin: That was scary!

Me: Yep. Layla is the Embodiment of the Lucifer Dopant and she has all the powers of the 9 Circles of Hell and their punishments combined. She is essentially the very embodiment of Hell entirely.

Layla Lucifer: It's true.

Nico: JEEZ!

Poromon: Who's your friend?

Another Wonder Woman: Someone who needs Diana's help.

She reverted back and was a little girl with blond hair and blue eyes and had tattered clothes.

Alicia: My name is Alicia Bodsley and I am Aresia's little sister.

WE GASPED!

Me: Wait your sister is Aresia?

Wonder Woman: I didn't know Aresia had any blood still alive.

She went over to her.

Wonder Woman: I was afraid she was the only one that survived that terrible day.

Alicia: Yes. I need your help to get through to my sister.

Me: Alicia listen, I'm sorry but I'm afraid your sister is too far gone. She wants to try and kill us all. She thinks all men are evil and wants to do everything she can to kill us all. But she doesn't know that in doing so she will destroy the entire human race.

Ymir: WHAT!? Why would she think that?

Me: She's a misogynistic supremacist and hates ALL MEN.

Nico: Yep.

Layla Lucifer: Alicia wants me to help her realize that not all men are evil. Just a few of them. In a way Alicia sold her soul to me for the strength to help her get through to her sister. And I'm going to keep up my end of the bargain.

Me: Okay.

Layla Lucifer: And don't worry I am not like the Devil himself. I always live up to my end of the bargain.

Me: Good.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (Gets out Battle Fever gear) Because we can grant it instead.

They got weapons from said teams.

Layla Lucifer: No. I unleashed the punishments of Hell on him and scared him bad.

Me: Toepick Scared?

Layla Lucifer: Worse. Toepick times a trillion.

Me: (GULP)

Layla Lucifer: We used that and ran.

Me: Geez!

Sakura Knudson: That explains why I found him having a NASTY Seizure in the lab.

Me: YIKES!

Sougo (gets out Denziman Ridewatch): Ok, we won't kill her

Geiz (Gets out Battle Fever Ridewatch): But we WILL let her live to see prison

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Me: But it's your choice. We can turn her to stone too.

Alicia: No. I want to visit her more often and not see her as a statue.

Me: That we can do. After we strip her of her powers.

Alicia: Deal.

Me: Good.

Lincoln: Lets separate you first.

We did so.

Me: Lets dance!

Nico: (Gets out Lava Monsters Ridewatch) Hot Enough for you?

May: (Gets out Turnip King's ridewatch) ARRIBA!

Universe 666 May: (Gets out Scarswamp's ridewatch) Time for the swamp of pain!

Maria: (Gets out Yuterujan's ridewatch) This will hurt!

Brenda Bograth: (Gets out Ghost Vypra's ridewatch) I will have revenge on Bansheera!

Me: Get in line Brenda.

They used the powers of Lava Monsters (Jake and The Neverland Pirates), Ghost Vypra, Turnip King, Scarswamp, Yuterujan, Universe 666 Hexxus, Metal Men from Mercury and North Wind and blasted the Anothers down.

Me: Yeah!

Then Etemon, Plantomination, Greenasaur, O'Reilly, Bucelyn and Surtur came.

Me: WHOA!

Etemon: Hey hey baby! Lets make this fun! Uhhuhuhuh!

Me: ROCK ON!

Nico: Nice Team Etemon!

Etemon: It's funky baby! YEAH!

Jake: Well said!

Me: YEAH!

Etemon: OH YEAH!

Then 2 vortexes of water and darkness came and out came Number

32: Shark Drake and Number 31: Embodiment of Punishment!

Me: WHOA! Number 32: Shark Drake and Number 31: Embodiment of Punishment!

Nico: COOL!

Number 32: (In a girls voice) It sure is!

Number 31: (In a girls voice) And we're going to punish these Anothers.

Nico: Naomi Mitsukurina and Callie Cocytus! Wow!

They reverted back.

Naomi was a girl with blue hair and blue eyes and had blue clothes and red angel wings and had Number 32: Shark Drake on her forehead, shirt and skirt and had a blood drop with a Goblin Shark on her arm as a cutie mark and had a water sword.

Callie had black hair and blue eyes and had black clothes and dark blue demon wings and had Number 31: Embodiment of Punishment on her forehead, shirt and skirt and had the symbol of Lucifer with the Star of the Devil and a Snowflake on her arm as a cutie mark. She had a darkness scythe in her hand.

Naomi: Good to see you Nico. We got this.

Callie Cocytus: Another Lava Monsters and Wonder Woman. Your fates have been decided. Everlasting eternal damnation for your sins.

Naomi: 32 SHARK BITES OF DARKNESS!

Callie Cocytus: 31 PUNISHMENTS OF DAMNATION!

They fired waves of darkness and energy and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Callie Cocytus: Thanks.

Naomi: That was just like old times.

Nico: It sure was.

Brenda Bograth: Do you have any good memories of Nico?

Naomi: We sure do. Mine is where me and Nico went after a really bad fish restaurant and it was run by a bunch of creatures called Annelids.

Shanan: (GASP) The Annelids!? Those are intergalactic illegal exporter aliens that use a Chinese Restaurant as a front.

Nico: Really?

Shanan: Yeah. Agents K and J dealt with them before. Long story.

Naomi: Yep. We stopped them and deported them back to their planet.

Nico: Yep

Me: Wow!

Callie Cocytus: Mine is where me and Nico found a huge Satanic Cult in the middle of the forest and we punished them and banished them straight to the 6th Circle of Hell, Heresy.

Me: (GULP) That is scary! But good fucking riddance to them.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Naomi: Same here.

We went back home to Earth.

His name is Dr. Robert Winslow, he's an insane mad scientist who was once a respected scientist in the scientific community, but he was pure evil to the core: he was responsible for doing all sorts of genetic experiments splicing humans with animal DNA: he was messing with the forces of nature to create an army of Animal DNA-spliced hybrids to take over the world, he was INSANE TO THE INFINITE-POWER! Lincoln took him down long ago, but that madman tried to attack once more, and it ended with Lincoln taking his life by draining him dry of blood. That was six years ago, and now, six years later, we got the bad news that Dr. Robert Winslow has returned from the dead as an undead vampire and he's still out to create an army of Animal DNA-spliced hybrids to take over the world, but this time, he's mixing in his vampire blood as well, and even worse news: Black Doom, the monster responsible for Shadow the Hedgehog's creation, has returned and he wants revenge.

But, we're going to take both of them down and end them forever, and we're going to find out from Shadow the Hedgehog that long ago before he got killed by Robotnik, Lincoln purified him of Black Doom's influence, and after I resurrected Shadow years ago, we're also going to find out he had gained angelic powers along with the powers he has, and Shadow's going to transform, and he and

Lincoln are going to wipe Black Doom and Dr. Winslow out for good and banish them to The Black Abyss forever. This is the end for Black Doom and where we'll close the chapter on Shadow the Hedgehog's dark past forever.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in Mobius, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got big trouble. Two old enemies have shown up, my old enemy is Dr. Robert Winslow.

Me: I've heard about him, he's a mad scientist, and he was once a respected scientist in the scientific community, but he was responsible for doing all sorts of genetic experiments splicing humans with animal DNA: he was messing with the forces of nature to create an army of Animal DNA-spliced hybrids to take over the world, he was INSANE TO THE INFINITE-POWER!

Lincoln: And pure evil, I took him down long ago, but that madman tried to attack once more, and it ended with me taking his life as I drained him dry of blood. That was six years ago, and now, six years later, we got bad news: Dr. Robert Winslow has returned from the dead as an undead vampire and he's still out to create an army of Animal DNA-spliced hybrids to take over the world, but this time, he's mixing in his vampire blood as well, but he's not the only one we're going after. We're also going after Black Doom.

Eli: The leader of The Black Arms and the one responsible for Shadow's creation. Oh God.

Shadow the Hedgehog: I should've known Black Doom would return. Mephiles returning was bad enough, but the one person whom I hated was the very person responsible for creating me.

Nico: So, this means we're going to erase Black Doom forever along with Dr. Winslow.

Lincoln: Yes.

Ultimate Swampfire: This should be good.

Shadow the Hedgehog: It'll be the end of Black Doom and an end to my cursed past. But, there's something I need to tell you all: before I got killed by Robotnik, Lincoln purified me of Black Doom's influence, and after you resurrected me years ago, J.D., this is what I also gained.

Shadow the Hedgehog formed a white sword of light in his left hand.

Me: (GASPS) Whoa! You have angelic powers and light powers? Awesome!

Nico: And you met Lincoln long ago?

Eli: We weren't told about this at all. But, I felt a connection between you two and Lincoln having a connection with Sonic and the others.

Shadow the Hedgehog: I was hoping you'd find out, Eli, and yes, I met Lincoln a long time ago when Sonia Mobius brought him to Mobius, that was where he met Sonic and the others, and he met Maria, and he heard about her illness. But, then, I felt a deep sadness from him, it was more than just what he felt after hearing about Maria's illness, he had something buried inside him. That was when Sonia told us everything about Lincoln's troubles with Lori, Lynn, Lola, Lisa, and Luan along with his other enemies.

Amy Rose: She also told us of the constant attempts Lori, Lynn, Lola, Lisa, and Luan made to kill him, and how he fell into depression at times, that was really low.

Tails: And how he had to deal with the trouble his other enemies caused him, it was absolute pure evil.

Knuckles: But, when he told us that he didn't wish for harm to come to those five, we almost fell to the floor. Yet, we understood why: they were still his sisters, and back then, we didn't know about Dark Chase Young poisoning them.

Shadow the Hedgehog: Lincoln's kindness and compassion reminded me that much of Maria, and then, he suddenly sensed Black Doom's presence in me, that's when he used his powers to purify me of his influence.

Me: Wow, that was really awesome. And I can guess Lincoln kicked Robuttnik's butt many times before.

Sonic: (Snickers) More than a thousand times, and you should've seen what he did. First, Lincoln threw a stink bomb he made using Lynn's stinky socks which caused a lot of his robots to turn to sludge, then, he gave him a joy-buzzer handshake that electrocuted him with 900 Terravolts, but he didn't use a joy-buzzer for that, and that was just the beginning.

Tails: Next, he tied a rope to his boxers and he pulled so hard, Robotnik wound up getting a massive atomic wedgie that went all the way to Saturn!

WE WERE LAUGHING HYSTERICALLY!

Me: (LAUGHING HYSTERICALLY) OH MAN! LINCOLN, YOU ARE ONE AWESOME BUTTKICKER OF EVIL!

Lincoln: You thought that was awesome? I also made sure to pour hot sauce down his boxers after I untied the rope. He wound up getting a serious case of butt-burn for five months!

Nico: Yeesh, I can tell he didn't like that.

Lincoln: Nope, he was such a sorehead. Alright, now let's get going. Black Doom, Dr. Windsor, you're finished.

We got a move-on, and there, we saw our targets: Dr. Windsor, the insane mad scientist whom Lincoln had killed six years ago, but came back as a vampire, along with Shadow the Hedgehog's old enemy, Black Doom.

Lincoln: There's Dr. Windsor.

Shadow the Hedgehog: And Black Doom. How should we proceed?

Lincoln: Leave that to me.

Lincoln formed a ball of holy fire and he threw it at Dr. Windsor and Black Doom, and it exploded as it hit them both, and they got burned badly, and we appeared.

Dr. Windsor: YOU! (HISSES) YOU RUINED MY PLAN YET AGAIN, LINCOLN LOUD! I WILL...!

But, Lincoln used his vampiric power to make Dr. Windsor fall into deep convulsions.

Lincoln: Shut your mouth, Robert, we'll deal with you in a second after we deal with this problem.

Shadow the Hedgehog: You made a mistake coming back from the dead, Black Doom. I thought I was done with you forever.

Black Doom: You can never get rid of me that easily, Shadow.

Shadow the Hedgehog: I got rid of you once, and I will do so again, but this time, I'm not alone.

Suddenly, Shadow the Hedgehog's red eyes turned neon red and he was surrounded by a black and red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, Divine Light, dark lightning, dark winds, holy lightning, holy winds, hedgehogs, phoenixes, and angels.

Shadow the Hedgehog: You have been nothing more than a plague upon all life, not just to Earth, but to the entire universe, you've destroyed too many lives in your desire to conquer the universe, but that ends here and now. Black Doom, your time in this world is finally done. This is where you die once and for all.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Devil Doom and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DEVIL DOOM! HE WAS REALLY GOING APESHIT ON HIM!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we kill you.

Then, Andre Lupeau went after Devil Doom and he fired extremely powerful blasts of dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at them with his silver-plated guns.

Finally, Lincoln and Shadow the Hedgehog formed and fired massive white energy beams at Devil Doom as they sent him flying into space and they exploded, and Black Doom died in the explosion and he and Dr. Winslow were sent to The Black Abyss. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Shadow the Hedgehog: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Holy Light Chaos Speed Master Twilight Storm Fury Dark Hedgehog Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Holy Light Chaos Speed Master Twilight Storm Fury Dark Hedgehog Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is the end for you, Black Doom, and this is where I close the chapter on my dark past for good.

Shadow the Hedgehog holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo and large gold Yata no Kagami mirror with gold sun ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold sun ring-shaped frames around them with embedded red gems behind the gold rings behind his head, large 105 black and red planets orbiting around his legs and 105 smaller black and red planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and red planets orbiting around his wrists and ankles, and massive black angel wings and 104 sets of large black angel wings underneath his massive black angel wings are permanent.

Christopher Thorndyke: I had no idea Black Doom was involved in Shadow's creation.

Sonic: This was something none of us talked about, Chris.

Lincoln: And for good reason, none of us want to open the wounds of the past.

Shadow suddenly placed his left hand on Lincoln's shoulder.

Shadow the Hedgehog: Yes, that is true, however, you were the first and only one I told about my past, Lincoln. But, it was only a matter of time before I told the others, and now, Black Doom is gone forever.

Lily: That's for sure.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair, red eyes, massive black angel wings, she has the Pride symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with The Pot of Pride on it too, black Gothic stockings, dark pink fingerless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is The Pot of Pride, and with her are the eight girls.

Lincoln: (GASPS) Allie Nightshade, Avatar and Gene-Slammer of The Pot of Pride and Deadly Princess of Pride.

Allie Nightshade: That's right, and I got the girls away and saw the whole thing go down.

Nico: Especially with what Lincoln and Shadow did to end Black Doom forever.

Me: And as for Dr. Winslow, Shadow got rid of him earlier.

Lincoln: Even in his vampiric state, he was still as insane as ever, but at least, Shadow got rid of him before I had to use another vampiric power to destroy his heart. (To Allie Nightshade) And it's so good to see you again, Allie.

Allie Nightshade: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Allie Nightshade had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Allie Nightshade was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Allie Nightshade: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Allie Nightshade's waist and hugged her, and Allie Nightshade is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the

white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Allie Nightshade: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Mara Lucifer: And so do we, this is Allie Nightshade, Avatar and Gene-Slammer of The Pot of Pride and Deadly Princess of Pride, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride. She's known as The Deadly Princess of Pride and Avatar and Gene-Slammer of The Pot of Pride, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Allie Nightshade has the power to make the pride of those who are the most proud completely blind with pride which ends with them killing their own cohorts thinking they are better than them and allow her to send them to The Circle of Pride. Allie Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Pride, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Chandler with a blazing passion, and she swore if she saw that sewage asshole again, she would use her powers to make Chandler's pride even worse, so much so that someone winds up killing him and allow Allie Nightshade to send him to The Circle of Pride.

Me: Lincoln told us of what you're capable of. So, any one who had too much pride in themselves would wind up suffering your punishments.

Allie Nightshade: That's right.

Nicole: Pride was one of the Deadly Sins that caused Lucifer to rebel against God, and when he and his army were defeated, they were cast down from Heaven and wound up in Hell where the Fallen Angel turned into The Ruler of Hell.

Lincoln: He'll soon be the ex-Ruler of Hell, when we face him, we'll end him and the other Demon Princes just like we did to Malphas, and now that you're here, Allie.

Lincoln with his massive muscular arms still wrapped around Alliee Nightshade's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the

rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Allie Nightshade: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Allie Nightshade with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Allie Nightshade: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Allie Nightshade.

Allie Nightshade had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Allie Nightshade's waist, and he leaned down to her face and kissed her on the lips, and with Allie Nightshade's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Allie Nightshade had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Allie Nightshade: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The eight girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're

gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the three girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eight girls are Chikage Gotou, Natsumi Akashi, Yuki Sanada, Asuka Mouri, Junko Kyougoku, and Mirai Kimura from Welcome to Club Romance and Maido and Maru from Death Scythe.

Lincoln: Oh whoa, it's Chikage Gotou, Natsumi Akashi, Yuki Sanada, Asuka Mouri, Junko Kyougoku, and Mirai Kimura from Welcome to Club Romance and Maido and Maru from Death Scythe.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, Chikage, Natsumi, Yuki, Asuka, Junko, and Mirai from Welcome to Club Romance are hostesses from a club and Maido and Maru are cute girls.

Lincoln: Hostesses from a club and two cute girls, they wind up as easy targets for perverts. Not if they want their eyes gouged out. Are you girls okay?

Chikage Gotou: Yes, we're okay, thanks to you.

Then, when Chikage Gotou and the other seven girls saw who it was that saved them from Black Doom and Dr. Winslow, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Natsumi Akashi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chikage Gotou, Natsumi Akashi, Yuki Sanada, Asuka Mouri, Junko Kyougoku, Mirai Kimura, Maido, and Maru with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Oh man, that was one awesome and intense battle!

May: And we closed the chapter that haunted Shadow's life for good.

Lincoln: Black Doom is gone forever, but we'll be keeping an eye on Mephiles the Dark who's still in The Book of Vile Darkness.

Nico: That's true, he's been quiet. Too quiet.

Me: If he tries anything, he's done.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she

has the body of a goddess and large breasts, tanned skin, long sky blue hair, sky blue flower in her hair, sky blue eyes, massive sky blue angel wings, she has on a sky blue two piece bikini, and in her hand is a wind greatsword.

Lincoln: (GASPS) Zephyr Ventaira, Queen of The Ventairans of Planet Ventaira.

Nico: The only surviving Ventairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Zephyr Ventaira, Queen of The Ventairans of Planet Ventaira, she's Lincoln's Guardian Angel from the planet of Ventaira in The Forbidden Zone. She was the Queen of the Ventairans who ruled the planet of Ventaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over wind and the ability to grow even stronger, but she was also born with angel wings, Cosmic Aerokinesis, wind, the sky omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Zephyr Ventaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Aerokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, wind, the sky, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic Awareness, wind, the sky, and all the powers of The Ventairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome wind greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lisa with a blazing passion, and she swore to blow her away with the powers of Ventaira.

Zephyr Ventaira: And I knew Lincoln absorbed the souls of the male Ventairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Zephyr Ventaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Zephyr Ventaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white

angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Zephyr Ventaira with sky blue gems on the gold lightning bolts and sky blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Zephyr Ventaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or

massive biceps.

Lincoln wrapped his massive arms tightly around her waist pinning her to his body even more and she really felt how much stronger he really is.

Zephyr Ventaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Ventairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

Zephyr Ventaira: And you're also not going to like this bit of bad news: Aresia, the misandrist and psychopathic Amazonian, has returned and is still planning to destroy the males with a dangerous poison.

WE GASPED!

Wonder Woman: Aresia, this time, you have gone too far. We'll need to report this to my mother at once.

Zephyr Ventaira: I already alerted her before coming here, and I knew some of your fellow sisters are also in Lincoln's harem, Diana, and they also despised Aresia for her evil ways.

Wonder Woman: I must say, you certainly are quick.

Lincoln: Zephyr's quick on her feet and it's not just with her wind powers, but she's also the fastest runner and flyer ever.

Nicole: But, thanks to her, we know who we're facing later today. Time for the girls of TLPS and The MOE to show that bitch the error of her ways, but are we killing her again?

Me: No, I have a better punishment: we're sending her to prison, but only after Lincoln strips her of all her powers.

Lincoln: Leave that to me. I've got a score to settle with her for what she tried to do all those years ago.

Nicole: Lincoln, you dealt with Aresia before?

Wonder Woman: We'll discuss that later on today, but you'll love hearing the story.

After Lincoln and all of us destroyed Black Doom and Dr. Winslow and sent them to The Black Abyss forever and closed the dark chapter on Shadow's past, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Allie Nightshade saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Allie Nightshade: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Allie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Allie Nightshade: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Allie Nightshade: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a tape, but it was blood red and it had an aura of darkness.

Me: (GULPS) W-what is that?

Jack Howard: This tape here, this was from 1996 in our world, it was the night following Caleb's transformation: the night he returned to New York. We were pursuing Panther, Carla Claw, Sally Gamble, Crowe, Hex, and Shroud of The Big Claw Gang, but that was when we saw him: Caleb Maxwell, the dead man who was killed in 1985 eight years ago, but came back in 1993, and we saw the very darkness he carried inside his heart.

Jack Howard put the tape in, and it played on the big screen, and it showed New York at night in 1996, it was the night of Caleb's return to New York and his transformation. Then, we saw The NYPD Nightshift pursuing Panther, Carla Claw, Sally Gamble, Crowe, Hex, and Shroud of The Big Claw Gang.

Past Jack Howard: Man, those guys are really starting to get way too cocky with their heists.

Past Roxy Drake: That's for sure. Time we put those guys in jail for good.

Suddenly, the full moon turned red, and an unnerving feeling of dread hit both The NYPD Nightshift and The Big Claw Gang members.

Past Jazz Jackson: (Shivering) Hey, guys, am I crazy or did we just feel an unnerving sense of dread in the air?

Past Cuffs Lane: You're not wrong, Jazz, I feel it too.

Past Casey Antonio: Same here. Why is that?

Past Carter Kenrick: No idea.

Meanwhile, as The Big Claw Gang continued to make their escape, a dark figure was flying right at them. Then, as they drove through 5th Avenue, the figure landed and fired a bullet into the engine as flames crackled, and they got out as the car crashed into a wall.

Past Crowe: What the Hell?! Who did this?!

Suddenly, a figure descended, it was Caleb Maxwell.

Past Shroud: What the?! Who the Hell are you?!

Caleb Maxwell raised his guns and fired at them again: he had death and rage in his eyes, and they dodged the bullets.

Past Shroud: What the Hell! This guy's a monster!

Past Panther: Monster or not, he's sick and twisted, and he needs to be sent to Hell where he belongs.

Panther ran at Caleb Maxwell who kept shooting at him, but Panther dodged his bullets and he reeled his right fist back, and...!

POW!

PANTHER'S PUNCH WENT RIGHT AT CALEB'S STOMACH, AND HE GOT SENT FLYING AS HE LET OUT A LOUD AND INHUMAN SCREAM OF PAIN!

Past Panther: (Smirks) Heh, was that all you got?

Suddenly, Caleb Maxwell got back up, but he glared at Panther with extremely horrendous hatred and he growled like an animal.

Past Carla Claw: Whoa, this guy is really pissed.

Then, the lights of The NYPD Nightshift appeared and they got out and drew their guns.

Past Carter Kenrick: NYPD! Hold it right there!

Caleb's anger was seriously getting out of control, and finally, he lost it and he let out a scream that echoed throughout New York, the Heavens, and the bowels of Hell as a black and red aura surrounds him, and he slashed at Panther's chest with pure anger.

Past Panther: Damn, that was a cheap move!

Then, Caleb slowly walked to The Big Claw Gang, and then, Carla Claw, Panther, and Sally Gamble saw Caleb's outfit change from the long long-sleeved black duster coat, crimson red shirt, black pants, and black knee-high boots to the outfit he wore back in 1985: and when the dark red shirt, black pants, and black knee-high boots kicked into their minds, they knew the identity of that assailant.

Past Carla Claw: Oh crud, it's Caleb!

Past Hex: What the?! Caleb Maxwell? But, that's impossible, he's dead!

Past Shroud: Then, what do you call that? He's an undead monster! If we don't get out of here, we're the ones who are going to die!

They ran off like cowards, but the mention of Caleb's name drew the attention of The NYPD Nightshift as Roxy called Captain Whitten.

Past Roxy Drake: Sir, it's Roxy. The Big Claw Gang gave us the slip and escaped, someone damaged their car. And get this, one of them mentioned the name Caleb Maxwell.

Past Captain Whitten: Caleb Maxwell. Uh, guys, come back to the station, there's something you all need to hear.

They agreed, and they came back to the station, and Captain Whitten proceeded to tell them about Caleb Maxwell.

Past Captain Whitten: I'd known Caleb for a long time, and back then, he was an innocent young man who got caught in a messy ordeal that caused his life to descend into a living Hell, it all started back when he was in middle school in the late 1970s, he'd been showing up to school with severe bruises on his body, and in the early 1980s, as he got into his teen years and entered high school, the bruises not only got worse, but then, some of his fellow students and teachers began ostracizing him and even treated him like crap, and we soon found out that it was the doing of his younger brother, Drake Maxwell. Back then, before The Big Claw Gang, The Syndicate was the most powerful crime organization in New York with control over illegal businesses, politics, and many others, and they'd ruled only through fear because of Drake's tendency for violence, but the head of that organization was Marcus Maxwell, Caleb's father.

Past Carter Kenrick: Many of us remember The Syndicate all too well, so all this time, Caleb was just an innocent man caught in this messy ordeal and Drake's physical violence caused his life to descend into a living Hell.

Past Captain Whitten: Exactly. But, in 1983, Caleb found out their dark secret and he told his mother about it, and he decided to fight back. So, they came to us, and they told me everything. I saw they weren't part of it and they were kept in the dark about their organization, and what really proved my point was seeing the very scars and bruises on Caleb's body. We immediately moved in to arrest them when they got back, and Caleb made his intentions known that he wanted both his father and brother arrested. However, Drake and his father escaped from our custody, and no one had seen them since. But, even though Drake was gone, Caleb's descent into a living Hell still continued and it got worse in 1984 when The LaGuardia High School Bloodbath occurred during his senior year, and he and a few others survived, and their fellow teachers and students were killed.

Past Roxy Drake: No one was able to find out the reason as to why this happened, and yet despite all that, those stuck-up jerks still wanted to make Caleb suffer. I'm surprised he didn't snap.

Past Captain Whitten: That's what I thought too, but he held it in and continued on to achieve his dream to join the NYPD, but the nightmares would continue as he entered into New York University in the fall of 1984 as he'd been pursued by The Syndicate's thugs every night, and it would continue throughout the beginning of 1985, but there he would have run ins with The Big Claw Gang as he tried to escape The Syndicate thugs, and he'd have to dodge them too. But, there he'd find out that Drake Maxwell was alive and well, along with Marcus Maxwell and he also found out Drake was the one sending thugs to kill Caleb, and with the whole conspiracy from a former police officer to get Caleb falsely expelled and killed, that led to the very darkness that Caleb kept locked away slipping out.

Past Jack Howard: And Drake's desire to kill him back then made that darkness inside Caleb even worse, but this hadn't been the last time. Caleb tried to keep that darkness from getting out yet again, but then, Drake sending his two bodyguards to kill Caleb and many other dark incidents in the past would lead to Caleb falling into darkness and he resigned from the Police Academy. It was more than just that.

Past Captain Whitten: Right. See, Caleb's injuries were...life-threatening, and according the reports from the doctor, the constant years of violent abuse and physical assault caused Caleb's lifespan to fall to a dangerous degree, and it was so severe, it would mean Caleb would die at age 21. But, on the night of October 31st, 1985, The Hallowshade Bloodbath, Caleb was killed by Drake Maxwell. He died with his life and his future in ruins.

Past Jazz Jackson: That really is dark. But, how did Caleb even come back, if that was even...! That rainbow wave that hit New York in 1993!

Past Captain Whitten: Yep. When that wave hit in 1993, I was there the night it happened. I saw a hand rise up from the ground in Caleb's resting place, and I saw someone emerge from the ground and let out the most ungodly scream ever, so I slowly followed him, but even with low headlights, I saw who it was that came out of the ground: it was Caleb Maxwell himself.

Past Casey Antonio: In other words, he had returned from the dead. And the reason why he's back in New York was simple: he's out for blood, he's out for revenge on Drake for destroying his life along with The Syndicate, and anyone from his past who also hurt him, he was gonna be after them too.

Past Captain Whitten: Exactly. Caleb has nothing left to lose, and he'll fight and fight and make our lives a living Hell, or worse, he'll resort to murder if we try to stop him, so keep your distance from him.

Past Cuffs Lane: Yes, sir.

The others nodded and agreed as the video ends.

Me: Whoa, so that's how the rest of you found out about Caleb.

Jack Howard: Yep. Captain gave us the whole story, but I remembered seeing Caleb before when he was in high school. I used to be a recruiter for the NYPD, and that was when I saw Caleb coming to me, and that led to him going to The Police Academy.

Roxy Drake: Yet he had his motive: to take down The Syndicate before his life ran out.

Lincoln: That was one powerful motive, but it powered him onwards, but the shadows of the past were still haunting him.

Nico: And that would lead to his dream being burned to ashes.

Caleb Maxwell: And my life would eventually run out.

We got a shower, and then, Lincoln and Simulator Cynder were heading to Empire Beach in Michigan.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Cynder was dressed in a two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her.

Plus, we found out Simulator Cynder had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and he also got rid of some female thugs sent by Aresia.

Simulator Cynder: Wow, so this is Empire Beach in Michigan, it sure is beautiful.

Lincoln: It sure is, Cynder, and it's perfect for our first date. Shall we?

Lincoln and Simulator Cynder dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Tina Rex also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Simulator Cynder a deep tissue massage, and when he was done with that, Tina Rex was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Tina Rex got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Simulator Cynder: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Simulator Cynder and he hugged her in his abnormally massive and powerful muscular arms, and Simulator Cynder placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a beach towel with him on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Empire Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Simulator Cynder with purple gems on the gold lightning bolt links and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, now Simulator Cynder is in your harem, Linky.

Simulator Cynder showed the marks Lincoln made on the right side of her trapezius.

Jenna: You had no trouble at all.

Simulator Cynder: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he had me swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of

Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much

worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Aresia starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-Septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Poromon: Well we're going to the zoo.

Me: Okay lets go.

We were off.

We arrived at Gotham Royal York Zoo.

Wonder Girl: Here we are at the zoo

Me: Sure is a nice day for it huh Cassie

Wonder Girl: It sure is.

Xenia: Yeah I agree.

Wonder Woman: I think it's great too.

Fluttershy: I love coming to the zoo to help take care of some of the baby animals here.

Me: So sweet of you Fluttershy.

Wonder Woman: What's that?

We looked and saw that it was a big turtle.

Me: Wow it's a Galapagos Tortoise!

Rainbow Dash: Boy look at him!

Me: That's the largest ever turtle in the world and they live on the Galapagos Islands and can live up to 120 years old.

Nico: Wow!

Tank was talking to him and he made a friend.

Rainbow Dash: Looks like Tank made a friend.

Me: He sure did.

Poromon and the mascots gave him fruit and leaves.

Me: It's okay guys. They only eat plants.

Leozack: Hey there, buddy. How are you feeling?

Fluttershy: You sure are a big guy.

Becca came.

Becca: Hey guys. I see you met Herbert. He's our newest addition to the Gotham Royal York Zoo. He lives in the Galapagos Islands exhibit here.

Me: Cool!

Syd Chang: That is amazing mom.

Becca: Yeah and the mascots are doing good feeding him too.

G1 Scattershot: I thought he was little!

Me: No Galapagos Tortoises are the biggest tortoises of all. They can grow up to 5 feet long and weigh over 500 pounds.

G1 Scattershot: Wow! That is amazing!

Nico: It sure is.

Becca: Herbert is a really nice turtle and he wouldn't hurt anyone.

Me: Cool.

Poromon: Yeah he is awesome.

Poliwag hopped on his shell

Becca: He likes it when little kids ride on his shell too.

Nico: Cool.

But then we saw a palm tree turn into a HUGE EMERALD CRYSTAL TREE!

WE GASPED!

Me: WHOA!

Nico: WOW!

Me: (WHISTLES) Something turned this tree into solid emerald crystal.

Rarity: Oh it's absolutely beautiful darling.

Poliwag licked it.

Me: Poliwag the tree is not made of candy.

Poliwag: Aw man.

Camie: I think the tree turned into that because of that!

We saw a Mega Diancie!

Me: Cool! A Mega Diancie!

Rarity: Oh my that is a beautiful Pokemon.

Lola: It sure is.

Nico: Where did it come from?

Me: I think it's one of Dark Gale's handiwork.

Juru: Lets see.

He used telepathy and gasped!

Juru: INSPARKLIZATION! It's my sister Kuni!

WE GASPED!

Me: Your sister Kuni?

Juru: Yeah she's a great artist and also she is the Black Kiramager.

Me: COOL! Lets go help her.

We went over to her.

Juru: Sis calm down. It's me Juru.

She used Power Gem on Horsea but she put her clone in front of her And she turned the clone into a Sapphire Diamond Crystal Statue.

Horsea: WOW!

Maria: (WHISTLE) Your clone looks amazing as a crystal statue.

Horsea: It sure does.

Me: Truly bejeweled

Rarity: Indeed darlings. Lets bring her down!

We fired waves of energy and blasted her.

I then snapped my fingers and she reverted back. She was a girl with black hair and blue eyes and had black angel wings. She had a Rainbow Crescent moon with the Kiramagers and Yodonheim symbol on her forehead and on her arm as a cutie mark.

We wrapped her in a blanket and brought her over to a bench.

Me: Boy Rarity she has amazing crystal powers like your akuma does.

Rarity: She sure does.

She woke up to see Horsea's smiling face

Kuni: (Groans) Huh? A Horsea?

Horsea: You turned my clone into a crystal statue!

Maria picked her up.

Juru: Hey sis!

Kuni: Juru!

She hugged him.

Kuni: I'm glad you're safe. And hey guys!

Sena: Good to see you too Kuni.

Rarity: You were turned into a Mega Diancie by Dark Gale darling.

Kuni: (GASP) Wait who are they? Wait you're Rarity! You helped my brother and his friends.

Rarity: Indeed. I helped them battle Minjo no my big day 2 years ago.

Me: And you'll be happy to know that Yodon is dead. We all killed him.

Kuni: (GASPS AGAIN) Oh wow! Thank goodness. And I was actually fighting Datula.

Eli: (GASP) I remember him! He was that ugly 2 faced mask guy from the Yodonna spin off series.

Me: I think I remember seeing that one. Boy he was ugly and he was one of the Kiramagers monsters we haven't faced in the usual battles.

Kuni: I see.

Nico: We actually killed Yodon permanently this year

Me: Yea we destroyed him a few weeks ago.

Rarity: It's true darling.

Kuni: Good riddance. I'm glad he is gone.

Me: So is the entire universe. Also he was one buttugly freak. But he is gone for good.

Kuni: Thank goodness.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her a new black wardrobe and a sword like Gem-Knight Master Diamond's sword.

Juru: And I held on to this.

He pulled out a black Kiramai Morpher.

Kuni: My morpher! Thanks!

She put it on.

Kuni: The Nocturnal Moonlight is back!

Me: I like that. Also you have the Yodonheim crest too. How did that happen?

Saya: She was wounded in battle and me and my team infused her with our powers as well as Yodon's power and she became a master of light and darkness.

Me: Wow!

Kuni: And it's how I became the Black Kiramager. Also my zord is a Space Shuttle.

Me: COOL! We'll have to see it in action.

Crystal Man: I honestly love the crystals.

Me: Me too.

Rarity: Indeed and I use it in all my fashions.

Me: Rarity makes amazing clothes.

Lori: She literally does. Her clothes are literally the envy of everyone we know.

Carol: They sure are.

Kuni: I can see why. Wow! She was perfect for my brother's team.

Me: Jewels are her specialty.

Ymir: GUYS!

Ymir came and she had a small boy and he looked REALLY SICK!

Me: My god what's wrong with him?

We saw that he was REALLY SICK and had grey veins all over his body showing.

Me: Oh man! He looks like shit!

Wonder Woman: (GASP) I've seen this before!

Me: It's the very poison that Aresia used! She's on the move! Lets get him to the infirmary!

We went back home and put him in the infirmary.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Aresia, she's on the move and she's poisoning the men! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: OH, HELL NO! YOU FUCKING MISOGYNIST BITCH!

Eli: It's time.

Lincoln: That it is, Eli!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was Aresia, she's on the move and she's poisoning the men!

EVERYONE GASPED!

Nicole: Oh, that's it! THAT IS IT! GIRLS, IT'S TIME!

The girls assembled.

Wonder Woman: While we go after Aresia, we need to cure every last man she poisoned.

Lincoln: Already done.

Lincoln made tons of rainbow-colored antidotes inside glass bottles.

Anna Anyanova: Wow, that was really quick.

Lincoln: Yep. Nicole, you and the girls go and take care of Aresia, while we cure all the men that she poisoned.

Nicole: We're on it. We'll keep her alive long enough for you to strip her off her powers and turn her to stone, so we can throw her in prison. Girls, the time has come! Aresia's time is done, this is where her hatred dies here! She will pay for her crimes!

Me: YEAH! Nicole you better go to Themiscyra and alert Hippolyta and Diana's sisters. We'll need all the help we can get.

Nicole: Right!

The previous group came.

Electro: Can me, Six Gum Gang, Toiletnator, Fixer, Xiao Fung, Leonard, Mr. Mittens, Condiment King, Gramma Stuffum, and Deadwood go with you guys?

Dixie: Good thing I'm a girl,

Nico: Yes that's true. Also you can come with. But we're going to need all the former members of the Legion of Doom to come with too.

Electro: You got it.

Me: And Lincoln you better administer the antidote to our guest first.

Lincoln: On it.

Ymir: You never told me all about her.

Me: Oh right you need to know who she is. She's actually a refugee that came from a wartorn country and her ship was raided by pirates.

I went over her history.

Aresia is a minor antagonist in the DC Animated Universe series Justice League, serving as the main antagonist of the first-season two-part episode "Fury." She is an Amazon who went rogue and is determined to purge the planet Earth of every single male. She was also the adoptive sister of Wonder Woman and the adoptive daughter of Hippolyta, the Queen of Themyscira.

She was voiced by Julie Bowen, who was best known for her role as Claire Dunphy on Modern Family.

Aresia was an orphaned child from a village somewhere in Europe filled with conflict as a bloody and senseless civil war there ruined the land and drove most of its residents, including neighbors, friends, and schoolmates, away, and its unjust victors denied even the basic humanity of their defeated enemies.

She and her unidentified birth mother went on to seek out and board a refugee ship to escape the burning village they were forced to leave, but it was later taken over by pirates. The pirates cowardly sank the ship and killed many individuals, presumably, including Aresia's own mother. Aresia survived by clinging to a floating piece of the ship and arrived on the shores of Themyscira, where she was taken in by Hippolyta, who "magically endowed her with Amazon strength".

Being raised by Amazons, she developed misandristic traits, and began her quest in whipping out on all of world's males. As a final test by Hipolyta, she was locked away in solitude. While locked away, she developed a poisoned that only affected males. She then escaped her confinement, and took in several members of Lex Luthor's Injustice Gang, including Star Sapphire, the Shade, Copperhead, and Solomon Grundy, and recruited a new member, Tsukuri.

She sent her minions to steal chemicals and other miscellaneous equipment before revealing her master plan: to wipe out the entire male population with biological warfare and rid them with disease. At the end of part one, she released her virus, poisoning every male in Gotham City, including the males of both the Injustice Gang and the Justice League. The virus had no effect on women, so Wonder Woman bd Hawk Girl were fine.

Watching all of the chaos unfolding, Star Sapphire and Tsukuri were in shock at how easily Aresia's poison had downed the men and boys of Gotham City. Tsukuri asked Aresia if, for certain, the poison only affected men, which Aresia confirmed, saying that that was why it had not hurt her or Star Sapphire. Star Sapphire asked Aresia what she had to gain from her plan. Aresia replied that she hoped to end the "greed, deception, and cruelty" in the world made by men, stating that "Today, we women take control,". "You can't be serious," Star Sapphire said skeptically. With an evil grin, Aresia simply responded, "Can't I?" Nonetheless, despite the initial shock and horror displayed by both female Injustice Gang members, they ultimately joined in Aresia's efforts enthusiastically.

Aresia and Tsukuri infiltrated an air base to steal one of their planes and sent Star Sapphire to find Wonder Woman and Hawkgirl, pretending to still want to live in a world with men. While Star Sapphire was gone, Aresia and Tsukuri found just the plane they needed, but when they did, Hippolyta showed up to excoriate Aresia for her actions. Aresia attempted to get her to at least understand what she was doing, but Hippolyta refused to hear anything of it, telling Aresia that she had violated Amazonian law by doing what she'd done. Aresia replies that she is sorry to hear that, just before Tsukuri ambushes and subdues Hippolyta from behind, at which point Aresia concludes that she has come too far in her plans to turn back at that point. After this, Aresia and Tsukuri take Hippolyta hostage.

The female Leaguers arrived at the air base, having been led there by Star Sapphire, and quickly, the ruse was exposed. Aresia offered them both a chance to join her cause. Wonder Woman refused, telling her that while man's world wasn't perfect, destroying it wasn't the answer. The heroines fought Aresia and her group, but the two were defeated and unable to stop them from taking off with Hippolyta. Later, Aresia told Tsukuri and Star Sapphire that she planned to enter a rocket launch base in order to shoot the missiles up into the air in order to spread the toxin worldwide using the winds and the atmosphere. Meanwhile, Wonder Woman and Hawkgirl recovered and were able to catch up to and enter the stealth bomber.

The heroines fought Aresia's group once more, and Wonder Woman ultimately knocked Star Sapphire out of the fight. Hawkgirl managed to damage the launch bays of the plane to prevent the missiles from being launched, but also put the plane in jeopardy, which caused Tsukuri to panic and abandon Aresia. As Wonder Woman and Hawkgirl had the upper hand, Aresia tried to reason with them by saying that the men were their enemies.

However, Hippolyta, who managed to free herself from Aresia's captivity, arrived to drop a bombshell. Ironically, Aresia would have died had the captain of the ship on which she and her mother had been, a man, not saved her from drowning back in the pirate attack. He had valiantly swam through the ocean with her on the driftwood until they made it to Themyscira, where he had died of heart failure. Hippolyta had buried him there in an unmarked grave due to his bravery, making him the only man buried on the island.

Aresia was furious at Hippolyta for not having told her this sooner, but Hippolyta reasoned that she hadn't thought of that man as important, simply due to him being a man. Ultimately, her reveal was dismissed by Aresia with the cold remark that "the acts of one man cannot redeem the sins of his kind". In a final fight with Wonder Woman and Hawkgirl, Aresia's plans are ultimately thwarted, as she gets seemingly killed when her plane explodes. Soon after her presumed death, Wonder Woman and Hawkgirl discover Aresia's hideout, recover the notes used in making her poisonous allergen, and are able to develop an antidote that was distributed to every man in Gotham who had been affected, curing the men and saving the day.

In the tie-in Justice League Adventures #17, it turns out that Aresia actually survived her apparent death and has taken a different approach in her misandristic crusade, opting to not kill men but instead enslave them by using the Equalizer, a revolutionary sonic device that brainwashes any man to her servitude. She also recruits a group of misandristic women to assist her in her plans. One day, Aresia and her henchwomen steal the prize money of a Grand Prix competition, leading all the male Justice Leaguers to go after them, but her henchwomen hypnotize Batman, Superman, Martian Manhunter and Green Lantern with the Equalizer into their servitude while Aresia distracts the Flash long enough to handcuff him to her getaway vehicle and escape. Later on, the Flash, Hawkgirl and Wonder Woman find out on the news that Aresia has sent their teammates to steal a Russian fighter jet, an American submarine and an Israeli missile launcher, assembling an army of her own which she can use to wage war against the Seven Continents, prompting the Flash and his female teammates to look after them.

Tracking Aresia and her minions down to an abandoned Air Force hangar, a crossdressed Flash infiltrates into her hideout only to be apparently hypnotized by Aresia while Wonder Woman and Hawkgirl try to stop Superman, Green Lantern, Martian Manhunter and Batman from attacking an American warship and robbing a Chinese tank without success, but they discover that the Flash has been able to avoid brainwashing by putting cotton on his ears, surrounding Aresia and her minions before Hawkgirl and Wonder Woman come to stop them, tying up her henchwomen, so she sics their hypnotized teammates on them, so Wonder Woman tries to talk Aresia out from punishing all men for the atrocities of a few. However, Aresia insists that men are still bad, so Hawkgirl and Wonder Woman attack her and claim the Equalizer, freeing their teammates from her hypnosis. However, apparently as a courtesy from the Flash, Hawkgirl and Wonder Woman, while jailed presumably for the rest of her days, Aresia is taken to an all women's prison, a prospect she satisfingly accepts, finally away from any man.

When it was done everyone that hadn't heard about it was hocked and horrified!

Twilight Sparkle: Oh man! That's awful!

Me: I know.

Alicia: My sister. Oh man.

Me: I know Alicia. But we'll help her I promise.

Toiletnator: Nico, which Gene Slammer do you think you'll meet next?

Wilbur: I hope it's a strong one.

Nico: Numbers 30 and 29 next.

Me: Cool!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Al'Akir the Windlord from World of Warcraft, he's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Al'Akir the Windlord from World of Warcraft.

Lola: Just as Neptulon said.

Alexandra Vondrousova Cooper: Hope you're ready to absorb him again, Lincoln.

Lincoln: Always ready, Alexandra. Al'Akir chose the wrong time to return.

Nico: Now, he's going to wind up absorbed like last time.

Nicole: I hope that big windbag has said his final prayers. Alright, team, let's go, this is the last and final time we ever have to deal with Aresia.

Lincoln: This is where we end her hatred against men forever, and once we get done with her, you're next, Al'Akir the Windlord.

Alexandra Vondrousova Cooper: You made the big mistake of returning, now we'll make sure you never return.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and while the girls set off to destroy Aresia for good, we boys set off to cure all the men she poisoned, and once we get done with her, Lincoln and Alexandra Vondrousova Cooper are going to destroy Al'Akir the Windlord and send him to The Black Abyss after Lincoln absorbs him.

We were off the park. Thankfully we didn't have to go far.

Meanwhile, Nicole made her way to Themiscyra.

She arrived and was greeted by the guards.

Woman: Intruder!

Nicole: It's all right! I was sent by Nico.

Woman: Nico!? Is there trouble?

Nicole: I need to speak to the queen. It's urgent.

She went before Queen Hippolyta!

Hippolyta: It's been a while Nicole.

Nicole: It has been a while your majesty. But I'm afraid I didn't come here for pleasantries. We got big trouble. Aresia is back and she is trying to finish what she started in the past back in 2019.

THEY GASPED!

Hippolyta: We'll head out right away.

They went with her.

We sent out shadow clones and sent them out to administer the antidote to the poison.

Me: Good now we can cover more ground that way.

Qin: Yeah.

Nicole and Hippolyta and the amazons arrived.

Hippolyta: We got here as fast as we could.

Nico: Thank you for coming your majesty.

Wonder Woman: Thank you mother.

Leonard: Is Kite Man with us?

Lunk: If not, we should call him

Me: Good idea.

We did so.

Kite Man: I'm here guys.

Me: Great.

Alicia: I can't believe my sister hates all men so much.

Me: Alicia it's not your fault.

Hippolyta: Your sister is Aresia?

Alicia: Yes. I've been trying to find her for a long time. I was placed into an orphanage after what happened. And back in 2019 I heard about a woman named Aresia. I found out about her in this locket.

She showed us a locket and it had a picture of her as a baby and a younger version of Aresia.

Hippolyta: By Hera. So Aresia had family still alive after all.

Me: Yes your majesty.

Layla Lucifer: I made a promise to Alicia here to help her sister and reunite with her to save her from herself.

Nico: It's true.

Wonder Woman: She still has to go to prison.

Itasis: She has a point.

Alicia: I know. But I want to help her.

Me: And we will. But this is more than a battle of the sexes which is a battle as old as time itself, this is a fight to save the entire human race.

Nico: Like we have known since we fought Margie. If she kills all the men, the women will die too and the human race will be extinct.

Me: We can't let that happen.

Mr. Mittens: Does the virus affect animals too?

Goof: I hope not

Lisa Loud: Negative I did some tests and found out that the poison only affects homo sapiens. The Male Side of them.

Me: That's some good news.

Nico: Yeah.

Fluttershy: That is a relief.

Grodd and the Legion came.

Grodd: We're here guys. We got some business to settle with on Aresia.

Grundy: Grundy Remember bad Amazon.

Copperhead: She poisoned us men of the Legion.

Shade: I remember that.

Captain Cold: Yeah no kidding.

Carol Ferris: Myself and Tsukuri were the only ones not affected.

Volcana: I was still in prison when I heard about what happened.

Livewire: Same here.

Poison Ivy: I was in Arkham.

Harley Quinn: Me too.

Cheetah: I was away on a mission when it went down.

Silver Banshee: (Scottish Accent) I was on a mission myself now.

Me: What about Dr. Polaris and Evil Star?

Captain Cold: No Dr. Polaris was fighting Aquaman in Atlantis and Evil Star was fighting was fighting Hal on the planet Havania.

Me: Boy they dodged a massive bullet on that one.

Ruckus: Good thing we can't be affected now

Me: Yeah no kidding. We're now immune to all poisons now. Including Fear Gas.

Nico: Yeah.

Me: Long story on that.

Volcana: And for the record this was long before we joined you guys.

Me: Ah that sums it up Claire.

Gramma Stuffum: I made us food.

She made us curry and ham.

Me: Oh boy. Thanks.

We got to eating.

Luster Dawn: I just can't believe Aresia is out to destroy all the men.

Ymir: How many people like Aresia are out there?

Me: Well lets see. Aresia, Madame Margaret, Violet Vanderfleet, Femme Fatale, oh gosh it's not very common that we battle villains that are Misogynistic Supremacists.

Nathalie: At least Femme Fatale learned her lesson

Me: That's true.

Nico: Yeah.

Grodd: I remember you guys battled Aresia back in 2019. That was rough.

Nico: It was.

Batman: I stabbed her back then.

Me: I remember that Bruce. She put up one helluva fight. But because we got much bigger fish to fry now she is not worth killing anymore.

Hippolyta: We should have done everything we could to help her understand that not all men are bad.

Me: Well we'll get that shot shortly.

Horsea: We sure will

Nico: Yep.

Sam Manson: Oh guys we forgot to mention this a while back. While Danny was on vacation with his dad we battled Kitty, Penelope Spectra and Embra and stopped them from erasing all the boys in Amity Park. Girl Power adventure for me, Jazz and Mrs. Fenton.

Jazz: I remember that! That was awesome.

Me: Cool!

Danny: Good thing I wasn't present.

Me: Yeah you dodged a bullet on that one.

We heard a wolf howl!

Me: A wolf?

But then a roar was heard and then I unsheathed my sword and blocked a strike from a viking women with black angel wings and she had a crow helmet and a blue flame cutie mark!

WE GASPED!

Me: WHOA!

Nico: A Viking Woman!? Whoa!

Lincoln: That's not just a Viking Woman! That's Wonder Woman's Akuma, Freyja Hræsvelgr! The Hypothetical Akuma of Wonder Woman and she is a Ruthless Viking Warrior that is a master of the powers of Odin, Thor, Loki and the gods of Norse. She has Fenrir the Wolf with her and she is a DEADLY WARRIOR! She was made because of Felix Faust forcing her to do his work in unleashing Hades. She vowed to kill him and Hades.

Nico: HOLY COW!

Flash: I remember that!

Wonder Woman: Me too! But Hades was sent back into Tartarus thank goodness.

Lola: This was not the one we know from Hercules world was it?

Wonder Woman: No it was a more treacherous one.

Superman: I remember that one! That was intense!

He showed a sketch of her and she had a big black wolf with piercing red eyes!

Nico: WHOA MAN!

Freyja Hræsvelgr: (Scandinavian Accent) And I will kill anyone that gets in my way!

I clashed with her!

CLANG CLANG CLANG CLANG CLANG!

Me: WOW! You are putting up an amazing fight!

Freyja Hræsvelgr: I'll put that on your tombstone!

Me: TRY ME!

I clashed with her more!

Then out came a BIG BLACK WOLF WITH PIERCING RED EYES CAME!

Lincoln: That's Fenrir!

Zarya Moonwolf: Wow!

Totally Spies Alice: Where did that come from?!

Lincoln: That's her wolf she has with her!

Zarya Moonwolf: Wow! He is huge.

Deadwood: Wonder Woman? Is that you?

Freyja Hræsvelgr: I'll drink your blood!

KROW

I kicked her!

Me: She is a ruthless viking now Deadwood.

Nico: Yeah.

She then fired a blast of lightning and I fired a blast of lightning and the blasts collided and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOMMM!

Me: But it's quite a change isn't it.

Wonder Woman: I am actually not a viking though. I am an Amazon and Greek.

Lola: Vikings are warriors like Amazons are Diana.

Hippolyta: She's right on that.

Me: (Speaking Norwegian) Kanskje du ikke har hørt om hvordan jeg er så flink til å vite alt om kampbevegelsene til vikingene og deres skikker. Enkelt egentlig. Jeg stammer selv fra vikinger. Min stamfar var selveste den store Leif Erikkson. For 1000 år siden var min forfar den største oppdagelsesreisende av alle og en av de modigste av alle vikinger. Jeg vet alt om vikingenes historie og hvordan de kjempet nådeløst og hensynsløst, derfor vet jeg alt om hvordan de kjemper. Å være en viking går i blodet mitt. (Maybe you haven't heard about how I am so good at knowing all about the fighting moves of the Vikings and their customs. Simple really. I am descended from Vikings myself. My ancestor was the great Leif Erikkson himself. 1,000 years ago my ancestor was the greatest explorer of all and one of the bravest of all Vikings. I know all about the history of Vikings and how they fought mercilessly and ruthlessly hence why I know all about how they fight. Being a viking runs in my blood.)

Freyja Hræsvelgr: I see.

Catherine Norris: J.D. can speak Norwegian?

Kate Lloyd: He's multi-lingual. He knows many languages from all over the world and beyond.

Nico: It's true.

Zarya Moonwolf tamed Fenrir by using the power of the Wolf to quell his spirit.

Nico: Whoa!

Catherine Norris: What did he say?

Nico: He said that he knows how the Vikings fought back over 1,000 years ago because his ancestor was the great Viking Explorer, Leif Erikkson. And being a Viking runs in his blood.

Catherine Norris: Wow! That explains it.

Lola: Yeah.

Kite Man: Now it's your turn to calm down!

Freyja Hræsvelgr: Not until I kill J.D.

Me: We'll see about that!

I clashed brutally with her and fired waves of darkness and blasted her all over.

Kite Man flew in the air and dropped bombs on her and they exploded!

KRABBBBBBBBOOOOOOOOOOOOOMMM! KRABBBBBBBBOOOOOOOMMM! KRABBBBBBBOOOOOOOOMMM!

Me: Valhalla awaits.

Strike Man: Please tell me she's down.

She was down...

Me: Not yet.

BUT NOT OUT!

She got up and fired a massive blast of intense fire and I fired a blast of energy and the blasts collided and my blast overtook hers and it hit her and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

It knocked her out!

Me: NOW she is down.

Nico: WOW! That was intense!

Condiment King: Ketchup for the victory, anyone?

Me: Sure but after we're done here.

Nico: We got to save he human race as priority number 1. There will be plenty of time to eat after we're done here.

We'd gotten done administering Lincoln's antidote and cured every last male on Earth, and we headed to where Nicole and the other girls were, and we saw they were really giving a pretty brutal thrashing!

Nicole: Keep at it, girls! Don't stop until this bitch is lying dead in a pool of her own blood!

They were really giving her a thrashing!

Allie Maxwell: Oh, and I almost forgot! SAY BYE TO YOUR EYES!

SCREAMS! SLASH!

ALLIE MAXWELL SLASHED OUT ARESIA'S EYES WITH A KNIFE SHE HAD IN HER GUNS!

Sakura Haruno: Okay, that was brutal! You're just as violent as

Caleb.

Allie Maxwell: That's an understatement, Caleb still holds the top tier at violence and bloodshed.

Nico: Holy moly! This is brutal! Look at the mess the girls are making of Aresia!

Me: No fooling, Allie Maxwell even slashed her eyes out with a knife!

Lincoln: Let's join in as well.

Suddenly, the spirits of the Greek Goddesses and the Amazons of Themyscyra appeared, and they attacked Aresia with brutal violence and elemental forces, and then, the spirits converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Me: You failed in your damn scheme to kill all the men once more, Aresia!

Nico: You're just like that little misandrist brat, Margie, in every damn way!

Lincoln: But, unlike her who got The Black Abyss, your punishment is going to be far worse! You're going to prison for good without your powers, and it's a prison that Queen Hippolyta herself has chosen: a prison full of the very being you despise!

Aresia: YOU PIECES OF SHIT! I'LL KILL YOU!

Then...!

POW!

Caleb Maxwell punched Aresia hard in the face and he slashed her in the chest with his gold-armored dragon claws, and he kicked her hard into a tree, and we saw the anger in Caleb's eyes: he was out for blood.

Caleb Maxwell: Stop talking...now.

Me: Caleb down! Aresia its been a while.

I snapped my fingers and gave her eyes back.

Aresia: You man! You will pay!

Me: Aresia stop this madness now!

Aresia: WHY!?

Me: Because you have no idea how wrong you are about everything. If you kill all the men, you will kill the women too and the entire human race will be destroyed!

Aresia: What!?

Me: Also there's someone here who needs to straighten you out.

Aresia: Who?

Layla Lucifer: See if you recognize this face.

Alicia went over to her.

Alicia: Aresia? Is that you sis?

Aresia: Wait you look familiar.

Alicia: Aresia remember this?

She showed the picture in her locket.

Aresia gasped.

Aresia: Alicia? Is that you?

Alicia: Yes sis. It's me.

Aresia: Oh sis!

She hugged her gently.

Aresia: Alicia look at you. I thought I would never see you again.

Alicia: I know. But I'm okay.

Me: See you still have family alive.

Alicia: You don't have to keep hating men anymore sis. I know you hate them. But you can never hate me. I love you sis.

Aresia: I do too sis.

Dirt Boss: You need to stop this now!

Aresia: Don't you all see? I'm saving humanity from itself! Think about all the disgusting men who only see females as tools for their sexual pleasure!

Me: Not all of us are like that Aresia! I would NEVER hurt a woman like that ever! An Innocent Woman I would never hurt. A Bad woman, YES! People like them deserve that. But an Innocent woman, NO WAY! I have too much good and honor in my heart to think or do that. It's not in me.

Nico: Me neither!

Eli: Same here!

Lincoln: I would never do that either!

Jared: Me neither!

Me: Not all men are evil Aresia. Just some of us are.

Xiao Fung: And yes, we know what other disgusting stuff some men do to women. But none of us do that!

Me: There are men like that who are monsters and look where they wind up. They usually end up dead, in prison or worse!

Wonder Woman: He's right Aresia. I have seen those kinds of men before but J.D. and his friends are nothing like that. They have too much good and honor and love for everyone to become like that.

Me: That's right. But think about what you're doing Aresia. If you kill all the men, you kill all the women too. The entire human race will be extinct! That's why your plan had a VERY NASTY FATAL flaw in it and I pointed it out to you. What you are doing is not saving humanity. It's cold-blooded murder and total genocide!

Clown Man: And you forgot to make it so it also affects robots. Like me and my fellow Robot Masters

Me: Clown Man don't give her any ideas!

Clown Man: Sorry.

Me: But Aresia what you are hearing from us right now is not out of spite, it's the truth. Think about what happened to you. A man saved your life and he gave it up for you. He brought you to Themiscyra and saved you from death! Would a man that evil do that to you?

Fixer: No, he wouldn't!

Aresia knew we were right.

Eli: Search your feelings Aresia, for you will know it to be true.

Alicia: Aresia you still have me and I would never give up on you to save you from this. I love you.

That was the last push needed to free her from this monster.

Then she broke down crying and hugged Alicia and cried hard.

Me: Wow she did it.

Layla Lucifer: The deal is complete. Now to get rid of the darkness in her.

Me: And I know just how to do it!

I fired a beam of light and separated the darkness from her! It was a dark version of Aresia but with piercing red eyes!

Me: Now it's on!

I teleported and punched Dark Aresia and kicked her.

Nicole and Varie kicked and punched her and pulverized her all over.

Finn: (Jackie Chan) We can still fight though

Lightning Dust: Lets show you what girls and boys can do working together!

They fired waves of energy and blasted her all over.

Aresia was weak from the separation but she was free.

Alicia: You'll be all right sis.

Nicole kicked Dark Aresia and Wonder Woman punched her.

Hippolyta fired energy blasts and the Amazons threw spears and stabbed her all over.

Bad Juju: Have some of this!

She fired ilghtning blasts and blasted Dark Aresia!

Right, Layla, Piper, Ulrich, Lori, CatDog, Leif, Luster Dawn, Jonny 2X4 and Lincoln and Katie (Time Force), Taylor Earhardt, Max Cooper, Hunter Bradley, Blake Bradley, Wildebeest, Aqualad, Teen Titans Lightning, Pantha and Carol Ferris: ELEMENTAL AMAZON JUSTICE BLAST!

Kuni: Now here is something you are going to love! KIRAMAI CHANGE!

She transformed and turned into a BLACK KIRAMAGER!

Kuni: THE NOCTURNAL MOONLIGHT! KIRAMAI BLACK!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM

A massive black fire explosion blasted off behind her and she was ready for action!

Lunk: Take This!

He fired gum blasts.

Kuni: DARKNESS STAR CRYSTAL SHOWER!

She fired black crystal shards and slashed Dark Aresia all over the place.

Me: WHOA! COOL!

Rarity: My goodness darling that was incredible!

Kuni: Thanks Rarity! I guess that makes you my sister as well.

Sweetie Belle: Including me too!

Kuni: Yep.

Juru: Like old times?

Kuni: You know it!

Juru and Kuni: INSPARKLIZATION RAINBOW CRYSTAL BLAST!

They fired waves of crystal and energy and blasted Dark Aresia all over.

Me: OH YEAH!

Qin: Take that!

Meowth 2 then charged at her and then slashed her all over with Fury Swipes!

SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

Lincoln, Wonder Woman, Nico, and I and the rest of us went after Dark Aresia and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark Aresia, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Wonder Woman, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off Dark Aresia even more.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Dark Aresia and we all found ourselves not only in Heaven, but also, in space.

She grabbed Aresia and threw her into a massive crate of TNT which explodes sending her right into a vat of live clams which chomped her all over! Then, she wedgied Dark Aresia and pulled her underwear over her head!

Cattleya: AMAZONIAN WEDGIE!

Then, she fired chocolate, caramel, peanut butter and marshmallow plus various candies at Dark Aresia and she invited kids to lick her all over and slapped her all over, then she performs One Thousand Years of Death on Dark Aresia and she finished by throwing crabs all over and covering her with mega hot sauce and turning Aresia into an Amazonian pretzel!

Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's finish Dark Aresia off, and then, we deal with Al'Akir the Windlord.

Kuni was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Luna and Ayla.

Luna Espra: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Mega Espeon, Mega Klinklang and Mega Diancie and transformed and blasted Dark Aresia all over.

DARK ARESIA THEN SCREAMED IN HORROR AND FRIGHT!

Nico: It never gets old!

Qin: No it doesn't.

Lola: YEAH!

Then...

SLASH!

Nicole and Wonder Woman slashed her across her back.

Nicole: That was for hurting millions.

Me: YEAH! Oh before we get into the usual battles, some of your former members of the Legion of Doom have something to say to you. Boys?

Grodd and crew went over to her.

Grodd: Hello doll.

Captain Cold: Remember us?

Grundy: Grundy remember you!

Copperhead: What you did? Not cool

Shade: Lets LYNCH HER!

But then...

FEROCIOUSLY MASSIVE AND BRUTAL FIGHTING SOUNDS AND PUNCHES AND KICKS!

SHE WAS BEING FEROCIOUSLY PULVERIZED IN A MERCILESS FIGHT CLOUD OF INTENSE VIOLENCE AND PAIN!

Roxy Rocket: GEEZ! What a fight!

Me: You're telling me Roxy and Nergal when all this is done we are hungry for some pizza.

Nergal: I'm glad to do that for all of you!

Me: Great!

Dr. Polaris threw a car at her.

SMASH!

Nico: Nice one!

Dr. Polaris: Only fair I get some hits in too.

Me: True.

Rex Goodwin: At least she's not ordering us around.

Anti Wanda: That's true.

Me: Talk about therapeutic though. Especially after how she poisoned most of the Legion long ago.

Dr. Polaris: I know.

Raven Branwen: (to Nico) We heard you faced someone from JD's past.

Nico: Yep we sure did.

Me: Really ugly story.

Nergal: (to Blake) You should take care of that Meowth

Blake: I will.

Uchuki came.

Me: Another Stellar round Uchuki?

Uchuki: You know it!

Me: Cool!

Uchuki: Why do I get the feeling we're going to see more enemies from your past?

Me: Well it'll be good to get rid of them. Because they have been asking for it for a while.

Uchuki: Too true.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the usual battles underway!

Loni, Conductor, Pepperdance, Misha (Transformers Energon), Blackarachnia, Razorclaw, Lazerbeak, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Napalm Man and Crystal Man VS Anti-Wanda, Cajun Fox, Blood Sausage, Aligned Chop Shop, Clampdown, Universe 666 Thunderclap, Sarawareteiru of the Fairy and Anti-Charlie (Theme including conductor) - Nico's rescue on Criam with a really crazy scenario

---

Anti-Wanda was first.

Anti Wanda (to Loni): Nico's rescue was on Criam with a really crazy scenario. What was it?

Loni: It was CRAZY! We met a girl named Sakura Kazehana and she was a girl that J.D. rescued there. She was kidnapped and put in quicksand by a jerk named Darvon Reynolds.

Anti-Wanda: Oh man! Who is he?

Conductor: Darvon Reynolds is a cruel remorseless bully who terrorized J.D.'s high school and all of Colorado for years, and he committed all kinds of violent assaults, robberies, murders, rapes, you name it, and to make things worse for himself, he was part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and his old enemy, Gerald Vexos, Venn's little brother.

EVERYONE GASPED!

Pepperdance: (Cajun Accent) Ooowee! That was until he gathered all of the evidence of his crimes, and when Darvon found out, he went ballistic, but he was taken down and sent to prison forever.

Anti-Wanda: Oh man! That is terrible y'all!

Twilight Sparkle: It was! Sakura is a flower girl that J.D. rescued and it was an amazing rescue.

Stellar Sparkle: She sure is and Nicole was about to kill J.D. because of it. She was naked.

Harmony Sparkle: No kidding.

Starshine Sparkle: But Nicole didn't want to kill her father.

Spyro: Yeah no kidding.

Anti-Wanda: Good. Lets do it.

Brittney: You should have seen it. It was really cool! Also the embodiment of Lucifer is the Ultimate Empress of Hell and she has all the intense powers of the 9 Circles of Hell at her fingertips. She is perfect for the Goths of Darkness.

LadyDevimon: She most certainly is and she has intense power that rivals that of the Devil himself.

Amber: No kidding. Also we met a Mega Klinklang gene-slammer and a Mega Espeon gene-slammer. Their names are Luna Espra and she is a friend of Pain-Yatta and loves throwing awesome parties and she helped the Skylanders with defeating Kaos's forces.

Rex Goodwin: WOW! She would have been an amazing help yesterday.

Amber: I know. Also the Mega Klinklang is Aruto's sister Ayla Hiden and she loves all his jokes. Also she is Kamen Rider Flamebird. She uses the Burning Falcon Progrise key and was battling Splashing Whale Raider when she was turned into Mega Klinklang.

Rex Goodwin: WHOA! She must have amazing fire and flight powers.

Sunset Shimmer: She does and she was really grateful to us for destroying Arc forever.

Firestorm Shimmer: Yeah that was intense!

Sunset Shimmer (G5): Yeah it was! We had fun on that one.

How was it?

Lars: It was intense and we battled Dr. Windsor and Black Doom there and stopped them from destroying everything.

Juru: Yeah we really had fun on that!

Irina: And we destroyed them and it was fun. We also buried a dark chapter in Shadow's past.

Applejack: It sure was amazing to battle too.

Apple Star: But we had no idea that Shadow had such a really dark past.

Wolf Moon Bloom: It was scary.

Apple Bloom: No kidding there.

Flashwing: I'll say.

Raven Branwen: WOW! That is amazing! Lets do it!

Lars used the Vistamp for Raven and the Darkness World Gear and they fired waves of darkness, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Duff Killigan: (to Rarity) (Scottish Accent) It's Wonder Woman's day to shine. I hope she's ready.

Rarity: Oh she is most certainly ready for this darlings and we are really rooting for her.

Gill Grunt: An Amazon is always ready for battle and she is more than ready for this.

Dr. Polaris was next.

Dr. Polaris (to Jessica): Aresia is out for revenge on Wonder Woman and all the men! I honestly never did like her.

Jessica: I don't blame you! In fact EVERYONE in the Legion Of Doom from what we were told about hates her. She poisoned all the male members of the Legion.

Dr. Polaris: That's what I was told. I wasn't there when it happened. I was battling Aquaman and his family in Atlantis when I heard about what happened back then.

Elesa: You really dodged a HUGE BULLET back then Neal.

Dr. Polaris: I sure did. But I heard that my fellow colleagues of the Legion weren't so lucky. Solomon Grundy, Copperhead, Captain Cold, Shade, all the male members got hit hard by her poison.

Mulan: Yeah they were! Aresia's ultimate goal is to kill all the men on the entire planet so that only Women can rule. But like what Margie was going to do, her plan has one nasty and terrible fatal flaw. Without all the men, Women can't exist either. You kill one half of a species, the other half will die too.

Pinkie Pie: Yeah that party pooper wants to kill everyone!

Maud Pie: (Monotonously) It's not right to do all that to a race.

Citrine Pie: What she is going to do is pure ultimate evil!

Pinkie Pie (G5): No kidding there!

Featherweight: We can't let her do what she did before. Thankfully the Justice League destroyed the poison and everything she did from before.

Sprocket: Yeah before we went to face Aresia, Nicole was sent to Themiscyra to have Hippolyta and the Amazons help us.

---

Chemistro was next.

Chemistro (to Matau): Wonder Woman's Akuma is a Viking Woman. What can she do?

Matau: Well she is a REALLY RUTHLESS VIKING WARRIOR woman. Her name is Freyja Hræsvelgr and she is a really powerful master of the powers of Thor, Odin and Loki and has all the powers of the wolf, raven and the dark powers of Hræsvelgr the Dark Eagle of the Underworld. It's intense! Also she has a Black Wolf with her named Fenrir and she is really skilled with lightning and darkness.

Rath: Boy she was brutal like Rath!

Amanda Benson: No kidding! Even though Diana is Greek she was turned into a deadly Viking Warrior. She was made because of Felix Faust killing her mother and sisters and releasing Hades from Tartarus and she vowed to kill that monster.

Chemistro: Oh man! Yeah I was told he did something like that ages ago and that was intense!

Starlight Glimmer: Yeah no kidding there! But that version of Hades was not a guy anyone could get along with! He was a traitorous monster! Just like Ares the God of War!

Moonlight Glimmer: No kidding there! That was crazy!

Starlight Glimmer (G5): I'm just glad that Felix Faust won't do that again.

Thorn) - Wonder Woman and us are not going to let Aresia destroy the entire human race!

Leap Frog was next.

Leap Frog (to Lightning Dust): Wonder Woman and you guys are not going to let Aresia destroy the entire human race! If she does that, the entire planet is dead!

Lightning Dust: Yeah no kidding! We are not going to let her kill the entire human race! Not if us girls have anything to say about it!

Pop Thorn: Yeah no kidding there! The Girls are going to make sure that Aresia never does what she tried to do in the past ever again!

Mika: What she did and was going to do was pure evil! Her hatred towards men is absolute pure evil!

Princess Celestia: I can't believe she is willing to go so far as to kill all the men so that women can reign supreme! And all because she was saved by a man and brought to Themiscyra back then! How evil can you get!

Dawn Eclipse: Yeah that man sacrificed himself to save her!

Princess Celestia (G5): Yeah no kidding! And this is how she repays him!?

King Solar: That is sick!

Solar Eclipsa: What she is going to do is absolutely pure evil!

* * *

Bonz was next.

Bonz (to Gia): Aresia is going to prison! Going to prison with men is a fate worse than death for her.

Gia: That is for sure! But we are going to more than just send her to prison. We're going to turn her into a stone statue for all eternity and strip her of her powers and then send her to a male prison.

Tanya Sloan: Yeah she has no right to call herself an Amazon or a member of the human race after everything she did.

Jean Bison: What she did is just like what Madame Margaret was going to do. But like what we know about her, her plan has a NASTY FATAL flaw and that is that if you kill all the men, you kill all of the women too. Leading to the extinction of the Entire Human Race!

Princess Luna: That's right! And we can't let her do what she did in the past. Thankfully we're immune to her poison thank goodness.

Dusk Eclipse: Yeah no kidding there.

Princess Luna (G5): I agree there.

Moondust: Nico and everyone said that we battled her back in 2019 and Batman killed her back then too. That was intense.

Snowdrop: I don't know how it happened back then because many of us weren't with the team back then but Batman I think snapped her neck or something.

Blackout: Actually Batman stabbed her in her black heart.

Snowdrop: Oh man. That is much better.

Gari: Yeah I agree. But many of us weren't there when it happened.

Blackout: But she deserved it.

Bonz: And being sent to a men's prison for her is a WORSE FATE than death for her. Lets do it!

Lily the Mermaid and the girls fired waves of elements and energy that turned into Wonder Woman and her sisters and they smashed into Dark Aresia and exploded.

Lincoln's harem: Time to pay for all of your crimes, Dark Aresia! WONDER WOMAN FINAL SMASH: AMAZON STRIKE!

They charged and beat the crap out of Dark Aresia and knocked her down. Then, Lincoln fired orange energy beams from his massive white angel wings and 104 large white angel wings underneath his massive white angel wings and they hit Dark Aresia, and he sucked out all of Dark Aresia's Enhanced strength, Enhanced durability, High intellect, and Hand-to-hand combat prowess and made them his own and made her powerless.

Then, Wonder Woman tied Dark Aresia up, and as punishment for her treachery, Hippolyta banished her to The Black Abyss and banished the purified Aresia Neptune Prison for Traitors. We cheered as we holstered our weapons and powered down and we were in Lynn's Table's gym. But the purified Aresia was permitted to talk to her sister and be kept under our watch.

Nicole: And that's that. Aresia's scheme to kill all the men failed, and now, she can spend eternity in The Neptune Prison for Traitors. But she is permitted to be with us to be with her sister. If she tries anything it's prison.

Nico: That's for sure.

Me: Unlike with Margie, Aresia will live with the aftermath of her crimes haunting her forever.

Lincoln: That's for sure. Alright, now there's one last thing to do, and one last loose end to tie up: Al'Akir the Windlord.

We then turned our attention to Al'Akir the Windlord who was still in suspended animation.

Al'Akir the Windlord: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death. Al'Akir the Windlord, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln, Alexandra Vondrousova Cooper, Nico, and I went after Al'Akir the Windlord and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Al'Akir the Windlord, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Alexandra Vondrousova Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Alexandra Vondrousova Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Al'Akir the Windlord even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Al'Akir the Windlord and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Al'Akir the Windlord and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Al'Akir the Windlord ran at Lincoln, and entombed him in an planet-sized massive ball of wind, air, and the storms formed, but this was Lincoln's plan: then, he proceeded to suck in and absorb Al'Akir the Windlord into his body and he assimilated Al'Akir the Windlord's Godlike strength, Godlike durability, Total Control over the sky, air, and storms, Immortality, Vast armies, Minion creation, and Corrupting Influence, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, he also absorbed the planet-sized ball of wind, air, and storms he was entombed in, and when Lincoln was done, nothing was left of Al'Akir the Windlord, and Lincoln drained his soul of energy and he sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles and lightning exploded out!

We cheered wildly as we holstered our weapons and powered down and Alexandra Vondrousova Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Alexandra Vondrousova Cooper: It's over for you, Al'Akir the Windlord, and to this we say good riddance. Thanks for helping me get rid of that evil wind elemental, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Alexandra.

Me and Nico: Our pleasure, Alexandra.

Suddenly, Alexandra Vondrousova Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alexandra Vondrousova Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Alexandra Vondrousova Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Alexandra, you transformed and you guys really let that evil wind elemental have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of Sloth and The Pot of Sloth appear.

Lincoln: (GASPS) The symbol of Sloth and The Pot of Sloth.

Adriana Nightshade: There's only one person who fits that: Aylene Nightshade, Avatar and Gene-Slammer of The Pot of Sloth and Deadly Princess of Sloth.

Mara Lucifer: I knew it was her, and you guys are going to enjoy meeting her, Aylene Nightshade, Avatar and Gene-Slammer of The Pot of Sloth and Deadly Princess of Sloth, is Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Sloth. She's known as The Deadly Princess of Sloth and Avatar and Gene-Slammer of The Pot of Sloth, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Aylene Nightshade has the power to make criminals so lazy and slothful, they can't react quickly and they're caught by the cops. Aylene Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Sloth, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Sloth, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Nurse Sue with a blazing passion, and she swore if she saw that bitch again, she would kill her in cold blood and make sure the demons of Hell rip her to pieces!

WE GASPED!

Me: HOLY ICE COLD LAZINESS!

Nico: We already took her down yesterday, and don't tell me she's planning to send her to Hell if that cow winds up dying in prison!

Lincoln: No, don't worry, she won't do it. She saw the trial, so I'm sure she'll make Nurse Sue realize if she tries to break out again, it's straight to Hell for her.

Roxy Rocket: And the virus she unleashed is now cured.

Duff Killigan: Thank goodness.

Chemistro: And now, Themiscyra can rest easy.

Leap Frog: It sure can.

Me: And the Human Race survives on.

Bonz: Who wants that promised pizza?

We raised our hands.

Me: Yeah! Man I'm hungry.

Lola: And the Girls and Boys proved that we can do great things together!

Me: Yep.

Nico: Great job today guys.

Wonder Woman: (To the Viewers) Girl Power is great but combined together we can do it all.

Me: Absolutely!

We went to Lynn's Table for pizza and man was it good.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it. We took down Aresia, and Linky's cure saved all the men in the world.

Anna Anyanova: And Lincoln and the other males of TLPS were immune to her poison, so that sucked for her! Well, at least, she'll rot in The Neptune Prison forever. She's lucky we're not gonna kill her again, she doesn't deserve the gift of death.

Anna Anyanova: And we had her taken to trial and she was sentenced to Eternity in The Arkham Asylum section of The Saturn Insane Asylum where she'll stay there forever or until she dies. Either way, she's never getting anywhere near Sunset Canyon again.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they

joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

See you all next time.

THE LAST EXORCISM OF PAZUZU

Pazuzu is back for Revenge.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there was brown mountainous planet and a massive city with smaller cities connecting the main city with a Sun, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters and had incredible superhuman strength, but had powers over earth, rocks, lava, mud, boulders, and crystals and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Terraira, a brown mountainous planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Terrairans, the males were not only natural born fighters and had incredible superhuman strength, but had powers over earth, crystals, rocks, boulders, meteors, and lava, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Terrairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: How many planets have the Infernairans terrorized?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) One too many, and the Sun you saw on the planet, Lincoln, it's infinite-times hotter than The Sun and the amount of solar radiation also exceeds that amount, the male Terrairans trained under the harsh heat and sunlight along with other extreme weather events. You need to head to the well where their souls are imprisoned and absorb them into your body, and once that happens, you'll gain their powers over earth, crystals, rocks, boulders, meteors, lava, and superhuman strength, and their many incredible powers, immortality, virility, and invincibility, and you must absorb the planes and The Sun of Terraira as well.

Lincoln: On it.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Terraira once inhabited by The Aquarians, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Terraira, it's awesome!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Terraira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a brown gem surrounded by angels carved on it, and then, the brown gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of brown souls came out numbering in the septillions: they were the quadrillions of souls of the ancient male warrior angels of Planet Terraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Terraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over earth, rocks, crystals, mud, boulders, lava, superhuman strength, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and brown aura with rocks, lava, crystals, earth, mud, and boulders surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over earth, rocks, lava, crystals, mud, boulders, superhuman strength, and their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Terraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Terraira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Terraira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Terraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym

had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Terraira all too well, it was also an advanced civilization and a place where we went to in the past.

Lincoln 2: (Through the rainbow Thunderbird and animals on

Lincoln's forehead) It was also a really awesome spot for us to train as well, but what the Infernairans did, it was pure evil. The Infernairans terrorized The Forbidden Zones destroying and imprisoning the souls of the male warrior angels in the wells and they kidnapped and raped the females.

Nicole: How utterly evil.

Lincoln: That's why every night, I'll be going to the planets of The Forbidden Zone to absorb the souls of the male warrior angels, absorb their planet's cores and planets themselves, and the Suns into my body which'll lead to my room expanding even more with my gym expanding with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of our merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for me and my expanding harem, and massive extra-extra-extra large never-ending expanding bed for me and my expanding harem.

Nico: The only way to preserve the planets of The Forbidden Zone and their legacy will live on in you. But, I can guess if there are other planets in The Forbidden Zone as well, they've also suffered the wrath of The Infernairans.

TOCCATA EN FUGUE IN D-MINOR PLAYS!

Lars's coffin opens up and standing up like Dracula was LARS LOUD!

Lars woke up to see Lampent staring at him.

Lampert: (Imitating Igor) Good Evening Master Lars.

Lampert gave him some blood I got him from the Blood Bank.

Lars: Thank you Lampert and good imitation of Igor.

Lampert: Thank you.

He drank it.

Lars: Ahh thanks.

Lampert: Time for breakfast.

Lars went and got dressed and went to the table and I gave him a huge stack of blood sausages.

Me: Morning Lars.

Lars: Morning J.D.

He was eating them.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw a red-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the red-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw another new addition to my harem.

Sakura Kazehana: I know her, that's Ruby Terranova, the Ruby Master of Criam and a master of fire.

Nico: Uh oh, then that means...!

Lincoln: We got another dirtbag from J.D.'s past to deal with.

Me: I'm ready for him.

Nico: Can you sense him, Lincoln?

Lincoln: (Sensed it) Got him. Alright, now let's finish breakfast and head for Criam to rescue the next girl there and deal with the next villain there.

Me: Right.

We finished breakfast, and we headed to Criam to help Strawberry Sunrise unlock her Rainbow Power and rescue Ruby Terranova, the second of the seven girls that's located there and kill the next villain there.

We were off to Criam.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14026.3: The U.S.S. Valorous Phoenix is en route to the planet Criam for number 2 of J.D.'s rescues there and we're going there to battle another one of the dirtclods from his past.

Me: Always fun going on rescues.

Qin: You said it.

Universe 666 May: I agree there.

Dina the Undine: I think it's fun too.

Lola: You said it!

Jake Holling: I'm ready.

Nico: Jake, I want to thank you, Etemon, and your teams for coming

Jake: Anytime Nico.

Etemon: We're ready for some fun and good tiems! Uhuhuhuh!

Me: FUNKY!

Shinjo: I agree there too! This will be fun as it was back in 1984.

Me: Boy 40 years ago!

Shinjo: I know.

Nico: Shinjo, what do you like to do in your free time?

Shinjo: Oh gosh. I like to help me and my fellow Sentai Teams train and also help teach future rangers how to battle many of our enemies and more.

Eli: Boy that is cool.

Me: Well we still owe you guys big time for helping us back 5 years ago.

Ymir: Wow! What did they do?

Me: They helped us battle against Thanos on December 26th, 2019.

Nico: It's true.

Dina: That is so awesome.

Tatsuya: I'll never forget that. That was epic.

Bunta: It sure was! We had a great time too.

Jake: You sure did.

Nico: I'll never forget that

Qin: That was so awesome.

Nico: Yep.

Shinjo: That was so fun.

Kenji: Yeah it sure was!

Junichi: We'll never forget that either.

Nico: Yep.

Me: Yeah. Wow! Yesterday was an absolutely amazing display of Girl Power.

Nicole: It sure was dad. And all the boys helped too.

Nico: Yep. Aresia was rid of her evil side thanks to her sister.

Poromon: We were planning on sparing her anyway

Me: True. But her dark side not so much.

Qin: Yeah.

Lola: At least we got through to her. Unlike Madame Margie.

Nico: Yeah Margie is a whole different matter.

Lola: Yeah.

Wonder Woman: I'm glad Aresia is cured.

Lincoln: I didn't sense anything from Dark Chase Young in her.

Me: Well that's good. Also Diana your Akuma was ONE FEROCIOUSLY MAJOR DANGEROUS Viking Woman. But she put up an amazing fight.

Flash: She was deadly!

Me: No kidding! Wow! But she was everything I always dreamed of when fighting vikings like back 1,000 years ago.

Nico: That's right! Like you said, being a viking runs in your blood.

Me: Yep.

Juniper Lee: I remember that. That was intense.

Lola: It was!

Me: Yep.

Wonder Woman: I may not be a Viking but that was really intense.

Nicole: I agree.

Nico: I'm just glad the virus is no more

Me: Me too. But it wasn't really a virus. It was a poison.

Nico: Whatever.

Me: Yeah. And the Legion of Doom got some well deserved payback on Dark Aresia.

Nico: They sure did.

Me: Talk about therapeutic. But all in all it was awesome.

Nico: It sure was.

Lisa Simpson: I have a song to say about Dad and Burns.

Me: Lets hear it.

Lisa was playing the Strike Union Song she learned.

Lisa Simpson: (PLAYING GUITAR) (SINGING)

Come gather round, children,

It's high time ye learned

'Bout a hero named Homer

And a devil named Burns.

We'll march 'till we drop

The girls and the fellas.

We'll fight 'till the death

Or else fold like umbrellas.

So we'll march day and night

By the big cooling tower.

They have the plant

But we have the power.

So we'll march day and night

By the big cooling tower.

They have the plant

But we have the power.

Strikers{in unison}:

They have the plant

But we have the power.

In the Warp, Mr. Burns heard the very song she was singing and he screamed in agony and pain from it!

We cheered for her.

Nico: Any reason why you're singing that?

Lisa Simpson: To show that dad really gave Burns a taste of justice when we battled Quimby.

Me: Good reason and Homer did Strangle Burns just like he promised he was going to do.

Nico: Good point.

Jamesdean5842: Homer did dream that he wanted to Strangle Burns and take all his gold and treasure as payment for his minimum wage job.

Homer: He's right.

Nico: I see.

Horsea: Serves him right!

Me: Yeah!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Criam.

Me: Planet Criam.

Xenia: Yep.

We got to landing and we got out and man was it scary.

Me: Wow.

Universe 666 May: Boy it's really scary coming here. Thank goodness Evil Nico isn't here.

Dina: He really treated you like shit didn't he?

Universe 666 May: UCH! It was an absolute fucking nightmare! He would REALLY Beat me up and hurt me horribly!

Me: That piece of filth!

Nico: Geez!

Me: Thank goodness you are not like that Nico!

Nico: No way!

Qin: YEAH!

Lola: What a jerk!

Me: Yeah. When we face him, I want full dibs on him this time.

Nico: Deal.

Me: Good.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Criam to help Strawberry Sunrise unlock her Rainbow Power and rescue Ruby Terranova, the second of the seven girls that's located there and kill the next villain here. J.D., are you familiar with someone by the name of Nathan Devins?

I GASPED!

Me: So, that's the next villain that's located here?! THAT PIECE OF SHIT!

Nico: Uh oh. J.D., you know him?

Me: Wish I hadn't. Nathan Devins is a cruel remorseless bully who terrorized my high school and all of Colorado for years, and he committed all kinds of violent assaults, robberies, murders, rapes, you name it, and to make things worse for himself, he was part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, Venn's little brother.

EVERYONE GASPED!

Me: That was until I gathered all of the evidence of his crimes, and when Nathan found out, he went ballistic, but he was taken down and sent to prison forever. And now, he's here on Criam along with six other shitheads from my past, huh?

Lincoln: Yep, and soon, we'll face the masterminds behind their breakouts from prison.

Nicole: We'll find out who it was that did this.

Me: Yep.

Nico: How many shitheads from your past do you know J.D.?

Me: Too many to even count. Growing up I've had TONS AND TONS of enemies and they all want to kill me.

So, now we can finally go crazy.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than

ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head

and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Me: Yep.

Devon heard a Pokémon cry

Devon: What the?

We saw nothing.

Me: Where is the Pokemon?

But then a figure appeared on Devon's head.

Devon: What the?

Me: Hey a Kecleon!

Nico: It was invisible.

Kecleon: Sorry about that. I have a habit of making an entrance.

Me: No worries. But that was good.

Kecleon: Thanks.

Devon: Want some food?

He gave it apples.

Kecleon: Thanks.

It ate them.

Me: That was cool.

Devon: Want to come with me?

Kecleon: Sure.

Poromon: Awesome!

Poliwag: No telling where you are

Kecleon: I know.

I then saw something.

Me: Huh?

It was a blue object.

I picked it up out of the mud.

Me: Hmm.

I cleaned it off and it was a Wonder Ride Book!

Me: A Wonder Ride Book. What's this doing here?

Touma: Which one is it?

Me: It's called Telaga Bidadari.

Nico: (GASP) That's the name of an Indonesian village on the Riau Islands. I visited that place long ago and it reminds me of a story I read from there.

Qin: I remember that!

Fiona Hernandez: That was so fun to hear about.

Me: Interesting.

Megan: That is really cool.

Nico: Let me read it.

Nico did so.

Nico: (Reads Verse) "The Princess of the Island Village of Telaga Bidadari danced gracefully to welcome the brave hero to their village and welcome him with love and joy. Their adventure was just about to begin as a great battle was coming."

Me: Wow!

Nico: Yep.

Me: But who lost that book?

Megan: Good question.

Me: LOOK OUT!

We ducked and we saw a MEGA SKARMORY AND MEGA CORVIKNIGHT!

Me: WHOA! Mega Skarmory and Mega Corviknight!

Nico: Where did they come from?!

Me: It must be Dark Gale's work.

Dr. Krankcase: Let me see.

He used Telepathy and gasped!

Dr. Krankcase: Oh wow! It's Talia Techra! She's a friend of mine and helped the Skylanders from time to time. She also has been wanting to help me get redeemed too.

Me: Wow!

Touma: Let me see.

He used Telepathy and gasped!

Touma: It's my sister Mei!

WE GASPED!

Megan: Your sister!? Oh wow!

Touma: Yep. This Book you have is hers and she is also a rider for the elemental force of water.

Me: WHOA! I thought Ryoga was the Saber Rider of Water.

Ryoga: There can be more then two! But actually I represent the Element of Time.

Me: I see but that makes sense. Lets go help her.

Dr. Krankcase: THE DOCTOR IS IN!

We went over to them.

Dr. Krankcase: Talia it's all right. It's me Dr. Krankcase.

Touma: And sis it's me Touma.

Mega Skarmory used Steel Wing on Horsea but she put her clone in front of her

It bashed the clone brutally!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

OUCH THAT HAD TO HURT!

Horsea: YIKES!

Ash: PIKACHU USE VOLT TACKLE!

Pikachu: You got it!

HE RAN FAST AND CHARGED UP LIGHTNING AND SMASHED THEM BOTH HARD IN A MASSIVE RAM ATTACK AND SMASHED THEM DOWN!

Me: Nice one!

Nico: YEAH!

Touma: WOW!

I snapped my fingers and they reverted back.

Talia was a girl with orange hair and orange eyes and had orange angel wings and the Tech Symbol of Skylanders on her forehead and she had the Tech Symbol with gears on her arm as a cutie mark.

Mei was a girl with teal hair and blue eyes and had blue angel wings and had an island with a water butterfly on her forehead and also on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

Me: YEAH!

They both woke up to see Horsea's smiling face

Talia Techra: (Groans) Huh? A Horsea?

Mei Kamiyama: I feel like I got hit by a lightning strike.

Pikachu whistled.

Horsea: You hit my clone!

Maria picked her up.

Me: Long story on that.

Dr. Krankcase: You okay Talia?

Talia Techra: Dr. Krankcase!

She hugged him!

Talia Techra: Thank goodness you're okay.

Touma: Hey sis.

Mei: (GASP) Touma!

She hugged him.

Mei: I'm glad you're okay too.

Touma: Same here.

Mei: Where are we?

Me: You're on the Swamp planet of Criam. You were both turned into a Mega Skarmory and Mega Corviknight by Dark Gale.

Talia Techra: (GASP) I remember!

Mei: Dark Gale? Who are they?

Me: Long story.

Talia Techra: Yeah that was nuts.

She was in a grey suit and injected and turned into Mega Skarmory and flew out of the lair.

FLASHBACK ENDS

Talia Techra: It was awful.

Me: I know but we destroyed Dark Gale.

Mei Kamiyama: I don't remember that. I was battling Spider Megid and defeated him. Then suddenly everything went black.

Me: I remember Spider Megid.

Megan: Yeah he was awful.

Me: Yeah. Oh.

I pulled out the Wonder Ride Book.

Me: Found this in the mud.

Mei: My book. I need that to transform.

Touma: And I was holding on to this for you.

He pulled out a sword.

Me: What sword is that?

Touma: It's called Suiryuken Mizuno Nagare or the Sword of The Water Flow.

Me: WHOA!

Mei: Thanks bro.

She took it.

Nico: Funny you know Krankcase.

Me: We have an adventure dealing with him later on today. You'll see soon.

Talia Techra: Looking forward to it.

Megan: I'm glad you are back with Touma, Mei. Oh my name is Megan McCallister and I'm the Ambassador of the Saber Riders. I helped them kill Storious.

Mei: I heard all about that! That was intense.

Me: It was! Storious was probably the most deranged villain of all the Kamen Riders out there.

Mei: That is an understatement.

Rarity: Lets get you some new clothes darlings.

The fashion brigade gave them new clothes. Talia's were orange and she had a red lightsaber. Mei's were teal blue.

Mei: We look amazing!

Nico: Damn right

Talia Techra: Yep. Oh I am the technomancer of Sonya's team and outside the team I help the Skylanders defeat the forces of Kaos. Also I help redeem Dr. Krankcase.

Me: Cool! Dr. Krankcase is in the Redemption Squad already but that is cool.

Nico: It sure is

Lincoln: (Sensed for Ruby Terranova) There! I found Ruby Terranova just as the viewing window saw. (Sensed for Nathan Devins) And I also spotted Nathan Devins, he's 200 yards away near the location and he's trying to shoot the girl dead!

We then took off into the air to rescue Ruby Terranova and kill Nathan Devins.

We were flying in the air, and we saw the next girl, Ruby Terranova, she was a cute red-haired mega hot girl with red eyes and in quicksand, but then, we saw bullets being shot right at her and we saw our main target: a male with wild brown hair, red eyes full of hatred, and wearing a red prison jumpsuit, it was Nathan Devins, my old enemy.

Nathan Devins: STAY STILL! I'm gonna enjoy killing you, bitch, before you sink in quicksand, and once that shithead fuck Knudson and all of Team Loud Phoenix Storm shows up along with those stupid Masters of Evil, I'll fuck them all up!

Me: OH, FUCK YOU, YOU PIECE OF SHIT!

Rayman fired a barrage of purple energy fists that attacked Nathan Devins with swift fury and brutality, and we landed.

Me: You've got some nerve showing your fucking face here again, Nathan! I thought I was done with you years ago, and now, I find out you and six other shitheads from the past have busted out of prison and you also kidnapped a girl and tried to make her sink in quicksand after you shot her! You haven't changed at all! You're still the same fucking asshole from long ago!

Nathan Devins: SCREW YOU, SHITHEAD KNUDSON! DIE!

Nathan Devins got out a knife and tried to stab me with it, but I broke his wrist and smashed his face in with a punch to the face, and now, he was pissed!

Nathan Devins: THAT'S IT! GET OUT HERE, BOYS!

His thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Nathan Devins big time!

STRAWBERRIES SWIRLED AROUND HER!

Strawberry Sunrise held up her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, Strawberry Sunrise then underwent an intense and amazing transformation! Strawberry Sunrise had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow strawberries on her forearms, she also got white lines on her hair and tail. She then had her Cutie Mark change into many rainbow strawberries, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW JUNGLE OF HEALING!

EVERYONE GASPED!

Me: He's one of General White's strongest weapons and who gave you trouble when you were a kid, Master Goku.

Just when I thought you couldn't get that much lower.

Lincoln morphed one of the tips of one of his 105 massive and long brown wolf tails into Cell's stinger which opened up into a large sucker and he latched it onto Major Metallitron's head and subdued him. Then, Lincoln sucked him into his tail and into his body as he absorbed him and he assimilated the Android's Superhuman strength and Combat prowess, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Nathan Devins hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Nathan Devins was on his last legs and he was really really mangled.

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chest, back, arms, legs, and stomach of Nathan Daniels, and we began absorbing him and we assimilated his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, Nathan Daniels began shrinking in height and muscle mass as his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of him one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, Nathan Daniels was shrunk back to his normal size and left as a desiccated skeleton drained of everything and we fired a blast of fire that burned him to ashes and we sent him to The Black Abyss. We cheered as we holstered our weapons and powered down.

Me: And that's 2 down, and f4 to go.

Suddenly, Ruby Terranova ran up to me and jumped me and she kissed me on the lips, arms, pecs, and twelve-pack abs, and overcome by wild love, I suddenly returned her kiss. Then, she pressed her large nude breasts and chest against my massive hairy pecs and her stomach against my twelve-pack abs causing my nose to bleed, and that alone caused my Mark of The Incubi on my left thigh to glow with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Ruby Terranova: Thank you for rescuing me.

Me: You're welcome.

Suddenly, I pinned Ruby Terranova down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my

105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Ruby Terranova with red gems on the gold flame-shaped links and red crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Ruby Terranova: (In Heaven) (Rubs my massive hairy pecs) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

Lincoln: Let's take care of The Anothers right now.

Nico: Another one done.

Me: Yep.

Qin: Thank goodness.

Laney: Yep.

Lola: I agree.

Nico: Nice job, Kecleon!

Kecleon: Thanks! That was fun.

Poromon: Want some beer?

Kecleon: Oh no thanks. I can't drink beer because it gives me explosive diarrhea.

Eli: GEEZ!

Nico: TMI!

Kecleon: Sorry.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: Me and the mascots are going to have some fun in the park later today.

Me: Okay then.

Qin: Cool.

Nico: Jake, this might sound silly but what do you like to do in your free time?

Jake Holling: Oh gosh I don't know. I haven't really given it much thought. Been so busy helping with the rangers from over the course of 48+ Years that I haven't given it though. But lets see. I want to work at the bowling alley to help people with their games.

Me: Cool! Always love going bowling.

Nico: Me too.

Poromon: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another of Lars Loud.

Lars Loud: Gasp! Another Me?

Lincoln: We'll find out soon.

Me: So we got Another Etemon, Plantomination, Greenasaur, O'Reilly, Bucelyn and Surtur.

Nico: Yep. And Jake Holling, Shinjo Takasuki, Tatsuya Midorikawa, Bunta Daichi, Kenji Asuka and Junichi Aikawa are up.

Qin: COOL!

Eli: Right, and one of them is also The Keyblade Knight of Pangaea. (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Then, one of the Anothers changed, and it was The Keyblade Knight of Pangaea, Paleona Sakura, and with her were her partner monsters, Lilim and Granity.

Lincoln: (GASPS) Paleona Sakura, The Keyblade Knight of Pangaea!

Me: Whoa! Pangaea's Keyblade Knight, awesome! (Sensed her energy) HOLY MOLY! Her energy and her power is incredibly massive!

Nico: No fooling! That's so awesome, and you know her, Lincoln?

Lincoln: I do, guys.

Anna Anyanova: And so do we, this is Paleona Sakura, Keyblade Knight of Pangaea and Goddess of Pangaea, she's Lincoln's Guardian Angel from Pangea and she's a very powerful epic force. She's the Keyblade Knight of Pangaea and she's also a master of all the intense powers of the world of Monster Rancher. She is a girl with an intense and awesome powerful story, she is the ultimate creation of the scientists of Pangaea. After the Final Gate backfired tremendously which lead to the massive cataclysm of epic proportions that resulted in much of the world being devastated and the evil Moo and the Courageous Phoenix being buried, the scientists of Pangaea made one last resort ditch effort and combined and infused the powers and DNA and skills of all the powerful monsters and their abilities and powers into that of a brave and powerful girl, and that girl was Paleona Sakura, she has all the powers and intense abilities of all the monsters including Moo and Phoenix and more and her power is enhanced 100,000,000,000,000,000 essentially making her the Goddess of Pangaea and the world of Monster Rancher. She's also the older sister of Genki Sakura and has become so proud of her little brother for all the heroic endeavors and adventures of Genki and Holly and friends. She also hates Moo for everything did and wants to make sure he suffers the ultimate price for everything he did to her world. She also knew from minute one that her brother loves Holly too and they are the perfect match made in Heaven. After his second defeat at the hands of Genki and friends and to ensure that Moo never returns to Pangaea to cause trouble ever again, she and her partner monsters Lilim and Granity used a powerful magical spell that banished Moo and his body and his evil soul from Pangaea to another dimension beyond time and space to make sure that he would never return and his reign of terror was ended once and for all. She came to Royal Woods and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, she taught Lincoln everything she knows and how to master all the powerful and intense powers and powerful and intense abilities of all the powerful monsters of Pangaea including Moo and Phoenix and more, and over time, Lincoln gained all the powerful and intense powers and powerful and intense abilities of all the powerful monsters of Pangaea including Moo and Phoenix and more and his power was enhanced 100,000,000,000,000,000 times over turning him as Paleona Sakura calls him The God of Pangaea, and she also helped him really bulk up big time in muscle. Lincoln made her an awesome fire sword, and she kissed him on the lips, and as a result, when he comes of age, he promised he'll marry her along with the rest of his harem, and she all his enemies with a passion and promised to make them suffer the same fate as Moo did.

WE GASPED!

Genki: Paleona helped us out greatly against Moo and his forces.

Paleona Sakura: You said it, Genki, and I know thanks to Anti-Monitor, Moo is back, but this time, we're ready for him, and it's so good to see you again, Lincoln, but whoa, you've grown quite a lot!

Suddenly, Lincoln pinned Paleona Sakura to a tree and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Paleona Sakura with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Paleona Sakura: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms even more around her waist and pinned her closer to his body and she really felt how much stronger he really is.

Rarity: (Snickers) Be careful, dear, he won't let go THAT easily!

Nico: There they are!

Out came Another Plantomination, Greenasaur, O'Reilly, Bucelyn and Surtur.

Me: WHOA!

Qin: This will be fun.

Another Plantomination: (In a girls voice) It sure will!

They reverted back and were the gene-slammers of Slifuria, King of Searing Skies, Hamra, King of Striking Phoenix and Obelraviel, King of Phantasm Tormentors!

Nico: (GASP) Slifuria, Hamra and Obelraviel Catrina!

Slifuria: Good to see you Nico.

Hamra: Same here.

Obelraviel: Yeah.

Nico: Yep. The Catrina sisters are my school friends and they are a group called The Sisterhood of The Sacred Egypt Powers. They are a group that have one purpose and that is to kill Egypt's enemies like Yami Marik and Yami Bakura and more.

WE GASPED!

Me: WHOA! That is amazing girls. We already killed Yami Bakura earlier.

Nico: It's true.

Slifuria: Good. That's one of our targets done.

Me: Yep. By the way girls are the rest of the Anothers friendly or hostile?

Obelraviel: Friendly and powerful too.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (TURNS DIAL) LAVA MAYHEM FORCE!

She summoned Lava Monsters (Jake and The Neverland Pirates), Ghost Vypra, Turnip King, Scarswamp, Yuterujan, Universe 666 Hexxus, Metal Men from Mercury and North Wind!

Me: OH YEAH!

Nico: And now we wait.

Me: We don't have to wait long.

We saw Another Etemon and Lars!

Me: WHOA!

Qin: There they are.

Another Etemon: (In a girls voice) This will be funky!

Nico: (GASP)

She reverted back and was the gene-slammer of Yubel The Ultimate Nightmare!

Nico: Yulia Yubel! Whoa!

Me: The gene-slammer of Yubel the Ultimate Nightmare!

Yulia Yubel: Yep and I am a deadly master of nightmares and darkness.

Me: Scary!

Yulia Yubel: But I also love gothic music and sing many of the songs of Within Temptation.

Me: SWEET!

Etemon: That is good singing baby! Uhuhuhuh!

Nico: And your friend?

Another Lars: Someone who loves his bro.

Lars hissed!

Another Lars reverted back and it was a blond hair version of him but he had dark pink clothes and piercing blue eyes and dark pink wings!

Loki: (GASP) LONDY!

The brothers went and hugged him but Lars didn't. He hates the color pink.

Lars: It's good to see you Londy. But you know I can't hug you.

Londy: Oh come on!

He grabbed him and hugged him.

But then...

WHOOSH!

HE BURSTED INTO INTENSE FLAMES AND WAS ON FIRE!

I splashed him with water!

Me: WHEW!

Lars: Thanks J.D.

Me: You're welcome but holy crud! It's like you are allergic to his colors.

Lars: Sorry but yes I am. I hate the color pink so much that it makes me burst into intense flames.

Lucy Loud: You may be my male self but I know how you feel. I hate the color pink too.

Nico: Whose counterpart is he?

Lars: He's my twin brother Londy.

Me: WHOA! He's the polar opposite of you Lars. You're all dark and gloomy and he is all sunshine and happiness.

Lars: That's right.

Nico: Wow.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

They got weapons from said rangers.

Yulia Yubel: No he didn't. I trapped him in a nightmare dimension far beyond the reach of time and space where time is expanded. He was trapped in there for 1 year. 1 year there is like 100,000,000 years.

Sakura Knudson: HOLY SHIT! That explains why he came back looking like a scared to death feral monster corpse!

Drakus: That reminds me of SCP-2701. It's a Solitary Confinement

Cell in a prison. It has the same effect on people.

Me: GEEZ!

Qin: YIKES!

Yulia Yubel: Yeah we ran away from there after that.

Sougo (gets out Operation Overdrive Ridewatch): You're Lars' twin brother, right?

Geiz (gets out Mystic Force Ridewatch): Does that mean Lucy has a twin sisters?

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Londy: That's right.

Me: We'll have to find out who they are later.

Nico: Yeah.

Lincoln: Lets separate you guys.

We did so.

Nico: Lets make this fun. (Echoing) SNAKE BANDAGE!

He fired bandages with Mummymon's power and wrapped them in bandages!

Nico: (Gets out Etemon's Ridewatch) (ECHOING) DARK NETWORK!

May: (Gets out Greenasaur's ridewatch) This will burn!

Universe 666 May: (Gets out O'Reilly's Ridewatch) (Irish Accent) The Luck of the Irish is strong with me lads!

Natilee: (Celtic Accent) Ooh nice Irish Accent lass.

Maria: (Gets out Bucelyn's ridewatch) Nature Mare Power!

Shinjo: (Gets out Plantomination's ridewatch) Nature Fury!

They used the powers of Etemon, Plantomination, Greenasaur, O'Reilly, Bucelyn and Surtur and blasted the Anothers all over the place!

Poromon: Take that!

Me: YEAH!

Then Nanobot (My Life as a Teenage Robot), Gameface (X-Squad), Voodoo, Shin Pikachu, El Niño Loco and Valkia the Bloody came.

Me: WHOA!

Jenny Wakeman: Nanobot!? I didn't know you were in the M.O.E.

Nanobot: Just got inducted into it XJ9.

Nico: Nice team though.

Nanobot: Thanks Nico.

Rikochet: (Spanish Accent) Ay Caramba! El Niño Loco!

El Niño Loco: (Spanish Accent) Buenos Dias señor Rikochet.

Me: So you are one of Rikochet's enemies?

El Niño Loco: Si. It's good to meet you Señor Knudson.

Me: Same to you. That means Buzzshock and his team next.

Buzzshock: That's right!

Me: Electrifying!

Nico: COOL!

Qin: Yep.

Then 2 vortexes appeared! One was made of poison and the other was made of Yarn Balls.

Out of them came Number 30: Acid Golem of Destruction and Number 29: Mannequin Cat!

Me: WHOA! Number 30: Acid Golem of Destruction and Number 29: Mannequin Cat!

Nico: COOL!

Number 30: (In a girls voice) It sure is!

Number 29: I agree.

Nico: Kayla Uranium and Layla Yarn!

They reverted back.

Kayla was a girl with purple hair and purple eyes and had purple angel wings and black and purple clothes and had Number 30 on her forehead, shirt and skirt and had an atomic explosion with the Uranium Periodic Table Symbol on her arm as a cutie mark and an atomic sword in her hand.

Layla had blue hair and blue eyes and had blue angel wings and had blue and purple clothes and had Number 29 on her forehead and skirt and shirt and had a yarnball on her arm with a sewing needle in it and she had a yarn magisword in her hand.

Kayla Uranium: Good to see you Nico.

Layla Yarn: We got this.

Kayla Uranium: 30 DELUGES OF ACID!

Layla Yarn: 29 YARNS OF DOOM!

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Kayla Uranium: Thanks! That was fun.

Layla Yarn: Boy it sure was.

Shinjo: Do you girls have any memories of Nico?

Kayla Uranium: We sure do. Mine is where me and Nico made a deadly electron laser blaster. We tested it in the desert and it blew apart a whole mountain into dust in a huge explosion.

Me: WHOA! That is the Tachyon Lightning Discharge Rifle!

Nico: Yep.

Me: Deadly!

Layla Yarn: Yep. Mine is where me and Nico went and visited the largest Rubberband Ball and to our shock it contained many of him.

She pointed to Buzzshock.

Ben: Wait I remember those Megawhatts! They were really mischievous there.

Gwen Tennyson: I remember them too. They were crazy.

Me: Wow! That is coincidental that you battled them too.

Layla Yarn: Yep it sure is.

Nico: Yep.

He hugged them.

Nico: I've missed you girls.

Kayla Uranium: Same here.

We went back home to Earth.

Caitlin Ashleigh: I should've known those parasites would come back, but we're going to put those parasites down for good and you're also going to absorb all their armies of thugs before we send those damn parasites to The Black Abyss forever.

Lincoln: You said it, Caitlin.

Me: I can't believe those parasites are back!

Nico: I thought we made sure they were gone for good last year.

Eli: But, when Anti-Monitor broke the seals, those parasites also got free as well.

Jake Holling: Then, we better get going and stop those parasites and fast.

We got a move on, and there, we saw the male thugs of Laura and Jake Ashleigh, Ryan MacKenzie, Eliza Cassidy, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor causing all sorts of damn havoc!

Lincoln blasted them with cold water and we landed!

Thug: YOU FUCKER! YOU'RE DEAD ALONG WITH THOSE BITCHES!

Suddenly, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

?: (Multiple Voices) YOU MOTHERFUCKING ASSHOLES!

Then, we saw our targets, Laura and Jake Ashleigh, Ryan MacKenzie, Eliza Cassidy, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, coming right at us, but we saw that Jake Ashleigh, Ryan MacKenzie, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor turned themselves into 30'0" tall hulking musclebound behemoths with massive muscles and twelve-pack abs!

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Laura and Jake Ashleigh, Ryan MacKenzie, Eliza Cassidy, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed at them with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

Ghostly Darkness Dark Moon God Ghost Protector Dark Firestorm Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Ghostly Darkness Dark Moon God Ghost Protector Dark Firestorm Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for this nightmare to end.

Adrian Morrigan went after the scumbags, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, he also attacked them by flashing the Strobulb in their faces and blinded them, and the ring of Boos around the flashlight's head fired purple energy beams at the scumbags which hit them hard.

Lincoln continued smashing the scumbags hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more, and Nico, Eli, Ymir, Camie, and I did the same as well.

Varie: UNREAL! J.D., Eli, Ymir, Camie, Nico, and Lincoln's speed and reflexes are still even faster than ever!

May: I can't keep track of their movements and they're even more stronger than ever! Look at how they're continuing to smash them all over the place!

Qin: The scumbags don't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli.

Then, Lincoln fired blasts of elements and energy at the scumbags and they got beaten up real good and they were mangled!

Then, Andre Lupescu shot at the scumbags, then, Andre Lupescu slashed at him with his massive greatsword, same with Abaddon Aeternus doing the same thing to the scumbags.

Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit them.

Eliza Cassidy and Laura Ashleigh got tied up and were placed on a gurney, and Jake Ashleigh, Ryan MacKenzie, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor got beaten up badly, and they were defeated, and we powered down.

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of Jake Ashleigh, Ryan MacKenzie, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, Jake Ashleigh, Ryan MacKenzie, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of Jake Ashleigh, Ryan MacKenzie, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: That's it for Jake Ashleigh, Ryan MacKenzie, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, what about Eliza Cassidy and Laura Ashleigh?

Lincoln: I'm going to burn them alive.

Lincoln fired five massive balls of rainbow fire and they hit Eliza Cassidy and Laura Ashleigh, and they screamed in pain as they turned to ashes and they too were sent to The Black Abyss, and after Lincoln fixed the damage with his powers, we returned home to The World Tree Estate.

Caitlin Ashleigh: That's the last time we ever have to deal with those parasites.

Monica Anniston: That's for sure.

Lincoln: This time, we made sure those parasites would never return, and fixed the damage they caused in their rampage.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long light blue hair, red eyes, massive black angel wings, she has the Sloth symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with The Pot of Sloth on it too, black Gothic stockings, dark pink fingerless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, phoenixes, and angels on the coattails, and on the back is The Pot of Sloth, and with her are the ten girls.

Lincoln: (GASPS) Aylene Nightshade, Avatar and Gene-Slammer of The Pot of Sloth and Deadly Princess of Sloth.

Aylene Nightshade: That's right, and I got the girls away and saw the whole thing go down.

Nico: Thank goodness, you didn't get caught in the mess.

Me: Otherwise, they'd have a serious problem.

Lincoln: They already had serious problems with us when they came back and started to wreck the business district again, but this time, they're done. (To Aylene Nightshade) And it's so good to see you again, Aylene.

Aylene Nightshade: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Aylene Nightshade had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aylene Nightshade was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Aylene Nightshade: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Aylene Nightshade's waist and hugged her, and Aylene Nightshade is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest

hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aylene Nightshade: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Mara Lucifer: And so do we, this is Aylene Nightshade, Avatar and Gene-Slammer of The Pot of Sloth and Deadly Princess of Sloth, she's Lincoln's Guardian Angel from Las Vegas and Adriana Nightshade's youngest sister, she's a powerful and extremely deadly dark angel who was born with the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Sloth. She's known as The Deadly Princess of Sloth and Avatar and Gene-Slammer of The Pot of Sloth, and she's a member of The Seven Deadly Princesses of Sins, a group of Lincoln's Guardian Angels who have the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the individual powers of The Seven Deadly Sins of Lust, Greed, Gluttony, Wrath, Pride, Envy, and Sloth, and they've used them to make those guilty of these sins pay with their lives. Aylene Nightshade has the power to make criminals so lazy and slothful, they can't react quickly and they're caught by the cops. Aylene Nightshade moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Sloth, and over time, Lincoln gained Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of Hell, hellfire, and the powers of Sloth, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, she's also great friends with Lucy and her friends, and she hates Nurse Sue with a blazing passion, and she swore if she saw that bitch again, she would kill her in cold blood and make sure the demons of Hell rip her to pieces!

Me: We already took down Nurse Sue and sent her to The Saturn Insane Asylum forever after she was found guilty in court.

Aylene Nightshade: I saw the trial. I knew that cow would wind up getting the book thrown at her, and here's this detail: she's also very lazy!

Rita: I knew it. I knew she was also a lazy bum!

Lincoln: Pop-Pop and the others could've gotten seriously hurt, but she didn't care in the slightest. Now, I am glad she's in the nuthouse for life, and now that you're here, Aylene.

Lincoln with his massive muscular arms still wrapped around Aylene Nightshade's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the

rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Aylene Nightshade: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aylene Nightshade with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Aylene Nightshade: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Allie Nightshade.

Aylene Nightshade had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aylene Nightshade's waist, and he leaned down to her face and kissed her on the lips, and with Aylene Nightshade's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aylene Nightshade had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Aylene Nightshade: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The ten girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ten girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ten girls are Madoka Enomoto, Miyu Kousaka, Shino Hatanaka, Wakaba Mino, and Yuri Hatanaka from Sim Love ~One Summer's Miracle~ and Aya Touma, Ki Cyril Lil La Ke, Mami Mukai, Natsuko Arima, and Yami Karino from Riding Incubus.

Lincoln: Oh whoa, it's Madoka Enomoto, Miyu Kousaka, Shino Hatanaka, Wakaba Mino, and Yuri Hatanaka from Sim Love ~One Summer's Miracle~ and Aya Touma, Ki Cyril Lil La Ke, Mami Mukai, Natsuko Arima, and Yami Karino from Riding Incubus.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, these girls are cute.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Madoka Enomoto: Yes, we're okay, thanks to you.

Then, when Madoka Enomoto and the other nine girls saw who it was that saved them from the scumbags, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going Madoka Enomoto: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Madoka Enomoto: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Madoka Enomoto, Miyu Kousaka, Shino Hatanaka, Wakaba Mino, Yuri Hatanaka, Aya Touma, Ki Cyril Lil La Ke, Mami Mukai, Natsuko Arima, and Yami Karino with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Oh man, that was one awesome and intense battle!

May: At least, we got rid of those scumbags for good.

Lincoln: You said it.

Nico: I thought we were done with them, but it looks like we were wrong.

Me: Either way, they're gone for good.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair, brown flower in her hair, brown eyes, massive brown angel wings, she has on a brown two piece bikini, and in her hand is a greatsword.

Lincoln: (GASPS) Terra Terraira, Queen of The Terrairans of Planet Terraira.

Nico: The only surviving Terrairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Terra Terraira, Queen of The Terrairans of Planet Terraira, she's Lincoln's Guardian Angel from the planet of Terraira in The Forbidden Zone. She was the Queen of the Terrairans who ruled the mountain planet of Terraira and she's also far more powerful than her own people: in addition to being a natural born fighter and having superhuman strength, immense power over earth, crystals, rocks, boulders, meteors, and lava, and the ability to grow even stronger, but she was also born with angel wings, Cosmic Geokinesis, earth, crystals, rocks, boulders, meteors, and lava, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Terra Terraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, earth, crystals, rocks, boulders, meteors, and lava, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic Awareness, earth, crystals, rocks, boulders, meteors, and lava, and all the powers of The Terrairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, strength, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a blazing passion, and she swore to bury her under thousands of tons of earth with the powers of Terraira.

Terra Terraira: And I knew Lincoln absorbed the souls of the male Terrairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Terra Terraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Terra Terraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Terra Terraira with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Terra Terraira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can

land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and kept her closer to his body even more and she really felt how much stronger he really is.

Terra Terraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Terrairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us destroyed Laura and Jake Ashleigh, Ryan MacKenzie, Eliza Cassidy, Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Allie Nightshade saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Aylene Nightshade: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Aylene, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Aylene Nightshade: That's incredible, and we'd already known just

how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Aylene Nightshade: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Caleb Maxwell got out a tape, but it was blood red and it had an aura of darkness.

Me: (GULPS) W-what is that?

Roxy Drake: Oh God, I'd recognize that tape, this was from the night of October 30th, 1985, a month after Caleb moved out of the dorms for the comforts of home, he returned to New York University, a friend of his that he'd been tutoring named Caitlin Rodriguez was doing some late night work in one of the open classrooms, and she went missing. Her roommates called campus security and told them everything, but they didn't take it seriously, so they turned to the one person who could help: Caleb.

Caleb Maxwell: I was the only one who could help, and they knew my connection with the vampires especially about the incident. But, this night would lead to the severing of my conceptions of law and order when Caitlin almost got killed by two of Drake's thugs, she would escape from them, but I would let the vampiric bloodlust and rage take over, and Cage and Travis would show up and see me killing Drake's thugs as I embrace my desire for vengeance and blood.

Caleb Maxwell put the tape in, and it played on the big screen and it showed New York on the night of October 30th, 1985, the day before Halloween and The Hallowshade Bloodbath, and then, the scene transitions to New York University, and Caleb Maxwell showed up to find Caitlin Rodriguez, the student he'd been tutoring.

Past Caleb Maxwell: Caitlin, I hope you're okay.

Caleb Maxwell headed into the campus and back into the nightmares that haunted him while he was in college, as he walked throughout the campus grounds and buildings trapped in darkness and only lit by a full moon, but he also brought a flashlight with him.

Maria: Okay, you have a flashlight, but you don't have any weapons with you.

Me: Even if that's true, New York University's a college campus and weapons aren't allowed.

We then continued watching as Caleb combed through the grounds. Suddenly, he saw something in the light: it was a journal full of notes.

Past Caleb Maxwell: It's Caitlin's notebook, she must've dropped it.

Caleb Maxwell began reading the notebook, but what he found was too shocking for words: it turns out she'd been targeted by Drake Maxwell and his goons, and they murdered her parents in cold blood two weeks ago, and that she wanted to join the NYPD.

Past Caleb Maxwell: So, that's why she wanted me to tutor her, she wanted to join the NYPD to avenge her parents' deaths. I remembered hearing about it, the incident was two weeks ago and Caitlin was now living with her grandparents after her parents were buried. I withdrew from the police academy after those incidents that led to me being consumed by revenge and bloodlust, but she didn't have a desire for revenge, only to bring justice. I had that same desire, but now that I think about it, even if guys like Drake and the other Syndicate members were put away in prison, they'd shown an absolute lack of remorse for their crimes, and if they got out, they'll do the same thing again.

Suddenly, he heard screams coming from the northern end of the campus, and he rushed there at once, and there he saw a female beige-furred cat with brown hair and brown tail and her clothes had slashes from a knife: it was Caitlin Rodriguez.

Past Caleb Maxwell: Caitlin!

He rushed in and got her untied.

Past Caitlin Rodriguez: Caleb, we need to go! It's a trap, two of Drake's thugs were the ones who did this!

Past Caleb Maxwell: What?! (Sensed them) I see you, get out here, you thugs!

Then, two of Drake's thugs came out, and they threw two knives at them, and they got Caleb on the cheek, and Caitlin ran.

Thug: DIE, BITCH!

The thugs tried to stab her in the back, but suddenly, Caleb summoned his guns and he shot them in the arms, and that led to Caitlin being able to escape with her life and she ran to her car and drove home to her grandparents.

Thug: WHAT THE HELL! YOU JUST RUINED OUR...!

Past Caleb Maxwell: Shut up, you filthy maggots!

Suddenly, the air grew darker and colder as Caleb's voice grew ice cold, as he suddenly kicked the two thugs out of the campus and out into the city with him following them.

Past Caleb Maxwell: I always knew Drake would send two thugs to attack one of the students in the campus. You two are nothing more than pieces of shit, if it were the old me, I'd take you down and get the cops involved.

Then, the vampiric bloodlust and rage he had in him finally took over as his eyes turned crimson red.

Thug: WHAT THE?!

Past Caleb Maxwell: But, because my hatred towards your boss and all of you has proven unstable, I am not going to let you two leave here alive!

Thug 2: HUH!?

Past Caleb Maxwell: You two are nothing but parasites, and there's only one cure for parasites like you!

Caleb said that with a very psychotic and sadistic tone of voice as he fired at them, and the thugs tried to dodge them, but they got hit in the legs and Caleb rushed at them.

Past Caleb Maxwell: I almost forgot, SAY BYE TO YOUR EYES!

SLASH! SLASH! SQUELCH! SQUELCH! SCREAMS!

CALEB MAXWELL GOT OUT A KNIFE AND SLASHED THEIR EYES OUT BLINDING THEM!

Allie Maxwell: That's just what I did to Aresia before we removed Dark Aresia from her, and she still carried the slashed out eyes while Aresia herself had her eyes restored. Caleb slashed out their eyes the night he let the vampiric bloodlust and rage take over.

Then, Caleb went at the two blinded thugs, and he smashed his feet right at their legs and broke them so horribly and he heard their bones crack and break and they screamed in agony! Then, it got a whole lot worse when Caleb actually summoned demon hands that grabbed their legs and began pulling in opposite directions and their ligaments broke even more!

Thugs: (SCREAMS OF AGONY)

IT WAS SO PAINFUL, SOME OF US ALMOST THREW UP! THEN, THE DEMON HANDS DISAPPEAR AND THE THUGS LANDED ON THE FLOOR!

Thug: Please, spare us! We're sorry!

Thug 2: We'll turn ourselves in to the police! So, please don't kill us!

But, it was too late as Caleb approached them with a psychotic grin on his face!

ORGAN MUSIC PLAYS

Past Caleb Maxwell: Too late! Rot in Hell, you pieces of shit! You're finished!

Finally, Caleb Maxwell consumed by vampiric bloodlust and rage proceeded to punch and beat them mercilessly into the dirt, every punch he delivered unto them caused them to cough up blood and it splashed onto Caleb, but he didn't even flinch, he kept on attacking them and beating them until they finally drew their last breath, and Caleb was covered head to toe in blood.

Needless to say, we were horrified!

Me: OH MY GOD!

Nico: DAMN! THAT WAS HORRIFIC!

Caleb got up from the ground, but when he saw what he did, he knew his choice was clear: his former conceptions of law and order were forever severed, and he knew there was no going back, but his choices in the past already sealed his fate as he fell to his knees.

Past Caleb Maxwell: So, this is it..., my conceptions of law and order have been destroyed, and I gave in to my desire for revenge. How could this be? All I wanted was to live my life, but no. No one wants me to live the life I wanted, they all want me to die.

?: (Chuckles) Well, well, looks like someone has snapped and finally let the bloodlust and rage out.

Caleb didn't turn around, but he knew that Cage Blunt and Travis Tackett have come out.

Past Caleb Maxwell: You...!

Past Travis Tackett: Looks like you've finally given into bloodlust and rage. You realize you just put yourself in a very dangerous position.

Past Cage Blunt: And you're going to be facing a far more dangerous situation. (Smirks) How does it feel knowing you just sealed your own fate, and even worse, it's through your own doing.

Past Caleb Maxwell: Shut up. You think that I wanted this to happen to me, you think I like killing thugs like them? All I wanted was to live a life that I wanted to create, but even that can't come true, not with my past always haunting me.

Past Travis Tackett: And yet, you gave in to your bloodlust and rage, and look at what happened.

Past Cage Blunt: (Smirks) I think it's pretty obvious your future is already done along with your life, you just tore your own life apart, and you can't do anything to get your life back, how humiliating for you.

Finally, Caleb Maxwell lost it big time as he glared at Cage and Travis with hatred and he got up and he ran at them!

Past Caleb Maxwell: YOU SHUT YOUR DAMN MOUTHS UP RIGHT NOW! YOU THINK YOU KNOW ME?! YOU DON'T ANYTHING ABOUT THE LIVING HELL THAT MY LIFE HAS BECOME!

Caleb raised his right fist and he was about to punch Cage Blunt in the face, but he caught it with his right hand, and the angry young man used his left fist and tried to punch him again, but Cage caught it with his left hand. Finally, Caleb tried to headbutt him, but Cage kicked him in the stomach and sent him flying into a wall with his vampiric strength.

Past Caleb Maxwell: YOU GODDAMN...!

Caleb became too enraged and tried to attack again, but then, the two vampires rushed at him!

Past Cage Blunt and Travis Tackett: STAY DOWN! HAH!

THEY PUNCHED HIM HARD IN THE STOMACH AND CHEST, BUT THEIR VAMPIRIC STRENGTH CAUSED CALEB TO LET OUT AN UNGODLY SCREAM OF PAIN AS HE FELL TO HIS KNEES!

Past Cage Blunt: I think we've had enough fun.

Past Travis Tackett: I was hoping he'd last longer. Oh well.

They flew off leaving Caleb Maxwell in pain as everything he went through tonight really rushed through his head, and with what Cage and Travis said was true: he sealed his own fate with the choices he'd made, and now, when Drake recovers, he would soon pay a far greater price for it, all of the pain, the sadness, the anger, the sorrow, the hatred, all of it became far too much for him.

Finally, he let out a very loud and very angry scream of pure rage, hatred, anger, pain, sadness, and sorrow which reached the Heavens, the bowels of Hell, and throughout all of New York as the video ends.

Me: Damn...!

Nico: Okay, that was really brutal. I think you two went too far that day.

Travis Tackett: Drinking demon blood did that to us and we were also young, and unaware of Caleb's suffering, or rather, he kept it hidden.

Cage Blunt: And Caleb really lost it big time, and that baptism of blood, it's what led to his concept of law and order shattering for good, and that also led to his dangerous and darker side emerging, but it wouldn't be fully revealed.

Lincoln: Until the night he returned to New York for one thing: revenge.

Roxy Drake: Exactly.

We got a shower, and then, Lincoln, Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan were heading to Empire Beach in Michigan.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan were dressed in colored two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan were had feelings for Lincoln when Earth and Venus introduced their sisters to Lincoln, and he also had feelings for them and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Mercury: Wow, so this is Empire Beach in Michigan, it sure is beautiful.

Lincoln: It sure is, Mercury, and it's perfect for our first date. Shall we?

Lincoln, Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan a deep tissue massage, and when he was done with that, Tina Rex was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Mars: (Swooning) Oh man, Earth and Venus were right. What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan and they hugged them in their abnormally massive and powerful muscular arms, and Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan placed their hands on the massive hairy pecs of Lincoln and his clones, but he wasn't done. Then, he had them lying down on a beach towel with him and his clones on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Empire Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with seven white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan are in your harem, Linky.

Mercury Chan, Mars Chan, Jupiter Chan, Saturn Chan, Uranus Chan, Neptune Chan, and Pluto Chan showed the marks Lincoln made on the right side of their trapezius.

Earth: I knew it was a great idea introducing our sisters to Linky.

Venus: Yep.

Jenna: You had no trouble at all.

Jupiter Chan: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip,

Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the next Skylanders adventure.

Nico: Who's next?

Me: Talia Techra, Pinkie Pie, Piper, Maud Pie, Citrine Pie, Gearshift, Jawbreaker, Trigger Happy, Drill Sergeant, Blade Man and Sword Man. We're going after Dr. Krankcase next.

Pinkie Pie: This is gonna be the most fun ever!

Talia Techra: Pinkie is sure excited!

Me: She gets excited about everything like it's the Party of the Century.

Applejack: It's true.

Kaos was with us.

Kaos: My old Wilikin Workshop is where I built most of my friends. My mother said I wouldn't be able to make many friends. But I proved her wrong.

Talia Techra: Yes you did. I'm amazed that you are now part of the M.O.E.

Krystal Von Kaos: My little brother has learned a lot ever since joining them as Twilight Sparkle's Archenemy.

Twilight Sparkle: Yep.

Me: Cool.

Pinkie Pie: Lets get a move on!

They went in and they went into the Simulator and they were at the

Wilikin Workshop!

PInkie Pie: OOH! So this is Kaos's Wilikin Factory!

Citrine Pie: It sure is amazing.

Talia Techra: Dr. Krankcase turned it into his own robot factory.

Nico: He sure has.

Maud Pie: (Monotonously) We better be on the lookout for anything Dr. Krankcase has in store.

Talia Techra: Okay I know where to go.

Jawbreaker: We'll follow your lead Talia.

They followed her and flew to the factory.

Pinkie Pie saw many of Kaos's friends of the Wilikins.

Pinkie Pie: Ooh! Many of Kaos's friends remind me of Mr. Coconuts.

Me: That's really cool! They are living puppets.

Kaos: Yeah my friends are Wilikins and they are puppets I made into my friends.

Luan: They would get along great with me and Mr. Coconuts.

Mr. Coconuts: You got that right toots.

Me: They would be perfect members of Skylander Academy as well as the team.

Qin: I agree there.

Nico: Where is he?

Talia: He's in that tower.

They saw the tower.

Pinkie Pie: Lets go!

We went in and we were greeted by DR. KRANKCASE!

No one is really quite sure exactly what Dr. Krankcase is a doctor of... but his technical engineering achievements are legendary. The secret to his success lies in his modified concoction of glowing green goo, which causes wooden objects to come to life and turn evil. His unique skillset makes him a valuable asset to the Doom Raiders, who have plenty of nefarious uses for evil wooden creatures called Evilikin. It is also commonly known that Dr. Krankcase served as an evil inspiration to Kaos once upon a time, who had figured out how to make his own wooden creatures, the Wilikin, come to life after reading about the doctor's exploits in the Minion Monthly Catalog. Kaos also respected Dr. K's interest in world domination and doom engineering, not to mention his well-documented love of pickles.

Dr. Krankcase, and the other Doom Raiders, were freed from Cloudcracker Prison by Kaos who attempted to assume leadership over the villainous group. However the villains were more willing to follow the orders of their original leader, the Golden Queen. Dr. Krankcase created an Ultimate Weapon to harness the power of Traptanium for the Doom Raiders to use for their evil ends. When the Skylanders shut off the supply of goo needed to power the weapon, Dr. Krankcase quickly found a solution to the problem to avoid the Golden Queen's wrath. The mad scientist explained that by burying a slice of cheese, it can grow incredibly stinky 10,000 years in the future where the Doom Raiders can retrieve it and bring it back to the present.

Since a Portal Master was needed to travel through time, Dr. Krankcase and Wolfgang were assigned to retrieve Kaos. The Skylanders confronted Dr. Krankcase in his workshop and he engaged them in battle, capturing Kaos in the process. During the fight, Wolfgang arrived, and the mad scientist was left on his own when the werewolf only came to collect Kaos and take him to Time Town. Dr. Krankcase was eventually defeated despite the best of his abilities, and was captured shortly afterwards.

After his capture, the Skylanders took him to Time Town (which is where Wolfgang was holding Kaos hostage) for his Villain Quest called "Diorama Drama", provided by a Wilikin named Leyland. He wanted the mad doctor to see a diorama to see if he found it fun. However, Krankcase instead melted it with goo gun, much to Leyland's horror, though he hinted that there might be a surprise behind it. Krankcase was then awarded with the Wilikin's thanks, a new outfit, and the Bobby hat.

During the Annual Mabu Meander, Dr. Krankcase attempted to enter the race and win despite being in a clear advantage over the Mabu children. Knight Mare quickly entered the race as well and chased after the villain. Despite his efforts to slow the Dark Trap Master down, Dr. Krankcase was knocked into a tree by Knight Mare, allowing the Mabu to race fairly.

Dr. Krankcase and the other Doom Raiders infiltrated Skylanders Academy by posing as a music band called "The Evil Imposters". Once they ambushed the school staff and scared off the guests, Krankcase began looking through the diplomas of the Skylander students, remarking that they don't have what it took to be evil. He was suddenly sprayed with a blast of water by the Minis, Gill Runt, Terrabite, and Thumpling, and chased after them in a fit of rage. Unknowingly, Dr. Krankcase was led into a trap set by the Minis and wound up getting himself knocked unconscious along with Wolfgang.

Before the events of Imaginators, Dr. Krankcase was responsible for the creation of Boom Bloom.

After being captured by the Trap Masters, Eon gave some of the villains a choice – either go back to a newly reformed Cloudcracker Prison or become a Skylander Sensei, teaching a new generation of Imaginators his formidable battle skills as well as how to stay clear of a life of crime. Krankcase, and few of the other Doom Raiders, accepted this deal but first had to prove themselves by helping to re-arrange all the books in the Academy's library, a task which took almost two years, testing every ounce of will he had. And his knowledge of the alphabet. Now he uses that newfound knowledge to train Imaginators on the A, B, Cs of shooting, as the master of the Quickshot Class.

Dr. Krankcase: Well hello there! My name is Dr. Krankcase, and you, you must the Skylanders I've heard so much about, yes? No really, I'm asking. Just wanna make sure I'm talking to the right guy here. Oh great great, alright!

Talia Techra: Hello doctor. Been a long time!

Dr, Krankcase: Talia!? You're alive!

Talia Techra: Of course I am. Lets just say that I had an unavoidable case of circumstances involving my absence.

Dr. Krankcase: So I see.

Talia Techra: Yeah. Dark Gale turned me into a Mega Skarmory.

Citrine Pie: It's true.

Dr. Krankcase: I see.

Talia Techra: Yeah.

Dr. Krankcase: Dreamcatcher should've done a lot better using her dream powers. Fortunately, the robots I made are much more mature.

Me: Yeah those were a LITTLE too young for all of us but it brought back a lot of memories.

Qin: Lets see what you got!

Then we heard the familiar theme of Michael Myers and out came a ROBOT THAT LOOKED LIKE MICHAEL MYERS!

WE GASPED!

Dr. Krankcase: Like it? This is my newest invention. Meet the Horror Movie Evilikin! I made them out of inspiration of the great horror movie slashers.

Nico: WHOA!

Me: This will serve as a good warmup for when Halloween comes!

Krankcase: And that's not all!

We saw robots that looked like Norman Bates, Chucky, Jason Voorhees, Leatherface, Freddy Krueger, The Harvester, Ghostface, Turkie, The Thing, Jigsaw, The Headless Horseman and MANY MORE!

Me: HOLY CRUD!

Eli: You have really been busy making these!

Dr. Krankcase: I sure have. The Harvester was a little something extra I came up with.

Me: No worries. We destroyed him on Liam's day already.

Nico: This is a lot more mature!

Me: And more our standards! I have a feeling we're going to battle Turkie on Thanksgiving in the future. We'll eat him for dinner like we did before!

Turkie Robot: Gobble Gobble!

Nico: Shut up beakface!

Me: LETS GET THEM!

Pinkie Pie: IT'S PARTY TIME!

Talia Techra: THE DOCTOR IS IN!

Gearshift: ALL GEARED UP!

Jawbreaker: DOWN FOR THE COUNT!

Trigger Happy: (LAUGHS) NO GOLD NO GLORY!

Drill Sergeant: (Techno Voice) LICENSE TO DRILL! HUP HUP UP!

Chucky hurled a knife at me!

Nico took it and threw it back and Pinkie Pie fired waves of confetti bombs and blew the Chucky Robot into pieces!

I slashed the Michael Myers robot and kicked him Maud smashed him into sawdust!

Nicole: I remember when we first met Maud, she had the intense power to smash an entire boulder into pebbles as well as hurl a HUGE boulder into the ground with the force of a meteor impact.

Ymir: Really!? WHOA! That is powerful!

Turkie jumped on Nico.

Turkie: Gobble Gobble!

Nico: Motherfucker!

Nico punched him and smashed him into dust!

I fired blasts of fire at the Thing robot and incinerated it and it released a massive excruciating scream that sounded like a million creatures in pain screaming all at once.

Ymir: (GULP) That was horrifying!

Nicole: You haven't seen anything yet Ymir. The Thing scared Kate and MacReady so bad that it traumatized them forever.

Freddy: Welcome to my nightmare!

Natilee: Well I'M YOUR Worst Nightmare!

She fired a dream blast and turned him into a bagpipes. Maggie Simpson put a cork in his pipe and he inflated and exploded! (SEASON 7 EPISODE 6B)

Bart Simpson: WHOA! Me and Lisa and Maggie defeated Willie like that back then.

Jamesdean5842: I'll never forget that. That was one of the first ever episodes of Treehouse of Horror that I remember watching.

Bart Simpson: Cool!

Nico: How many left?

Jawbreaker, Gearshift, Trigger Happy, Drill Sergeant and Talia destroyed the robots that looked like Norman Bates, Ghostface, Jason Voorhees, and the others.

Nico: Well that was fun.

Me: YEAH! WOW! What a great warmup.

Dr. Krankcase: Glad you all liked it.

Talia Techra: Just like old times huh doctor?

Dr. Krankcase: Indeed. Lets dance then!

We went at him and blasted him intensely.

Pinkie Pie: Lets get him!

Talia Techra, Pinkie Pie, Piper, Maud Pie, Citrine Pie, Gearshift, Jawbreaker, Trigger Happy, Drill Sergeant, Blade Man and Sword Man: TECH DRAGON MEGABLAST!

They fired a massive blast of energy and it formed into a dragon and it slammed into Dr. Krankcase and defeated him!

DR. KRANKCASE DEFEATED!

Pinkie PIe: Time for some Trap Fun!

She held up a yellow Tech Trap!

A yellow vortex appeared!

Dr. Krankcase: A vortex! I've really been trying to stay out of those things lately!"

It was sucking him in and his hat went in first!

Dr. Krankcase: "Oh that hat only had two weeks 'till retiremeeeennnnnttt...!"

He was sucked into the trap!

Dr. Krankcase: "Captured? Me? That doesn't sound like something that would happen to me! Although that would explain the vortex."

DR. KRANKCASE TRAPPED!

Pinkie Pie: Now you have to do what I say or else no more parties for you!

Dr. Krankcase: "Okay okay I see, do good stuff instead of bad stuff. Got it."

Nico: Still have your hat?

Dr. Krankcase: Yep. Just put it on now.

Me: Good.

We came out and everyone cheered!

Me: YEAH! That was awesome!

Pinkie Pie: That was THE BEST FUN EVER!

Me: YEAH! Next up is Wolfgang.

Lucy Loud: Me and my team will go next on that one.

Me: Awesome.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss

and they'd since healed and repaired things with Lincoln.

Lars: Lets have fun in the park.

Poromon: Good idea. We're off guys.

Me: Have fun.

They went to the planet and went to the park.

We were listening to music on the radio.

Announcer: (On the radio) Your attention please! We interrupt this program to bring you this urgent warning. A White Mouse has escaped from the experimental laboratories in the Early Morning House around dawn. Before escaping he consumed enough of a long forgotten secret explosive made during the Cold War to blow up 40 cities!

WE GASPED!

Me: WHOA MAN!

Nico: THAT'S NOT GOOD!

Announcer: If you see this white mouse, telephone officials at once! And whatever you do, remember, the slightest jar will explode this white mouse and destroy much of the country! Be careful! (Crying) PLEASE! BE CAREFUL!

Lucy Loud: GASP! This is terrible!

Vince: Wait I heard about a long forgotten Cold War project that was thought to have been dead long ago.

Vince pulled up a blueprint for that and it was called Project Dairybomb.

Nico: Project Dairybomb?

Vince: It was a long forgotten Cold War Project from 40 years ago. It was to make explosive cheese wheels made from nitroglycerin and unstable explosive chemicals and bomb Russia.

In the park the mascots and Lars were having fun.

Poromon: Lets get some hot dogs.

Lars: I could go for some hot dogs.

Lars had a black umbrella up because he doesn't like the sun.

They got some hot dogs.

They ate them.

Poromon: Mmm! Delicious.

Poliwag: It sure is.

Then they heard rustling in the bushs.

Poliwag: What was that?

Poliwag looked in the bushes and found a white mouse! It had blue eyes and white fur.

Poliwag: Oh hello little fella.

We were shaking.

Lucy: Oh no. The mascots and Lars didn't hear the announcement

Me: They went down to the park.

Jerry: Boy this reminds me of a time when me and Tom encountered a mouse like that.

Me: Really Jerry?

Tom: Yeah that was crazy. Look.

He showed us the old 1953 cartoon The Missing Mouse.

Tom is playing pranks as usual on Jerry when Jerry attempts to get food. When Jerry gets an orange, Tom shuts the door on the orange and the juice then splatters Jerry. Jerry attempts to run, but fails when Tom hits him with two grape pies and attempts to deliberately snap his tail to a mousetrap. Jerry, not looking where he is going, runs flat-out into the wall next to his mousehole, leaving a dent and causing a bottle of white shoe polish to fall and douse him, making him look white.

Tom laughs heartily at Jerry's misfortune, and then goes back to reading a magazine and listens to the radio until a breaking news story is announced:

Announcer: Your attention please! We interrupt this broadcast to bring you this urgent warning. A white mouse has just escaped from the experimental laboratories! Before escaping, he consumed enough of a new secret explosive to blow up an entire city! If you see this white mouse, telephone officials at once! And whatever you do, remember! The slightest jar will explode this white mouse and destroy the entire city! Be careful! Please, be careful!

Tom is frightened by this announcement, while Jerry realizes Tom will think he is the white mouse and decides to get a bit of revenge. Tom breaks open some nuts with a hammer and eats them to calm his nerves, only to stop the hammer inches away from Jerry's head when he picks him up by accident. When he sees the "white mouse", Tom's hammer droops like spaghetti, and as he does a double take in fear before leaping away from Jerry, Tom moves toward the phone, and tries to call the police, but fails when Jerry distracts him and falls toward the floor which Tom saves him by putting a pillow for Jerry's landing.

Tom tries again to call the police, but fails twice when Jerry knocks down the piano lid and Tom saves Jerry once again by using his own head to stop the lid from falling on Jerry. Tom tries to call the police once again, but fails thrice when Jerry leaps from the top of a cupboard, just as Tom is forced to blow him back up to safety. Jerry pushes a clothes iron off the counter toward Tom's face; he blows until he is purple in the face and manages to keep it airborne for a surprising five seconds before the iron inevitably lands on his face with a huge bang, flattening his head into the shape of the iron.

Tom tries to grab Jerry, but stops dead when the mouse threatens to "detonate" himself with a hammer strike to the head. When Tom offers up his own head, Jerry obligingly whacks out a rhythm on Tom's skull. Jerry then gets distracted by cookies, and as Tom gets a chance to take the hammer away, Jerry jumps up and down on the counter and then does not notice the sink full of water and falls in the sink. Jerry's cover gets blown when the white paint on his body gets washed away, and much to his delight, Tom then hammers him into the counter like a nail before taking him to a mirror, revealing the deception. Jerry giggles bashfully in a feeble attempt to laugh the whole thing off and is taken to be kicked out.

Meanwhile, the real white mouse comes into the house when Tom kicks Jerry out and eats some nuts. Tom hears the cracking of the nuts shells and thinks that Jerry is trying to fool him again and tries to hit the white mouse with a hammer and gleefully tries to wash the "Polish" off, but is surprised to learn that it would not come off. He tries to wash the mouse with a washboard, and then a whistling is heard, Tom turns to see a grinning Jerry nearby who waves at him. Tom realizes he is holding the real white mouse, and as he does notice by mistake, the shock of it causes him to age into a feeble, trembling old man. Tom gently puts the mouse down and goes to the phone. Before Tom can phone the police, the radio announcer comes back on the air with new developments:

Announcer: Your attention please! We have just learned from laboratory officials that the explosive contained in the white mouse is no longer dangerous. And they have assured us the mouse will not explode.

Tom cheers up happily at the news, reverting back to his original age in the process, and smugly tries to throw the white mouse out of the house and Jerry makes his escape in order to survive, but just when Tom's foot makes contact with the mouse, he explodes and the city is nuked. Nothing more is left of the entire neighborhood but rubble and the speaker of the radio which states:

Announcer: We repeat, the white mouse will not explode.

Tom emerges from the crater half-dead and drones, "Don't you believe it!" in protest.

Me: Boy that was one of my favorites.

Nico: Mine too.

Tom: Yeah that was crazy though. I didn't expect the White Mouse to show up at our house.

Me: Yeah no kidding.

Then the door opened and in came the mascots.

Poliwag: Look at our new friend!

We saw THE WHITE MOUSE!

TOM SHRIEKED IN TERROR!

WE GASPED!

Me: Poliwag give that mouse to us. He was turned into a living bomb!

Poliwag: What do you mean?

Me: Well 20 minutes ago we got an announcement on the radio.

We told them everything and they gasped in shock!

Horsea: You guys are being ridiculous. Here, let me jump on his head.

Horsea started jumping on his head

Flamewar: HORSEA, NO!

Fluttershy grabbed the mouse and protected it.

Fluttershy: Oh there there.

Maria: Horsea we're being serious.

Me: It was part of a long forgotten cold war project from 40 years ago.

Nico: Yeah.

We showed the cartoon.

Horsea: WHOA MAN! I'm sorry guys!

Nico: It's okay.

Fluttershy: We'll take this guy to the lab for safety.

Vince: I'll go and tell the president too.

Me: Okay.

Afterburner: Let's take the bomb out

Me: It's a cheese wheel bomb. But I can do this.

I snapped my fingers and the Cheese Wheel Bomb came to us and the chunks it ate came back to it and it was whole again.

Me: Ooh a cheddar cheese wheel bomb.

Nico: Much better.

Me: We better keep this under last minute resort use only.

Nico: Good idea.

Then Laney came in.

Laney: Guys look here.

Laney brought in 2 new Pokemon with her.

Me: Whoa a Mega Lucario and Mega Aurorus! Where did you find them Laney?

Laney: They came up to me as I was reading my books and I gave them some apples and brought them in.

Nico: Where did they come from?

Me: They must be some of Dark Gale's handiwork.

Kaito: Lets see.

He and Zocks used telepathy on them and gasped!

Zocks danced and the Mascots and Will danced with him!

Will: YEAH! We love dancing!

Zocks: The Mega Aurorus is my sister Lola

Kaito: And the Mega Lucario is my sister Kiara. Kiara is the Changeman themed Zenkaiger, Zenkaiaura.

Zocks: And the Mega Aurorus is the Goseiger themed Zenkaiger, Threekaizer.

Me: WHOA! Cool!

Zarya: That is amazing!

Me: Lets go over.

We went over.

Kaito: Kiara it's okay it's me Kaito.

Mega Lucario: (In a girls voice) (Telepathically) Kaito? It is you!

She hugged him.

Me: Whoa!

May: Just like when we met Lucario. He can speak telepathically too.

Me: I remember that! That was amazing.

Zocks: And Lola it's me Zocks. You remember me and Flint right?

Mega Aurorus used Blizzard on us.

I flared up intense fire and melted the ice.

Me: WHOA! Cold.

Qin: Yeah!

Me: Okay then.

Mega Lucario: Allow me.

She blasted it down with an aura sphere.

Fu: Just like me! I use Aura Sphere attacks myself.

Ymir: Really?

Fu: It's a hidden ability bestowed onto a few in the Hidden Waterfall.

Me: Long story but it's true.

Nico: Yep.

I snapped my fingers and they reverted back. Kiara was a girl with teal blue hair, blue wolf ears, blue eyes, blue sparkling angel wings and had a symbol of the Wolf Moon with the Changeman and Zenkaigers Symbols on her forehead and on her arm as a cutie mark and had a blue tail coming out of her butt.

Lola had golden yellow hair, purple eyes, purple angel wings and had a Nebula and the Triple Goddess with a pentagram symbol and the Goseigers and Zenkaigers symbol on her forehead and arm as a cutie mark.

We wrapped them in blankets and brought them over to the sofa.

Kiara Goshikida: (Groan) That was rough.

Kaito: I know sis. But you're okay now.

They hugged.

Kaito: Thank goodness you're safe.

Kiara: I am too.

Lola woke up.

Lola Goldtsuiker: (Groans) I feel like I got hit by Bokkowaus times a thousand.

Zocks: Hey sis.

She saw Zocks.

Lola Goldtsuiker: Zocks!

They danced as a greeting and hugged.

Me: Dancing sure runs in their family.

Nico: (to Kiara) I take it you had control of your mind?

Kiara: I sure did. Because my aura is so strong and Lucario is known as the Aura Pokemon. Also I can do this. WOLF POWER!

SHE FLARED UP A TEAL AURA THAT LOOKED LIKE A WOLF HOWLING!

WOLF HOWL!

She fired a beam of moonlight and it hit the wall and exploded!

KRABBBBBBBBBOOOOOOOOOOOOMMMMM!

It blasted a hole in the wall

Me: WHOA! That was powerful!

Zarya: It sure was!

Me: Just like the Changeman back in 1987!

Hiryu Tsurugi: Those were good times.

Me: Yep. The Changeman Auras are really amazing. We all can do them too.

Nico: It's true.

Qin: Yeah.

Nico: I expected you to hurl an Aura Sphere at us. But then again, that would've been too obvious.

Kiara: I can do anything with Aura.

Me: Wow! That is amazing! Also you both were turned into a Mega Lucario and a Mega Aurorus by Dark Gale.

Lola Goldtsuiker: Is that right? Well we actually were fighting one of the World Monsters when it happened.

Me: Which one?

Kiara: It was Asmodeus.

Zocks gasped and Reika and Ryoga Shindai snarled!

Me: I remember Asmodeus! He was the very monster that lead to the teamup with the Saber Riders and Zocks.

Taro: I don't recall that one.

Kaito: You weren't in action at the time

Me: Also Zocks swiped Reika and Ryoga's books from them.

Megan: Hence why they had a NASTY Grudge against him when they crossed paths on my big day mission 2 years ago.

Lola Goldtsuiker: Geez!

Lola Loud: Yeah.

Me: Also you two will be happy to know that we destroyed Super Warumono World and Bokkawaus forever.

Zarya: We defeated Super Warumono World 2 years ago on my big day and Bokkawaus was permanently destroyed last week.

Me: Yep.

Kiara: Good riddance.

Me: Yep.

Rarity: Lets get you both some new clothes darlings.

The fashion brigade gave them new clothes. Kiara had teal blue clothes and a moon sword and Kaito gave her morpher to her. Lola got yellow and purple clothes and a star sword and Zocks gave her morpher to her.

Lola Goldtsuiker: We look great!

Me: You sure do.

Long Haul: How's the mouse?

Lisa Loud: Explosive free and 100% healthy and safe.

Me: Good.

Poliwag: We didn't know the mouse was a bomb!

Me: You weren't around to hear the announcement. But thank goodness you brought the mouse over to us

Ed: (To Horsea) Is it my turn to jump on your head?

Eddy: Shut up Ed.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was our old enemy, Pazuzu, he's back again for revenge and he's possessed Regan again! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: OH, HELL NO! PAZUZU, YOU SON OF A BITCH!

Eli: It's time.

Lincoln: That it is, Eli!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it's our old enemy, Pazuzu, he's back again for revenge and he's possessed Regan again!

EVERYONE GASPED!

Lucy Loud: Gasp! Pazuzu has returned!

Lars Loud: This is just as we feared.

Caleb Maxwell: Pazuzu?! From The Exorcist?! Oh God, of all the monsters and demons from the horror movies of the 70s that I dared not to see when I was a kid, Pazuzu was the worst!

Lincoln: When we started out, he possessed Lucy and she got her powers of darkness.

Me: And he possessed Regan again and went after another person. He just doesn't know when to quit. But, this is the last straw.

Nico: You're right. This time, Pazuzu is done for, he's getting The Black Abyss forever after we get him out of Regan with The Lord's Prayer. Alright, let's get going, this is the final time we ever have to deal with Pazuzu.

Lincoln: He's had this coming for 52 years since 1973, now we'll make sure he never returns.

Ymir: Who is Pazuzu?

Me: He's a Demon from Babylonian Myth and he is also the main bad guy from the movie The Exorcist.

I went over his history.

Pazuzu is the main antagonist of The Exorcist franchise. It is a powerful demon who was based loosely on a mythological figure native to the Mesopotamian culture where he was considered the king of wind demons and son of the Babylonian god Hanbi.

In the original book and film, Pazuzu was the demon that possessed Regan. This was its most famous outing, but it had also appeared in all five Exorcist films as well as Fox's 2016-2017 TV series.

Pazuzu's face was portrayed by Eileen Dietz.

In this prequel to The Exorcist, Pazuzu lorded over a pagan temple, systematically murdering anyone that came to the temple. The sole survivor that would remain is often a priest. Towards the end of the film, the only survivors of Pazuzu's massacre were Father Merrin and a young boy.

Pazuzu possessed a young and handicapped boy named Cheche at Derati. Father Merrin exorcized the young kid and Pazuzu possessed a hyena. The hyena left Derati.

In the novel and film adaption, Pazuzu managed to possess Regan after she played with an Ouija board (appearing to her in form of the now-infamous demon called "Captain Howdy"), turning her into a hideous vessel for it to mercilessly taunt and abuse those around itself while also displaying major supernatural powers that increased as the story progressed. It presumably grew in strength as the demon took more and more control over Regan's hapless form - which twisted her into a demonic parody of her former self which included behaviors like vigorous masturbation with a crucifix, demanding people to have sex with her, and yelling sexual insults at people.

Regan's mother became desperate and sought two priests to exorcise the demon from her daughter after several failed attempts to solve the problem by more scientific methods (with Regan violently attacking doctors and therapists). That proved trickier than expected as even the priests were reluctant to perform an exorcism due to the belief that such things were confined to the Dark Ages.

However, Father Karras and Father Merrin eventually arrived to perform the exorcism regardless. The battle with Pazuzu was a terrifying rollercoaster for the two priests, who struggled to contain the vast powers of the creature. Sadly, the battle proved too much for Father Merrin, who died of a heart attack during the exorcism. Father Karras became enraged when Pazuzu mockingly laughs at his futile attempts to revive Father Merrin while demanding him to give it up and was possessed by the demon after forcing it out of Regan through physical force upon which the priest leaped out of the window to his death. Presumably, without a human host, Pazuzu was dispersed when the two priests died, but it returned in the future sequels of the novel and film.

Pazuzu plays a crucial role and was also instrumental in revenge against Father Damien Karras for being exorcised from Regan's soul. Pazuzu discovers the soul of an executed serial killer known as the The Gemini Killer, and he transfers it into Karras' broken body thus contributing to the Gemini Killer's chaotic killing spree.

The novel makes no mention of Pazuzu soon after he succeeded in transferring the Gemini's consciousness within Karras but plays an active role in the film adaptation of Legion titled The Exorcist III, where he again possesses Damien Karras after the Gemini lost control in possessing the old woman dressed as a nurse, and failed to murder Kinderman and his family by the arrival of Father Morning in an attempt to perform an exorcism on the patient.

Pazuzu severely wounded and mutilated Morning in response to interrupting the Gemini's killing spree, and Kinderman arrives in time to euthanize Karras after finding the body of the priest, only to be hurled into the wall and later in the ceiling by the possessed Karras. Pazuzu along with the Gemini was dispersed once more after Morning manages to bring Karras back to his senses and briefly regains control of his free will to receive mercy kill from Kinderman to free him from the demons.

Pazuzu returns in the television series being revealed to have taken on the persona of the Salesman. In the series, it takes possession of Regan's daughter Casey Rance, giving her horrific nightmares. It also murders Katherine's girlfriend by placing her in a car accident among other misdeeds. When it repossesses Regan, Regan receives some willpower to physically beat Pazuzu to a bloody pulp before leaving it to presumably die.

It is also revealed that it had raped Regan when she was 12.

Pazuzu did not appear in this direct sequel to the original, but its influence is still felt throughout the film and has been indirectly referred to by Chris MacNeill when talking about the events of the first film to Victor Fielding.

When I was done everyone was shocked and horrified!

Ymir: Oh man! He is a monster!

Lucy: And he is also the very monster that helped me get my powers from.

Nico: We fought him before

Me: Yes we have. The first time was back in 2016 when he possessed Lucy.

I told them what happened in Chapter 32 of Loud House Revamped and it was scary.

Lucy Loud: It's true. It was when I got my powers.

Me: Yep. Then we fought him again 4 years later in 2020 after mine and Starlight Glimmer's friendship mission.

Starlight Glimmer: I remember that! That was awful!

Nico: Yeah.

I went over what happened in chapter 1226 of Loud House Revamped and it was crazy.

Ymir: WHOA! That is nuts!

Camie: No kidding!

Dina: That was awful!

Me: Yep.

Nico: And now, he's ready to finish what he started

Me: Not on our watch.

Nico: But to be honest, this is the first time I've heard about how you guys battled Pazuzu back in 2016. That was crazy!

Me: It was.

The previous group came.

Dr. Polaris: Can me, Anti Wanda, Rex Goodwin, Roxy Rocket, Nergal, Duff Killigan, Dr. Polaris, Chemistro, Leap Frog, and Bonz go with you guys?

Nico: Yes you all can come with.

Me: Yep.

Sissi: Nico, which Gene Slammer do you think you'll meet next?

Nico: Numbers 28 and 27 next.

Me: COOL!

Qin: Yeah!

Lola: This is gonna be intense.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Alpha Prime from World of Warcraft, he's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Alpha Prime from World of Warcraft.

Lola: That feral werewolf is back once again for more.

Arianna Logan Cooper: Hope you're ready to absorb him again, Lincoln.

Lincoln: Always ready, Arianna.

Nico: Too bad for him, you're far more stronger than him since last time and he's in for a nasty surprise. Alright, team, let's go, we got to save Regan's soul.

Lincoln: And banish Pazuzu to The Black Abyss where he belongs, and once we get done with him, you're next, Alpha Prime.

Arianna Logan Cooper: You made the mistake of returning, Alpha Prime, and now, you're going to pay for your crimes after we deal with Pazuzu.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to free Regan from Pazuzu and send that demon to The Black Abyss forever, and once we got done with him, Arianna Logan Cooper and Lincoln are going to destroy Alpha Prime and send him to The Black Abyss after Lincoln drains and absorbs him.

We were off to Kansas.

We arrived at the McNeil residence.

Me: Here we are.

Nico: Boy this place has loads fo terrifying memories.

Me: I know.

Sakura Knudson: I'll never forget watching The Exorcist with Swartz. He was scared out of his mind for a year because of it.

Me: Geez!

Anti Wanda: Let's call Raven Branwen.

Raven Branwen:...I'm already here

Anti-Wanda: Oh sorry.

Me: It was Raven's turn yesterday.

Lola: Yep.

We went over and knocked on the door and Chris answered.

Chris McNeil: Oh thank goodness you're all here.

Me: We got word of a certain demon here.

Sakura Knudson: Let me go see him first. I want to show my dominence on him.

Me: I had a feeling you would sis.

Broccoli Guy: Maybe we should check if this house is booby trapped. After all, Pazuzu is with Anti Monitor now

Me: That's a good idea Broccoli Guy. Eli?

Eli: On it.

Eli concentrated and sensed for anything.

Eli: No it's all clear. No traps.

Me: Good.

Sakura Knudson: Let me go see him.

Sakura went up to Regan's room and in it she went in and found Regan chained to the bed. She was facing him with eyes glowing red with vigor and determination.

Sakura Knudson: So you are Pazuzu. I'm Sakura Knudson.

Pazuzu: (In Regan's Body) (DEMONIC VOICE) And I'm the Devil!

Sakura Knudson: If you are the Devil then break out of those chains.

Pazuzu: That would be too much of a gross display of power Knudson.

Sakura Knudson: Where's Regan!? What have you done with her!?

Pazuzu: She's in here with us!

Sakura Knudson: Let her go! This is between you and us.

Pazuzu: Now where would the fun in that be.

He threw a fireplace poker at her and she grabbed it.

Sakura Knudson: That was a cowardly move.

Pazuzu: So is this.

SHE THEN THREW UP GREEN SLIME!

Sakura Knudson blocked it with a crystal and flower shield!

SPLAT!

Sakura Knudson: YOU ARE FUCKING DISGUSTING!

Raven came in.

Raven Branwen: Since it's Lars' day today, I get to have an early shot at you!

Raven slashed Pazuzu.

Sakura Knudson: Nice.

They came back.

Sakura Knudson: He's in Regan's body all right.

Raven Branwen: Yep.

Me: Okay.

I got out my book and it scrolled to Exorcism.

Blade Man: How about we gave him a Shadow Fist?!

Me: Only after we get him out of Regan's body first. The only way to do that is with an Exorcism.

Lola: Yeah.

Bai Tza: It'll be better than the one Eustace used.

Francesca: That is for sure. That was a weird one.

Nico: How did that one go?

Eustace: It went like this. Hullabaloo and howdy-doo, musty prawns and Timbuktu, yeltsy-bye and hippety poo, Kick 'em in the dishpan hoo hoo hoo.

Eli: Kick 'em in the dishpan hoo hoo hoo?

Nergal:...are you serious?!

Lana: That was a funny one.

Eustace: But yes I am. This was what was given to me by this stupid dog!

Courage: Well it's not my fault. It's what the computer gave me.

Me: Weird.

Nebula: I hope the one we're using is more serious

Me: It is. It's the one I used on Lucy.

Laney: And the one I used on Muriel when she got possessed by a demon.

Me: Yep.

Nebula: Good.

Leap Frog: You sure Anti Monitor didn't install cameras in this house

Eli: No he didn't.

Qin: He wouldn't be that crazy to spy on us.

Me: Yeah.

Nico: I agree.

Me: Yeah.

But then we saw the water cup and the floor freeze up with ice.

Me: What the?

Laney: (SHIVERS) Man it's cold!

Qin: Who opened a window?

Harry Potter: (British Accent) Oh no! The Dementors are coming!

Ron Weasley: (British Accent) When they come the telltale sign of them coming is everything freezing around us.

Lincoln: No this is not the work of the Dementors! This is the work of Lars's Akuma, Darkness Deathwisp. The Hypothetical Akuma of Lars Loud and he is a REALLY DARK master of death and cold. He looks like a Dementor with dark angel wings. He wasn't made by anyone this time. Instead he was made because of watching the movies of Harry Potter and he was REALLY UPSET because of Voldemort and his followers killing people and doing all kinds of horrible things. He vowed to hunt down Voldemort and his followers and KILL them all and send them off to the Fires of Hell forever!

WE GASPED!

He showed us a sketch of him and he looked like a Dementor with pitch black angel wings!

Me: WHOA!

Ace (Justice League): He's too late to the party

Me: Yeah we killed all of Voldemort's followers and Voldemort himself and banished them to the Black Abyss.

Qin: Yep.

Nico: Good riddance.

Poromon: He's around here somewhere!

Me: I think he's outside.

We went outside and saw a ghostly figure flying in the sky! It was DARKNESS DEATHWISP!

Me: There he is!

Nico: WHOA! Scary!

Camie: (GULP)

Me: I got this guys.

I held up my hand.

Me: EXPECTO PETRONUM!

I FIRED A MASSIVE WAVE OF LIGHT AND MAGIC AND IT FORMED INTO A MASSIVE PHOENIX AND BLASTED HIM DOWN AND HE WAS REDUCED TO A SKELETON!

Me: WHOA!

He was a black skeleton with wing bones!

Me: HOLY CRUD!

Nico: He is frightening!

Darkness Deathwisp: (DEMONIC VOICE) Impressive work doing that.

Me: All those lessons from Hogwarts paid off.

Bonz: Lars? Is that you? I like how you look!

Darkness Deathwisp: Thank you and yes it's me.

Me: I'm afraid you're too late however. Voldemort and his followers are all dead and were banished to the Black Abyss. We killed them all. Those genocidal racists all got what they deserved.

Camie: I agree there!

Qin: Monsters!

Raven Branwen: So, please calm down.

Darkness Deathwisp: I know there is one person that is still alive.

Me: And I know just who you are talking about.

I snapped my fingers and teleported in Draco Malfoy!

Me: Draco Malfoy.

He gave me the stink eye!

POW!

I punched him hard in his face!

Me: NO ONE gives me the stink eye and lives! Lars, knock yourself out!

Nico: You do what you want with him. Harry's day is already done. And I don't have any further plans for Malfoy.

Me: Good.

Darkness Deathwisp flew in and Draco screamed as we saw him get the KISS OF THE DEMENTORS! WE SAW HIM DIE IN AN INSTANT!

Me: He is dead!

His soul was destroyed and Draco Malfoy was rendered as a lifeless vegetable!

Me: Having your soul destroyed by the Dementors is a fate worse than death.

Ymir: What happened to him?

Me: When a Dementor uses its Dementor's Kiss, the soul is essentially destroyed, leaving the victim as an empty shell, completely devoid of any sense of self, memory, or feeling, effectively rendering them a living but soulless being

Nico: WHOA! Now we wait for his spirit to appear so we can give him the Black Gates.

Then his spirit appeared.

Me: Allow me.

I fired a beam of energy and it hit him with the Black Abyss and he was judged and found guilty.

Spirits: GUILTY!

He had black flames consuming him.

Me: Tell your racist father I said hello one last time. And good fucking riddance.

Draco Malfoy: (British Accent) NO! NO! DAMN YOU POTTER! DAMN YOU KNUDSON! DAMN YOU ALLLLLL! (FADES)

He was gone forever!

Nico: Let's keep his body. We can find some uses for it

Me: Uh Nico?

We saw his body get incinerated with his spirit.

Nico: Nevermind.

Me: I never wanted to see his ugly face again.

Darkness Deathwisp: That felt good.

Me: Good. Lets dance.

I fired waves of energy and light and blasted him.

Raven Branwen charged at him and blasted him with light blades. Slashing him.

Darkness Deathwisp: My turn!

He fired shadow blasts and we dodged them.

I fired waves of light and blasted him down and knocked him out

Retrax: The only original members of the Vengeful Six now are Paul and Olympius.

Me: Yep. Now to deal with Pazuzu.

We went to Regan's room.

Me: Okay Pazuzu time to end this.

Lana threw holy water onto Pazuzu and it burned him.

Me: (Recites Incantation)

Exorcizamus te, omnis immunde spiritus, omni satanica potestas, omnis incursio

infernalis adversarii, omnis legio, omnis congregatio et secta diabolica, in nomini et

virtute Domini nostri Jesu Christi, eradicare et effugare a Dei Ecclesia, ab animabus

ad imaginem Dei conditis ac pretioso divini Agni sanguini redemptis.

Amen!

It forced Pazuzu out of Regan, and then, the spirits of the angels of Heaven and the demons of Hell appeared and they attacked Pazuzu with fury, and then, the spirits converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Nico: You got some nerve showing your ugly face here again, Pazuzu!

Me: Even after 51 years, you just don't even know when to quit, do you?!

Lincoln: Well, this is the last time we ever have to deal with you, Pazuzu! Time to end your reign of terror!

Lucy Loud: Once and for all.

Pazuzu: YOU MISERABLE FOOLS! I WILL KILL YOU ALL! (ROARS DEMONICALLY)

Then...!

POW!

Caleb Maxwell punched Pazuzu hard in the face and he slashed him in the chest with his gold-armored dragon claws, and he kicked him hard into a tree, and we saw the anger in Caleb's eyes: he was out for blood.

Caleb Maxwell: Stop talking...now.

Chemistro: You okay, Regan?

Regan: (Groans) What happened? I've got the worst headache.

Qin: Ugly story.

Regan: (GASP) Oh no! Pazuzu!

Me: We're dealing with him now.

I fired waves of energy and blasted Pazuzu!

Lola and Lana fired waves of fire and ice and blasted him.

Trent: By the way, Lola, the mascots and Will love your brother's dancing.

Lola Goldtsuiker: I heard about that. And I'm glad.

Me: Yep. Lets focus!

We fired waves of energy and blasted Pazuzu left and right!

Duff Killigan: (Scottish Accent) It's true, lass. They love it so much they even like dancing to it themselves.

Will: What can I say Lola? Your brother's dancing is fun and me and the mascots love it.

Lola Goldtsuiker: I'm so glad you and the mascots love it.

Nico: Yep.

Kiara: Lets add some change power to it! ZENKAI CHANGE!

She transformed!

Kiara: AURA POWER! ZENKAIAURA! ゼンカイオーラ

She was an aqua blue Zenkaiger for the Changeman!

Qin: COOL!

Sea Clamp: Speaking of dance, isn't it time you morphed?

Lola Goldtsuiker: Gladly! THREEKAI CHANGE!

She danced and the mascots and Will danced to her dancing too!

Will: OH YEAH!

Poromon: WOOHOO!

She transformed into a ruby red Goseiger themed version of Zocks!

Lola Goldtsuiker: STELLAR POWER OF THREE! THREEKAIZER! スリーカイザー

Me: AWESOME!

Camie: COOL!

Zocks: YEAH!

Roxy Rocket: Now it's a party!

Me: YEAH IT IS!

I fired waves of energy and blasted Pazuzu!

Kiara: Lets see how he likes this! WOLF POWER!

She flared up her wolf aura and blasted Pazuzu all over!

Me: Watch what we can do with our auras! MANTICORE POWER!

I flared up my green aura for the manticore and fired waves of energy and blasted Pazuzu all over the place!

Kiara: That is cool!

Me: Yeah!

Kiara: How in the world did you do that?

Me: We got all the powers and abilities of the Power Rangers and Kamen Riders from Defeating Another Riders and Another Rangers made by Swartz.

Nico: It's true.

Qin: Yep.

Me: Long story.

Kiara: I see.

Agony: Any gears you two want to use?

Kiara: I got one.

She used the King Ohgers Gear and got an AWESOME NEW ARMOR! IT MADE HER LOOK LIKE A KNIGHT FROM A MEDIEVAL KINGDOM! It was an aqua blue armor with dragon wings and she had a powerful energy sword and shield!

Kiara: (In a British Medieval Accent) Thou shalt feel the wrath of

Dame Aura Kiara!

Me: Whoa! Nice armor and the British Medieval Accent ties the whole thing together.

Gira: It sure does.

Kiara: Thank thee. Shall we smite this demon?

Me: We shall!

We fired waves of energy and aura blasts.

Rex Goodwin: What about you Lola?

Lola Goldtsuiker: How about this?

She used the Kiramager Gear and donned an awesome Rainbow Diamond Armor with crystal angel wings and a Crystal Sword!

Rarity: (GASP) Oh my goodness! What an amazing armor form!

Lola Goldtsuiker: Thanks! I think it's cool!

Me: WOW! That is prismatic!

We fired waves of energy and blasted Pazuzu!

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(Beastly Voice) You've had this coming for a very long time! Now, it's time for you to face the consequences!

Lincoln went wild on Pazuzu as he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him.

Then, Lincoln held out his left hand and fired five massive orbiting balls of fire appeared orbiting around Pazuzu, and they collided and they exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Nicole: Jeez, he's tearing him apart!

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT PAZUZU, AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HER AND SHE GOT BURNED AND HE GROWLED FEROCIOUSLY!

Then, he punched him hard in the face and kicked him in the stomach and he sent her flying into a rock, he got back up and Lincoln fired massive elemental energy balls and beams of light at him and he was burned as he got hit.

Lincoln, Lars Loud, Nico, and I and the rest of us went after Pazuzu and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Pazuzu, and they exploded with incredible power as they hit him.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Pazuzu and we all found ourselves not only in

Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Pazuzu and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Ed Cowart: You are nothing more than a stupid ghost that refuse to back down! You're also dull and ugly! For a ghost, you fail in life and the afterlife! Prepare your ass for defeat and one last thing?

Ed Cowart punched Pazuzu all over, then he covered Pazuzu with hot sauce even his eyes, then he wedgied Pazuzu and pulled his underwear over his head!

Ed Cowart: GHOSTLY WEDGIE!

Lola Goldtsuiker was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Kiara and Talia and Mei.

Talia Techra: NO! We control the power. it doesn't control us.

They concentrated and reigned in the powers of their gene-slammer forms and transformed and blasted Pazuzu all over!

Poromon pecked him.

POINK POINK POINK POINK!

Poromon: Take that! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him and knocked him down.

Me: YEAH!

Then INSTIGATOR, Living Laser, Trap Jaw, Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Vulture, and Drakkon came

Nico: INSTIGATOR, Living Laser, Trap Jaw, Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Vulture, and Drakkon

Pazuzu: I'll possess one of you!

He went for INSTIGATOR but he couldn't get through him because he was made of metal!

INSTIGATOR: Nice try!

POW!

He smashed him down!

Me: You can't possess metal!

INSTIGATOR: Good try though.

Living Laser: At least he's not ordering us around.

Trap Jaw: And he didn't try to possess the rest of us.

Me: Thank goodness.

Robo Blaze: (to Nico) We heard you fought yet another face from JD's past.

Nico: We sure did.

Whiplash: (to Devon) You should take care of that Kecleon

Devon: I will.

?: Awesome!

A figure came out and it was BODARUJIM frome episode 2 of King-Ohgers!

Bodarujim (ボダルジーム Bodarujīmu) is a Firefly-themed Kaijim of the Earth Empire Bug Naraku, equipped with the Firefly BNA. Later, the power up version of Bodarujim, DezuBodarujim (デズボダルジーム Dezu Bodarujīmu) appeared. Then GenjiBodarujim (ゲンジボダルジーム Genji Bodarujīmu), equipped with the Genji firefly BNA, appeared.

After Duga and Boshimar left, Desnarak and Kamejim briefly appear to summon an enlarged Bodarujim to destroy their enemies. Gira and Yanma transform and pilot Ohsama Gattai King-Ohger, who can now fly thanks to the presence of Tombo Ohger in the cockpit. King-Ohger engages the Kaijim in an aerial battle and chases it across Nkosopa's skies. Bodarujim manages to catch the heroes off guard, but a building, controlled by Nkosopa's hackers, suddenly raises up and shields them from the blast. Tombo Ohger tells his people to show their enemy the power of Nkosopa, while Kuwagata Ohger distracts the monster on King Speeder. Their combined hacking efforts direct all the power in the country to King-Ohger, while

Shiokara mobilizes a Guardian Rolling, which becomes a hammer for King-Ohger. Rolling King-Ohger then performs a finisher and destroy Bodarujim.

It would later be reborn as DezuBodarujim, hatching from a cocoon along with four other Kaijim across the world. Despite their numbers, the DezuKaijim would be defeated by the recently formed legend King-Ohger.

It would be reborn yet again as GenjiBodarujim, used by the Bug Naraku to cause havoc once more in N'Kosopa. The King-Ohgers are able to defeat it once more with Extreme-King-Ohger despite it's unstableness.

Gira: Bodarujim!

Bodarujim: Been a while Gira.

Me: I remember you! You were the first monster to have the King Ohger megazord battle you. Also you were sent to unleash large footsoldiers to destroy their enemies.

Bodarujim: Good memory.

Me: Thanks.

Poromon: YOU ARE NOT GOING TO GET OUR BEER!

Bodarujim: Not even one sip?

Poromon: NO!

Ymir: They are after the mascots beer?

Me: They sure are. The monsters of the King Ohgers thought it would be good to steal the mascots secret beer recipe.

SpongeBob: Kind of like how Plankton used to steal the Krabby Patty Secret Formula.

Ymir: Oh man.

Me: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Pinkie Pie, Jawbreaker, Willow Emillston, Leina Kingston, Sheena, Lila Sawyer, Arnold, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Hook and Long Haul VS INSTIGATOR, Thursday Man, Behru, Rinka (or Mother Brain Security Aliens. However you want to call them), Rezbit, Mekenobite, Land Pollution Monster Yogostein and Universe 666 Mean Pinkie Pie (Theme including Jawbreaker) - Nico's rescue on Criam and rescuing Ruby Terranova

---

INSTIGATOR was first.

INSTIGATOR (to Pinkie): Nico's rescue was on Criam. He rescued Ruby Terranova.

Pinkie Pie: Ooh it was an amazing rescue and we loved how it went down too. They even battled an evil guy named Nathan Devins!

INSTIGATOR: (GASP) I've heard of him! He was a REALLY NASTY PIECE of work!

Pinkie Pie: Really? Wow! J.D. said that Nathan Devins is a cruel remorseless bully who terrorized his high school and all of Colorado for years, and he committed all kinds of violent assaults, robberies, murders, rapes, you name it, and to make things worse for himself, he was part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and his old enemy, Gerald Vexos, Venn's little brother. That was until he gathered all of the evidence of his crimes, and when Nathan found out, he went ballistic, but he was taken down and sent to prison forever.

Jawbreaker: Yeah he sure was!

Willow Emillston: That was nuts!

INSTIGATOR: Geez! And you guys killed him and banished him to the Black Abyss.

Twilight Sparkle: We sure did and that was amazing!

Stellar Sparkle: It sure was.

Harmony Sparkle: Yeah that was intense!

Starshine Sparkle: I agree there and it was great!

Spyro: I'll say!

INSTIGATOR: Oh man! I'm glad J.D. and everyone killed him. That's number 2 of the dirtclods from J.D.'s past brought down. Lets do it!

Pinkie Pie used the Vistamp of INSTIGATOR and the Party Balloon World Gear and they fired waves of gears and magic and smashed them down.

Megan McCallister, Kevin McCallister, Shugesh, Karla Grim - Ezekiel Rage's Daughter, Sailor Mustafar, Sailor Mon Calamari, Gina Carmilla, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Pacifica Northwest and Sissi Delmas VS Living Laser, Raizen, Doll (Growl/Runark), Universe 666 Chernabog, Universe 666 Trigon-Powered Slade, Universe 666 Arthas the Lich King, Photomare and UFO (Kirby) (Theme including Kevin McCallister) - The Anothers were the gene-slammers of Slifuria, King of Searing Skies, Hamra, King of Striking Phoenix, Obelraviel, King of Phantasm Tormentors and Yubel the Ultimate Nightmare

---

Living Laser was next.

Living Laser (to Megan): The Anothers were the gene-slammers of Slifuria, King of Searing Skies, Hamra, King of Striking Phoenix, Obelraviel, King of Phantasm Tormentors and Yubel the Ultimate Nightmare. Nico, Jake's team, Etemon's team, and the others did good battling them.

Megan: They sure did and it was really amazing! They were the gene-slammers of the fusions of the Egyptian Gods and the Sacred Beasts. They are the Catrina Sisters and they are known as The Sisterhood of The Sacred Egypt Powers and they are 3 girls whose purpose is to kill those like Yami Marik and Yami Bakura and all those taht terrorized Egypt thousands of years ago. Eli knew of them and they are actually some of the descendants of Pharaoh Atem's Sacred Bodyguards.

Living Laser: WOW! That's an amazing history!

Megan: It is. We already killed Yami Bakura a while back. Now we just have Yami Marik, Anubis and I honestly have no clue who we're facing on Tristan's big day.

Living Laser: Well you'll figure it out soon.

Megan: Yeah. Also we met the gene-slammers of Mega Skarmory and Mega Corviknight. The Mega Skarmory is Talia Techra and she is a close friend of Dr. Krankcase. She helped the Skylanders and also wanted to redeem him. Also the Mega Corviknight was a shocker for me! It was Touma's sister Mei Kamiyama and she is also known as Kamen Rider Medea. She is a Water Kamen Rider.

Living Laser: WHOA! That is amazing! What monster was she fighting when she was turned by Dark Gale?

Megan: It was Spider Megid and she destroyed him easily.

Kevin: That was awesome!

Shugesh: It sure was. J.D. found her Wonder Ride Book floating in the mud and cleaned it off. It was called Telaga Bidadari.

Megan: That's the name of an Indonesian village on the Riau Islands. Nico said he visited that place long ago and it reminded him of a story he read from there.

Sunset Shimmer: That was amazing that he went there before too.

Firestorm Shimmer: It sure was. I thought it was cool.

Sunset Shimmer (G5): I agree there.

Pipsqueak: (British accent) That was so awesome to see too.

Chalcanthite Aurora: (British Accent) I agree there too.

Sunburn: Boy that was awesome.

Living Laser: WOW! You guys had fun on that one too. Lets do it!

Megan used the Vistamp of Living Laser and the Laser World Gear and they fired waves of lasers and fire and smashed them down.

Elemental HEROES of Fire

Sydney: Yeah that was intense! It was really awesome!

Michelangelo 2003: And in the end we destroyed them all and banished them to the Black Abyss.

Apple Bloom: I agree there.

Flashwing: I agree there.

Trap Jaw: Wow! You guys did great! Lets do it!

Sydney used the Vistamp of Trap Jaw and the Trap World Gear and they fired waves of energy, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Sora: It was Talia Techra, Pinkie Pie, Piper, Maud Pie, Citrine Pie, Gearshift, Jawbreaker, Trigger Happy, Drill Sergeant, Blade Man and Sword Man and they went to the Wilikin Workshop and it was really cool.

King Triton: It was like a workshop made to produce friends for Kaos.

Pakura: Dr. Krankcase took control of it and turned it into a machine factory. But they stormed it and trapped him.

Rarity: It was a most fun adventure darlings and Pinkie Pie trapped him in a trap and it was amazing!

Erica Tala: It sure was! Pinkie Pie called him a Party Servant!

THEY LAUGHED!

Robo-Blaze: That is funny!

Sapphire Ocean: I agree there and it was great.

Rarity (G5): It sure was! Dr. Krankcase gave us a REALLY SHOCKING surprise though.

Dioptase Angel Belle: He made Robots of the great horror movie slashers and monsters and sent them after them and it was intense!

Sweetie Belle: Thank goodness these weren't the real thing but it did provide a great warmup for later on this Halloween.

Gill Grunt: Yeah! Dr. Krankcase really went all out on that one! It was brutal! Next up is Wolfgang and we're going to have Lucy Loud and her team face him in The Future of Skylands.

Robo-Blaze: WOW! Looking forward to that but that is scary that Dr. Krankcase did all that! Lets do it!

Sora used the Vistamp for Robo-Blaze and the Keyblade World Gear and they fired waves of water, ice, jewels and lightning and blasted them down.

Dante Vale, Max (Pokemon), Konan, Ryu Tendo, Tomoko Shiretoko, Star Man, Emma Gilbert, Rainbow Dash, Comet Thunder, Sprite Thunder, Thunder Rainbow Zoom, Scootaloo, Air Skylanders, Yondu and Nebula VS Whiger, Goldar, Buzzard, Kat, Volt Kraken, Chikuon, Cy Steinberg and Gressel (Theme including Max (Pokemon)) - The mascots Met AN EXPLOSIVE WHITE MOUSE!?

Whiger was next.

Whiger (to Dante): The mascots Met AN EXPLOSIVE WHITE MOUSE!? ...there were lots of explosions, weren't there?

Dante Vale: No thank goodness there weren't actually. But yeah that was crazy! We received a radio warning about a white mouse that escaped from the experimental laboratory and before doing so he ate enough of a secret explosive that was powerful enough to blow up 40 cities!

THEY GASPED!

Whiger: THAT'S CRAZY! What kind of explosive was it!?

Max: It was an explosive cheese wheel! Vince said that it was cheese wheel laced with nitroglycerin and all kinds of unstable explosive chemicals and compounds as part of a long forgotten Cold War Project. It was called Project Dairybomb. It was a long forgotten project to use cheese wheels of that kind as bombs against the Russians back over 40 years ago!

Konan: Poromon and the mascots met the mouse and befriended it. But everyone in the estate was warned about it on a radio announcement on the news. And we were warned that the slightest jostle would blow it up!

Whiger: WHOA! Like Raw Energon on Steroids!

Konan: Exactly.

Goldar: That is nuts!

Buzzard: What kinds of idiots would make something like that only for a mouse to eat it?

Konan: It was a crazy time back then. But that was nuts. Thankfully the explosives in the mouse weren't detonated. We kept it in a cage in the lab to make sure nothing happened.

Whiger: That's a relief.

Rainbow Dash: Yeah! Vince informed the president about it. This whole thing happened last night in the early morning hours.

Whiger: GEEZ! That mouse was turned into a powerful living bomb!

Rainbow Dash: They do say big things come in small packages. But Tom and Jerry said to us that they remember dealing with a white mouse like that ages ago!

Buzzard: I remember that cartoon! Boy that was intense! They thought it wouldn't explode but they were dead wrong! They just had to open their big mouths!

Rainbow Dash: Yeah no kidding! The mouse is safe thankfully. Also we met gene-slammers for Mega Lucario and Mega Aurorus! They were really Kaito's sister Kiara Goshikida and she is the Changeman themed Zenkaiger. She has amazing Aura Powers.

Whiger: Fitting and awesome!

Comet Thunder: YEAH! And also the Mega Aurorus was Zocks and Flint's sister Lola Goldtsuiker and she is the Goseiger themed Zenkaiger. She likes dancing as much as Zocks and Flint do and when we told her how much the Mascots and Will love dancing to it she laughed.

Sprite Thunder: We told them how we destroyed Super Warumono World and Bokkowaus and she was grateful they are dead.

Thunder Rainbow Zoom: Yeah no kidding there! That was awesome!

Scootaloo: It sure was!

Whirlwind: I agree there!

Whiger: Yeah no kidding! Thank goodness that mouse didn't explode. Lets do it!

Dante used the Vistamp of Whiger and the Tiger World Gear and they fired waves of energy, wind, rainbows, lightning, storms and weather and smashed them down.

Lord Drakkon: (to me) It's Lars day to shine. He going to face Pazuzu.

Me: Yeah and lets not forget, this is the VERY DEMON that possessed Lucy back in 2016 and because of him Lucy got her powers from Nott the Goddess of the Night.

Sakura Knudson: I'll never forget watching the movie The Exorcist with Swartz and he was scared out of his mind from it! He couldn't sleep for a year! Regan went through an absolute nightmare because of Pazuzu!

Lord Drakkon: I know! That was nuts! Lucy nearly went through hell too because of him.

Riley Anderson: She sure did! I'll never forget battling Pazuzu back in 2020! That was scary to see!

Me: Yeah we battled him after I had a Friendship Mission with

Starlight Glimmer and we helped Princess Celestia and Princess Luna sort out some things they were disagreeing on back then.

Yuna: Yeah no kidding there!

Fluttershy: (Scared) I'll never forget seeing what happened back then! It was so scary!

Lilja: (Icelandic Accent) What Pazuzu did was awful!

Sólrún: (Icelandic Accent) It sure was!

Daffodil Bloom: It was crazy to see that!

Jimmy: That is correct and that was an exhilerating thing to hear about.

Sheen: Yeah it was and it was really crazy to hear about what went down back then.

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death. Alpha Prime, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln (Smiles Warmly) You're welcome, Arianna.

Me and Nico: Our pleasure, Arianna.

Suddenly, Arianna Logan Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Arianna Logan Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Arianna Logan Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Arianna, you transformed and you guys really let that evil werewolf have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knights with a rainbow crystal cluster in the center and surrounded by colored gems and on top is a rainbow diamond.

Lincoln: The symbol! It's them!

Me: Who?

Anna Anyanova: That symbol you just saw, that's the symbol of The Gem-Knight Order of Crystal Justice.

Me: Incredible! And who are they?

Lincoln: They're group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend me from my enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world.

Nico: Oh God!

Anna Anyanova: But before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this.

Me: I remembered hearing about that, does this mean...?

Lincoln: The Steelswarm Subjugation Coalition's going to return, and get revenge, but we're more than ready for them.

Nico: You said it. So, who's the first of this order we're meeting tomorrow?

Lincoln: That would be Catherine Diamantis, Avatar and Gene-Slammer of Gem-Knight Master Diamond.

Anna Anyanova: I knew she'd be first, and you guys are going to love meeting her, Catherine Diamantis, Avatar and Gene-Slammer of Gem-Knight Master Diamond, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and she also has Gem-Knight Master Diamond's broadsword as her weapon. She's known as The Rainbow Diamond Master and the leader of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Catherine Diamantis came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Catherine's parents and her little brother, Michael, in cold blood, and she swore to kill Zarya and make sure she's sent to The Black Abyss forever!

Ymir: Oh man...!

Lincoln: Catherine lost both her parents and her little brother, Michael, and Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Me: What a damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: A bitch like that doesn't deserve to live, she's just like Audrey Madison, and to find out there are others like her out there, they don't deserve to live!

Whiger: Good riddance to bad creepy rubbish!

Griffin: Creepy is right.

Me: Yeah.

Beetle: That was a good warmup for Halloween.

Me: It sure was.

Vulture: Where should we celebrate?

Drakkon: How about at Regan's house?

Regan and her mother came out with bags packed.

Regan: We're moving to Gotham Royal York to be protected by you guys.

Me: That is something we can accept.

Nico: Yeah. Also we'll go to Lynn's Table. Great job today everyone.

Regan: Thank you guys.

Me: No problem.

Lucy Loud: (To the viewers) Now we are free of Pazuzu.

Xenia: Yes we are.

We went back home and went to Lynn's Table for a good meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it. We got rid of Pazuzu!

Anna Anyanova: After what that demon did in possessing Lucy and Regan in the past, he deserved to die, now after 51 years of terror, Pazuzu is finally gone.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

NIGHTMARE IN HALLOWEEN TOWN

Dedicated to Ken Page

Oogie Boogie is Back for Round 3

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there was a planet of eternal storms and lightning and a massive city with smaller cities connecting the main city with a Sun, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters and had incredible superhuman strength, but had powers over lightning and storms and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Fulguraira, a planet of eternal storms and lightning in The Forbidden Zone that was inhabited by powerful warrior angels called The Fulgurairans, the males were not only natural born fighters, but had powers over lightning, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Fulgurairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: How many planets have the Infernairans terrorized?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) One too many, and the Sun you saw on the planet, Lincoln, it's infinite-times hotter than The Sun and the amount of solar radiation also exceeds that amount, the male Fulgurairans trained under the harsh heat and sunlight along with other extreme weather events. You need to head to the well where their souls are imprisoned and absorb them into your body, and once that happens, you'll gain their powers over lightning, storms, and superhuman strength, and their many incredible powers, immortality, virility, and invincibility, and you must absorb the planet's core and The Sun of Fulguraira as well.

Lincoln: On it.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Fulguraira once inhabited by The Fulgurairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Fulguraira, it's awesome and really intense!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Fulguraira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a neon purple gem surrounded by angels carved on it, and then, the brown gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of neon purple souls came out numbering in the septillions: they were the quadrillions of souls of the ancient male warrior angels of Planet Fulguraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Fulguraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over lightning, storms, superhuman strength, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and neon purple aura with lightning surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over lightning, storms, superhuman strength, and their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Fulguraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Fulguraira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Fulguraira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Fulguraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Fulguraira all too well, it was also an advanced civilization and a place where we went to in the past.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) It was also a really awesome spot for us to train as well, but what the Infernairans did, it was pure evil. The Infernairans terrorized The Forbidden Zones destroying and imprisoning the souls of the male warrior angels in the wells and they kidnapped and raped the females.

Nicole: How utterly evil.

Lincoln: That's why every night, I'll be going to the planets of The Forbidden Zone to absorb the souls of the male warrior angels, absorb their planet's cores and planets themselves, and the Suns into my body which'll lead to my room expanding even more with my gym expanding with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of our merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for me and my expanding harem, and massive extra-extra-extra large never-ending expanding bed for me and my expanding harem.

Nico: The only way to preserve the planets of The Forbidden Zone and their legacy will live on in you. But, I can guess if there are other planets in The Forbidden Zone as well, they've also suffered the wrath of The Infernairans.

Leif woke up to see Heatmor staring at him.

Heatmor: Morning Leif!

Leif: Morning Heatmor.

Heatmor: Time for breakfast.

Leif: Oh boy!

He went and got dressed and went to the table.

Me: Morning Leif! Made your favorite.

I gave him Earthworm Spaghetti covered in snail slime sauce!

Leif: Oh boy!

He ate them.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw an orange-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the orange-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw another new addition to my harem.

Sakura Kazehana: I know her, that's Amber Jurassic, The Amber Master of Criam and a master of Orange Crystal.

Nico: Uh oh, then that means...!

Lincoln: We got another dirtbag from J.D.'s past to deal with.

Me: I'm ready for him.

Nico: Can you sense him, Lincoln?

Lincoln: (Sensed it) Got him. Alright, now let's finish breakfast and head for Criam to rescue the next girl there and deal with the next villain there.

Me: Right.

We finished breakfast, and we headed to Criam to help Twilight Velvet unlock her Rainbow Power and rescue Amber Jurassic, the third of the seven girls that's located there and kill the next villain there.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw an orange-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the orange-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw another new addition to my harem.

Sakura Kazehana: I know her, that's Amber Jurassic, The Amber Master of Criam and a master of Orange Crystal.

Nico: Uh oh, then that means...!

Lincoln: We got another dirtbag from J.D.'s past to deal with.

Me: I'm ready for him.

Nico: Can you sense him, Lincoln?

Lincoln: (Sensed it) Got him. Alright, now let's finish breakfast and head for Criam to rescue the next girl there and deal with the next villain there.

Me: Right.

We finished breakfast, and we headed to Criam to help Twilight Velvet unlock her Rainbow Power and rescue Amber Jurassic, the third of the seven girls that's located there and kill the next villain there.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14031.2: The U.S.S. Valorous Phoenix is en route to the planet Criam for a third time to battle another one of J.D.'s scumbags from his past and rescue the third girl there. It's going to be a good one.

Lola: It sure is!

Qin: I'm excited for this.

Lana: Me too!

Laney: I'll say.

Varie: Yeah!

Nico: Buzzshock, I want to thank you, Nanobot, and your teams for coming

Buzzshock: (Techno Voice) Not a problem Nico. It's going to be so fun doing this.

Qin: It sure is.

Irena Midnight Indigo Zap: I'm ready for this too!

Lincoln: It's going to be your battle of fun and redemption.

Irena Midnight Indigo Zap: Yeah it sure is!

Nico: Irena, what do you like to do in your free time?

Irena Midnight Indigo Zap: I like playing sports and having fun doing all kinds of fun things.

Lynn: What kind of sports do you play?

Irena Midnight Indigo Zap: I like playing soccor and archery. It's fun.

Me: Cool!

Lynn: Awesome! Those are good sports.

Xenia: They sure are.

Camie: Yep.

Ymir: I agree there.

Dina: Yeah those are really cool there.

Nico: That's a good job to have.

Irena Midnight Indigo Zap: It sure is.

Me: Now that Morgana is dead the redeemed Midnight Princesses can rebuild their lives.

Mina Midnight Sparkle: And I will always be forever grateful to all of you.

Me: No problem Mina.

Camie: Yeah.

Ymir: Wow.

Me: Yeah. Man, yesterday was downright intense.

Brittney: It sure was!

Lucy Loud: But the important thing is that we are finally rid of Pazuzu forever.

Lola: We sure are.

Ymir: I'm still reeling in shock that Pazuzu was the very monster that helped Lucy get her powers.

Me: I know.

Nico: Me too. That was intense. I had no idea that happened back then.

Me: I know and it was scary.

Poromon: The vomit was gross

Sakura Knudson: UCH! You're not kidding. But it was really amazing confronting him like that.

Me: It was. Just like it was in the movie.

Xenia: I'll never forget that.

Varie: That was scary.

Nico: Yeah no kidding. Regan did nothing to deserve all that too.

Poliwag: I wanted to celebrate at her house

Me: I know but some things are best left buried. Regan and her mother are now much happier in Gotham Royal York. Chris is working in the library and Regan is going to school.

Nico: Good.

Qin: I'm glad.

Me: Regan is still battling nightmares from the ordeal.

Ino: I'm doing my best to help her.

Me: That's good Ino.

Lars Loud: Yeah. My Akuma was scary too.

Hermione: (British Accent) It sure was! Like the Dementors

Me: That was scary and horrifying.

Nico: Good thing Voldemort's dead

Me: Yeah and we killed Draco Malfoy, thus ending the racial tyranny of Salazar Slytherin and his evil Pureblood Supremacist ways.

Nico: Good fucking riddance.

Lynn: And that makes another member of the Vengeful 6 dead.

Me: Yep.

Ymir: Who are the Vengeful 6?

Me: Well they were a group of evil monsters that were out to tarnish and ruin us. They were lead by an evil version of Lynn from another universe. Evil Lynn Loud Jr., Numbuh 362's little brother Harvey McKenzie A.K.A Numbuh 363 of Sector W, Olympius, Draco Malfoy, G1 Starscream and Paul were part of that group.

I went over what happened in Chapter 1131 of Loud House Revamped.

When it was done everyone was shocked and horrified!

Ymir: Oh man! That is bad.

Camie: Yeah.

Armada Starscream: All that's left is Paul and Olympius

Me: Yep. I have a feeling Olympius is coming up soon.

Noah: On my day to shine.

Me: Yep. Vypra and Loki are both gonna be wanting some payback on him. I'll never forget how he double crossed them. He had Vilevine bury them both into the ground.

Carter: Really!? He buried Vypra and Loki like that?

Me: Oh yeah. I saw it myself on TV.

Nico: I remember that!

Me: Yep. And I know just how to hurt Bansheera even more on Noah's day.

Nico: How?

Me: To add insult to injury we'll kill Olympius right in front of her very eyes!

Luan: I like it!

May: Yeah! Bansheera will REALLY have it out for us by then.

Me: Yep. I'll tell you how when the time comes.

Horsea: We've approached our destination

Lisa Loud: Horsea I believe that was my line to say. But yes you are correct.

Nico: On screen.

We were at Criam again.

Me: Planet Criam for round 3.

Manaphy: I'm getting sick of these enemies from JD's past.

Me: Well everyone has to have enemies from their past at some point. I've got TONS of enemies.

Nico: Same here.

Manaphy: You're right.

We got to landing and we saw the landscape.

Me: Wow.

The landscape was really scary.

Me: Scary as ev... (WINCES)

My birthmark started glowing.

Ymir: Your birthmark is glowing?

Me: Oh it's a magical birthmark Ymir. It means something embodying the constellation of Phoenix The Firebird in the Southern Sky is coming later today.

Nico: But who?

Me: I'm... I'm not sure. When it glows like that it doesn't tell me who is coming. But I do know that it's someone that the Kyurangers know.

Nico: Really? Wow!

Lucky: LUCKY!

Me: I know.

Poromon: We'll find out later

Me: Yep.

We got to exploring.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Criam to help Twilight Velvet unlock her Rainbow Power and rescue Amber Jurassic, the third of the seven girls that's located there and kill the next villain there. J.D., are you familiar with someone by the name of Ryan Davis?

I GASPED!

Me: So, that's the next villain that's located here?! THAT PIECE OF SHIT!

Nico: Uh oh. J.D., you know him?

Me: Wish I hadn't. Ryan Davis is a cruel remorseless bully who terrorized my high school and all of Colorado for years, and he committed all kinds of violent assaults, robberies, murders, rapes, you name it, and to make things worse for himself, he was part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, Venn's little brother.

EVERYONE GASPED!

Me: That was until I gathered all of the evidence of his crimes, and when Ryan found out, he went ballistic, but he was taken down and sent to prison forever. And now, he's here on Criam too?

Lincoln: Yep, and soon, we'll face the masterminds behind their breakouts from prison.

Nicole: We'll find out who it was that did this.

Me: Yeah. See I told you guys I have so many enemies.

Nico: I believe you.

So, now we can finally go crazy.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and

massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Nokama heard a Pokemon cry

Nokama: Look guys!

We saw a Milotic!

Me: WHOA! A Milotic!

Nico: Cool!

Milotic: This is a scary place.

Me: I know.

Nokama: Here.

She gave it apples.

Milotic: Thanks.

She ate them.

Nokama: Want to come with?

Milotic: I would be honored.

Me: Awesome!

But then...

PING!

Me: WHOA! You guys feel that?

Nicole: Holy cow! What an enormous power!

Nico: Who is emitting an intense energy of that magnitude!?

Woz gasped.

Me: What is it Woz?

Woz: General J.D. it's coming from that!

We saw in the sky a Mega Arceus!

Me: WHOA! A Mega Arceus!

Lola: And look it's alone!

We saw a Mega Dhelmise too!

Me: And a Mega Dhelmise! They must be some of Dark Gale's work.

Sougo: Lets see.

He used telepathy on Mega Arceus and gasped!

Sougo: I don't believe it! The Mega Arceus is my sister Selina!

WE GASPED!

Woz: REJOICE! FOR THE GRAND DUCHESS OF THE RIDERS HAS RETURNED TO HELP AID US AND THE KING!

Me: Whoa!

Sougo: My sister is known as Kamen Rider Grand Yin-Yang Ohma Zi-O and she has mastery over all the Riders powers and the Another Riders powers from over the course of 50+ Years!

Maxxine: WHOA! That is so cool!

Me: She has all the powers of all the riders and Another Riders from over the last 50+ Years!? That's incredible!

Nico: It sure is!

Wolfgang: (Australian Accent) Lets see here.

He used telepathy and gasped!

Wolfgang: (HOWLS) Well it's Wednesday Undeadra! She has been trying to help me redeem myself mates.

Horsea: You're calling J.D. General?

Woz: Of course. He is Lord Nico's second in command so that makes him General.

Me: I like the sound of that.

Nico: Me too.

Me: Lets go help them.

Wolfgang: LET THERE BE ROCK! (HOWLS)

We went over.

Wolfgang: Easy Wednesday. It's me Wolfgang.

Sougo: Calm down sis. It's me Sougo.

Mega Arceus used Judgement

It fired a blast of energy and we dodged it and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMM!

Me: WHOA! Just like Arceus himself!

Mega Dhelmise used Shadow Ball and we dodged it and Universe 666 May threw it back and it hit Mega Arceus!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

They were both blasted down in a huge explosion!

Me: WHOA! Nice shot!

Universe 666 May: Thanks!

Me: I got this.

I snapped my fingers and they reverted back.

Wednesday was a girl with black hair and grey eyes and had black angel wings and had the Undead Skull symbol on her forehead and on her arm was the same symbol but with a ghost, tombstone and blue fire wisps on it as her cutie mark.

Selina was a girl with golden yellow hair and blue eyes and rainbow angel wings and had a Rainbow Circle with the Grand Zi-O Ridewatch on her forehead and on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

Me: WHOA! That was powerful!

Selina and Wednesday both woke up.

Wednesday Undeadra: (Groans) I feel like I was attacked by a zombie horde.

Selina Tokiwa: And I feel like I got hit by Swartz times a thousand.

Wolfgang: Hey Wednesday you okay?

Wednesday Undeadra: (GASP) Wolfgang!

She hugged him.

Wednesday Undeadra: I'm glad you're safe.

Wolfgang: Me too mate.

Sougo: Hey sis.

Selina: Bro!

They hugged.

Sougo: I'm glad you're okay.

Selina: Same here and Woz it's good to see you.

Woz: Pleasure too my duchess.

Me: You both were turned into a Mega Dhelmise and Mega Arceus by Dark Gale.

Wednesday Undeadra: (GASP) I remember!

Selina Tokiwa: Who is Dark Gale?

Me: Well they were an organization we destroyed a while back.

Wednesday Undeadra: Yeah.

She was in a grey suit and injected and turned into a Mega Dhelmise! She blasted the base and ran out!

FLASHBACK ENDS

Wednesday Undeadra: It was awful.

Me: I know but we destroyed Dark Gale.

Wednesday Undeadra: I'm glad.

Selina Tokiwa: I was fighting Another Black Sun when it happened.

Me: That's the Another of 1987's Kamen Rider Series. That was said to be the darkest of all the Kamen Rider series from over the last 50 years.

Selina Tokiwa: I know. Swartz sent him to kill me.

Me: That dirtbag! Well you'll be happy to know that Swartz is dead.

Nico: Ever since 2022.

Maxxine: You have Nico and May to thank for killing him. They dismembered him alive.

Selina: Really?

Pain: You have me and Torture to thank for killing him.

Selina: Oh man. How did you guys kill him?

Me: They dismembered him alive.

Pain: We made him eat his own heart after ripping it out.

They told him how they did it and then Selina turned green around the gills and then...

MASSIVE VOMIT ATTACK!

Nico: It's true.

Me: I think you may have gone into too much detail there.

Selina Tokiwa: That was gross! But that was intense how you guys killed him!

Me: I know. But we're still cleaning up Swartz's mess even as we speak. We've been doing it for 2 years now. Many of our friends and family members were all mostly affected by him.

Sougo: He's right on that.

Lincoln: Including some of my guardian angels.

Me: Yeah.

Selina Tokiwa: That is nuts! But I'm glad you guys got rid of Swartz. What about his Timejackers?

Nico: They're now in the M.O.E.

Sakura Knudson: I was also training under Swartz myself too. I was kidnapped by him 11 years ago and learned all I can under him. I was planning to double cross him and kill him myself later on but bro and his entire team killed him first.

Selina: That is amazing! Wow!

Me: Yeah our power was that intense.

Maria: Sougo has another sister too.

Maxxine: Me. My name is Maxxine Stennson and I am the Zi-O Riders ambassador. We became siblings over time.

Tsukuyomi: It's all true. It was an amazing adventure as well.

Selina: Oh wow! That is amazing! I'm glad my brother and the team was in good hands.

Sougo: Expect someone else who knows me to show up in the future

Me: Will do.

Wednesday Undeadra: Oh I am the necromancer of the team with Sonya. I use my powers over the dead to help out. Outside the team I help the Skylanders battle their enemies and help Wolfgang. But my big mission is to help Wolfgang and his brother Sal get back together.

Me: Uh oh. What happened?

Wolfgang: Me and my brother had a nasty falling out years ago mates. My brother took a girl I had a crush on for years and got married to her and had a family. We hadn't spoken ever since then.

Me: Talk about bad blood. I'm sorry Wolfgang.

Wolfgang: It's all right mates. But yeah Wednesday has been trying to get us back together.

Me: Maybe we can help out with that.

Wolfgang: Not necessary. I got a new family right here. I've moved on.

Me: True but you still need your brother with you.

Qin: Yeah you guys need to bury the hatchet and reconnect.

Me: Having a grudge like that is not healthy.

Rarity: I agree. Lets get you some new clothes darlings.

The Fashion Brigade gave the girls new clothes. Wednesday had black clothes and a deadly dark scythe. Selina had gold clothes and a nebula sword. Sougo gave her Rider Belt and Grand Zi-O ridewatches back to her.

Selina Tokiwa: We look awesome.

Me: You sure do.

Nico: Yep.

Poromon: Let's keep going.

Me: Right. Lets get a move on.

Lincoln: (Sensed for Amber Jurassic) There! I found Amber Jurassic just as the viewing window saw. (Sensed for Ryan Davis) And I also spotted Ryan Davis, he's 200 yards away near the location and he's trying to shoot the girl dead!

Me: That piece of shit!

We then took off into the air to rescue Amber Jurassic and kill Ryan Davis.

We were flying in the air, and we saw the next girl, Amber Jurassic, she was a cute orange-haired mega hot girl with red eyes and in quicksand, but then, we saw bullets being shot right at her and we saw our main target: a male with wild brown hair, red eyes full of hatred, and wearing a red prison jumpsuit, it was Ryan Davis, my old enemy.

Ryan Davis: STAY STILL! I'm gonna enjoy killing you, bitch, before you sink in quicksand, and once that shithead fuck Knudson and all of Team Loud Phoenix Storm shows up along with those stupid Masters of Evil, I'll fuck them all up!

Me: OH, FUCK YOU, YOU PIECE OF SHIT!

I swooped in and pulled Amber Jurassic out of the quicksand and went back up into the air.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, YOU PIECE OF SHIT!

Alexander Maxwell and Tyler Maxwell charged at Ryan Davis, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive warhammer and he even shot at him with his machine guns, while Alexander Maxwell slashed at his grunts with his massive greatsword and shot at him with his guns.

Caleb Maxwell: Son of a...!

I punched Ryan in his face.

Me: Remember me jerkface!?

Ryan Davis: You ruined my life Knudson!

Me: You brought all that on yourself!

Nico: So how many left after this?

Me: 4 I think.

Nico: Okay.

Qin: Good.

I punched Ryan in his stomach and face and kicked him and punched him all over the place.

Qin: YEAH!

Milotic charged at him and blasted him all over.

all over.

Nico: YEAH!

Nico punched him!

POW!

Sougo: Ready sis?

Selina: You know it bro.

Sougo and Selena pulled out their fusion Ridewatch and activates it, causing panels with the other Riders' faces on them from 1971 to 2024 appear and slide out of the sides.

Grand Zi-O Ridewatch: Grand Zi-O!

Another Grand Zi-O Ridewatch: Another Grand Zi-O

With the Grand Zi-O Ridewatches activated, Sougo and Selina slides it onto the left and right track on their Ziku Driver as statues of all the main Riders from 1971 to Present in the field appear around them with some sort of clock-tower structure behind them, culminating in him pressing the button on the top of the unit and rotating the Ziku Driver 360 degrees.

Ziku Drivers (Sougo and Selina): Grand Time! Kamen Rider, V3, X, Stronger, Super 1, ZX, Black, Amazon, Black Sun, Kuuga, Agito, Ryuki, Faiz, Blade! Hibiki, Kabuto, Den-O, Kiva, Decade! Double, OOO, Fourze! Wizard, Gaim, Drive! Ghost! Ex-Aid! Build! Iwae! Saber, Zero One, Gotchard, Geats, Gavv! Kamen Rider! Grand Zi-O!

With that, the Kamen Rider statues from 1971 to 2024 are encased in some sort of frame and start swirling around Sougo before ultimately attaching to him, turning his armor gold and generating shoulder pads to accommodate all of them, before the Zi-O statue settles on his helmet like a crown, putting gold lining around the pink text visor.

Sougo: FULFILLING THE LEGACY OF ALL RIDERS! KAMEN

RIDER GRAND-ZI-O!

Selina: THE ULTIMATE LEGACY OF ALL RIDERS! KAMEN RIDER GRAND YIN-YANG ZI-O!

Both: THE ROYAL LEGACY OF ALL RIDERS FROM PAST AND PRESENT! ZI-O LEGACY OF RIDERS FOREVER!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Kotaro Minami: An honor to meet you J.D. and Team Loud Phoenix Storm.

Me: Same to you Kotaro. But what are you doing here all the way on Criam?

Kotaro Minami: After what happened to me in 1987 I went into hiding.

Me: Why?

Kotaro Minami: It's complicated.

Me: I never watched Kamen Rider Black or Black Sun but I heard about what happened to you because of Nobuhiko Akizuki. That was horrible!

Kotaro Minami: I know.

Me: We're going to put Nobuhiko Akizuki In the M.O.E. Vypra will talk some sense out of him.

Kotaro Minami: Thank you guys. You really truly live up to your good name.

Nico: Of course, one of them is Anti Monitor's second in command

Me: Long story but it's true.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Ryan Davis with silver bullets from his guns and he blasted him with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Ryan Davis as he got hit and we all heard Caleb's wicked and insane laughter as he shot at Ryan Davis with darkness and malice. Caleb landed as the barrier came down.

Rayman fired a barrage of purple energy fists that attacked Ryan Davis with swift fury and brutality, and we landed.

Me: You've got some nerve showing your fucking face here again, Ryan! I thought I was done with you years ago, and now, I find out you and six other shitheads from the past have busted out of prison and you also kidnapped a girl and tried to make her sink in quicksand after you shot her! You haven't changed at all! You're still the same fucking asshole from long ago!

Ryan Davis: SCREW YOU, SHITHEAD KNUDSON! DIE!

Ryan Davis got out a knife and tried to stab me with it, but I broke his wrist and smashed his face in with a punch to the face, and now, he was pissed!

Ryan Davis: THAT'S IT! GET OUT HERE, BOYS!

His thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Ryan Davis big time!

Then, Lincoln fired five massive balls of fire from his left hand and they orbited around Ryan Davis, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher

Arpina Infernaira: Ooh! Now, that's just brutal.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw them down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

Twilight Velvet: Now, it's my turn to deliver unto you your punishment. I am the mother of Twilight Sparkle the Princess of Friendship and bringer of the Magic of Friendship to all. When my cutie Mark comes to life, My Magic will bring evil's fall!

MAGIC AND STARS SWIRLED AROUND HER!

Twilight Velvet held up her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, Twilight Velvet then underwent an intense and amazing transformation! Twilight Velvet had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow stars on her forearms, she also got white lines on her hair and tail. She then had her Cutie Mark change into many rainbow stars, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW STARS OF MAGIC!

EVERYONE GASPED!

May: WHOA! WHAT POWER!

Twilight Velvet: Amazing! Mom did it!

Me: SHE DID IT! YOUR MOM'S UNLOCKED HER RAINBOW POWER, TWILIGHT!

Twilight Velvet: Now, to make sure you can never hurt anyone else again.

She fired rainbow magic and stars at Ryan Davis, and he got hit hard.

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP!

Nico: OH NO!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, he growled in pain as hot fire coursed through his veins that started glowing green, and then, he fell to their knees as his muscles: both upper and lower body and nether regions started growing to enormous proportions which caused his prison top to explode off as the muscle growth continued to spread through his body and he also gained twelve-pack abs and his jumpsuit pants were left as tattered shorts and he suddenly grew into a gigantic 50'0" tall behemoth with extremely massive muscles and he roared and pounded his chest like a gorilla!

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it made Ryan Davis even more angrier and pissed off and it made him even stronger.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Ryan Davis hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Ryan Davis was on his last legs and he was really really mangled.

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chest, back, arms, legs, and stomach of Ryan Davis, and we began absorbing him and we assimilated his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, Ryan Davis began shrinking in height and muscle mass as his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of him one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, Ryan Davis was shrunk back to his normal size and left as a desiccated skeleton drained of everything and we fired a blast of fire that burned him to ashes and we sent him to The Black Abyss. We cheered as we holstered our weapons and powered down.

Nico: I'm getting sick of these unwanted enemies of your past to last an eternity!

Me: You and me both brotha. But look on the bright side, at least we are getting rid of them.

Nico: True.

Me: And that's three down, and four to go.

Suddenly, Amber Jurassic ran up to me and jumped me and she kissed me on the lips, arms, pecs, and twelve-pack abs, and overcome by wild love, I suddenly returned her kiss. Then, she pressed her large nude breasts and chest against my massive hairy pecs and her stomach against my twelve-pack abs causing my nose to bleed, and that alone caused my Mark of The Incubi on my left thigh to glow with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Amber Jurassic: Thank you for rescuing me.

Me: You're welcome.

Suddenly, I pinned Amber Jurassic down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Amber Jurassic with orange gems on the gold flame-shaped links and orange crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Amber Jurassic: (In Heaven) (Rubs my massive hairy pecs) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

Nico: Nice job Milotic.

Milotic: Thanks. That was so fun.

Qin: It sure was.

Lola: Yep.

Poromon: Want some beer?

Milotic: Oh no thanks. I drink something good. Got any Pomegranate martinis?

Me: That I can do.

I pulled out some martini stuff and pomegranate juice. Mixed the juice, vodka, sweetener and cointreau and made a good martini.

Me: You like the fancy schmany frou frou drinks.

Milotic: Yep. It's good.

She drank it.

Milotic: Ahh. Delicious.

Poromon: That is cool.

Poliwag did puppy eyes.

Poliwag: Pwetty Pwease?

Nico: Poliwag that's enough. Besides martini's are just as good.

Poliwag: They are?

Me: Yep. But they are expensive as all get out.

Nico: Yep.

Poliwag: Oh man.

Me: Yeah.

Mr. Krabs: I'm going to have the mascots make lunch for ye. I once served on the S.S. Gourmet.

Me: Really? Wow!

Poromon: Yay!

Nico: Oh, Buzzshock, what do you like to do in your free time?

Buzzshock: Oh I work in the electric power plant. I use my powers to charge up the generators there just in case.

Me: Wow!

Ben: I remember when we first encountered a bunch of Megawhatts. They were in a massive rubber band ball.

Nico: Really?

Gwen Tennyson: They were kept in that ball for a reason and were mischief makers.

Me: That's right because rubber doesn't conduct electricity.

Buzzshock: Yeah several members of my race are known to be like that.

Shanan: He's right on that. Nosedeenians have been known to be quite a bunch of mischief makers.

Ymir: Nosedeenians?

Shanan: That's the name of Buzzshock's race. They come from the Nosedeenian Quasar and are battery like energy and electricity aliens.

Ymir: I see.

Nico: Now for the Anothers.

Selina Tokiwa: The Anothers?

Me: We call them that because aside from Swartz making Another Riders, we found out that over the last 2 years, Swartz make Another Rangers, Aliens, us, Pokemon, M.O.E. Members, and more.

Sakura Knudson: It's true and I was Another Ultimate Humongousaur. Long nasty story.

Selina Tokiwa: Oh man! That is rough!

Me: I know.

Lincoln: Let's take care of The Anothers right now. (Sensed the

Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another of Leif Loud.

Leif Loud: Whoa! Another Me?

Lincoln: We'll find out soon.

Eli: Right, and one of them is also The Keyblade Knight of Planet Orion.

Me: WHOA! Kaguya's home planet. Scary!

Nico: Yep.

Me: So we got Another Nanobot (My Life as a Teenage Robot), Gameface (X-Squad), Voodoo, Shin Pikachu, El Niño Loco and Valkia the Bloody.

Nico: Yep. And Buzzshock, Irena Midnight Indigo Zap, Amelya San Diego, Violet Thunder, Wendy Watttail and Colleen Shannon are up.

Me: Electrifying.

Eli: Yep. (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Then, one of the Anothers changed, and it was The Keyblade Knight of Planet Orion, Olivia Orion Otsutsuki, and with her are Nanami Otsutsuki, Megami Otsutsuki, Mya Otsutsuki, Miyuki Otsutsuki and Hayano Otsutsuki.

Lincoln: (GASPS) Olivia Orion Otsutsuki, Keyblade Knight of Planet Orion!

Kaguya Otsutsuki: And Nanami Otsutsuki, Megami Otsutsuki, Mya Otsutsuki, Miyuki Otsutsuki and Hayano Otsutsuki.

Me: Whoa! The Keyblade Knight of those planet destroying parasites! (Sensed her energy) HOLY MOLY! And her energy and her power is incredibly massive!

Nico: No fooling! That's so awesome, and you know her, Lincoln?

Lincoln: I do, guys.

Ophelia Otsutsuki: And so do we, this is Olivia Orion Otsutsuki, Keyblade Knight of Orion, she's Lincoln's Guardian Angel from Pangea and she's a very powerful epic force. She's the Keyblade Knight of the Planet Orion and a master of all the elemental forces of nature and the powers of the cosmos and beyond. She has all the very powers of the Otsutsuki clan and she is immensely powerful! She's also known as the Destroyer of the Otsutsuki Clan. For eons, her race and clan of the Otsutsuki Clan have terrorized the entire universe as a clan of space parasites by sucking planets dry of life and energy and killing countless inhabitants all over the universe. They did all this to evolve into all powerful beings. After realizing what they were doing, Olivia had enough! She along with Nanami Otsutsuki, Megami Otsutsuki, Mya Otsutsuki, Miyuki Otsutsuki and Hayano Otsutsuki led a team of rebels called The Anti-Otsutsuki Purification Rebels, and with a powerful magical spell, they neutralized all of her clan's power, and together, they single-handed annihilated the entire Otsutsuki Clan and left none of them alive except for Kaguya. The actions her race had done were so unforgivable that she and her friends left for Earth to start a new life. But before they left, they destroyed Planet Orion completely, and in doing so, with the planet Orion and the Otsutsuki clan completely obliterated and reduced to space dust, Olivia ensured that the Otsutsuki Clan would NEVER Return to terrorize the Universe ever again! She and her friends went back in time to the 21st Century, and they became Lincoln's Guardian Angels. Olivia became the Guardian Angel and Nanami Otsutsuki, Megami Otsutsuki, Mya Otsutsuki, Miyuki Otsutsuki and Hayano Otsutsuki became her allies and helpers. She came to Royal Woods and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, she taught Lincoln everything she knows and how to master all the elemental forces of nature and the powers of the cosmos and beyond and all the very powers of the Otsutsuki clan, and over time, Lincoln gained the elemental forces of nature and the powers of the cosmos and beyond. She has all the very powers of the Otsutsuki clan, and she also helped him really bulk up big time in muscle. Lincoln made her an awesome sword, and she kissed him on the lips, and as a result, when he comes of age, he promised he'll marry her along with the rest of his harem, and they hate all of Lincoln's enemies with a passion and a vengeance and vowed to destroy them like they did to her people.

WE GASPED!

Me: Oh man! So, you, Nanami Otsutsuki, Megami Otsutsuki, Mya Otsutsuki, Miyuki Otsutsuki and Hayano Otsutsuki used a powerful magical spell and neutralized all of your former clan's power and singled-handed annihilated the entire Otsutsuki Clan and left none of them alive except for Kaguya?

Nanami Otsutsuki: That's correct.

Megami Otsutsuki: And we knew you all redeemed Kaguya.

Kaguya Otsutsuki: They saved me from myself, it was because of my former clan and people, that I was led down this path.

Oliva Orion Otsutsuki: You don't have to worry about them anymore, we made sure those parasites got the punishment of their lives. (To Lincoln) And it's so good to see you again, Lincoln, but whoa, you've grown quite a lot!

Suddenly, Lincoln pinned Oliva Orion Otsutsuki to a tree and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Oliva Orion Otsutsuki with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Oliva Orion Otsutsuki: (In Heaven and still rubs Lincoln's massive pecs) My Goodness, who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms even more around her waist and pinned her closer to his body and she really felt how much stronger he really is.

Rarity: (Snickers) Be careful, dear, he won't let go THAT easily!

Nico: There they are!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

They reverted back.

Hayley was a girl with brown hair and blue eyes and had Moth Antennae on her head and had brown and green clothes and had Hercules Moth Wings and had Number 28 on her forehead, shirt and skirt and had a Luna Moth with the moon on her arm as a cutie mark and had a moonlight sword.

Andrea had black hair and blue eyes and grey clothes and had grey angel wings and had Number 27 on her forehead, skirt and shirt and had the U.S.S. Iowa on her arm as a cutie mark and had a cannon sword in her hand.

Nico: Nice job!

Hayley Hercules: That was cool!

Me: Yep.

Irena Midnight Indigo Zap: Do you girls have any good memories of Nico?

Hayley Hercules: We sure do. Mine is where me and Nico went into the Costa Rican jungle and found all kinds of beautiful moths at night.

Nico: That was fun.

Me: Neat.

Andrea Iowa: And mine is where I showed Nico my family's battleship estate. My family lives in a U.S.S. Iowa battleship that we rebuilt into a house.

Me: That is amazing! That is a huge ship made by the Navy.

Xenia: It sure is.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Hayley Hercules: Same here.

We went back to Earth.

We had all of TLPS and The MOE with us, and the business district of Gotham Royal York is in chaos.

Lincoln: Whoa, we're here in The Old Clockworks in Evershade Valley, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we're going after another enemy of Adrian Morrigan.

Adrian Morrigan: That's correct, the person we're going after is Nathan Morrigan, he's my cousin, but he's just like Cordelia Morrigan and he's pure evil, and even worse, he murdered a friend of mine long ago.

He took out the picture of a young girl with brown hair and blue eyes.

Adrian Morrigan: Her name is Sarah Taylor, she'd gone to me in the past for a reason: she had the power to see ghosts when she was a kid, and this power made her an outcast by others, but I saw that power of hers made her unique. So, I came to her and she told me everything about the power she has. Her parents told her one day about her connections to mediums with the power to see into the spirit world, and she also saw the ghosts that were with me. She finally understood the reason as to why she had this power, and she always used it to help others in need. But, one day, I got the word of a body found in her home, and I found out Sarah and her parents were murdered.

Adrian Morrigan took out the picture of Nathan Morrigan, he has black hair, purple-pink eyes, black clothes, and he had an aura of pure evil.

Nico: So, that's...?

Adrian Morrigan: Yes, my cousin, Nathan Morrigan, he like Cordelia Morrigan, has the powers of darkness and the Boos, and he's also pure evil. It was done as part of a plot by him and Cordelia to slake their thirst for blood. He disappeared long ago, and now, I find out he's here in The Old Clockworks. But, this is where he'll meet his end.

Me: That's for sure.

Buzzshock: Yep. So, where is he?

Adrian Morrigan: I can think of only one place: The Clock Tower.

We got a move on, and we also saw the inside of The Old Clockworks.

Nicole: Back then, this place produced the finest timepieces ever, but the factory closed down, and now, it's a resident haunt for ghosts galore.

Adrian Morrigan: The ghosts are making sure none of The Boos loyal to my father aren't going to try and cause trouble. But, The Boos loyal only to me have been keeping an eye on Evershade Valley and ever since Cordelia got The Black Abyss, it's been peaceful here in Evershade Valley and The Phoenix Castle Resort.

Suddenly, we felt a dark presence on the top of The Clock Tower.

Adrian Morrigan: It's Nathan. Come on, we need to get going.

We got a move on, and as we got to The Clock Tower, we saw our target: Nathan Morrigan, the killer of Adrian Morrigan's friend, Sarah Taylor.

Adrian Morrigan: Nathan!

Nathan Morrigan: YOU!

Damien: We didn't think you'd show your face here again, Nathan, after you murdered Sarah, you fled to Cordelia's location. But, that ends now.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Nathan Morrigan with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Nathan Morrigan as he got hit and we all heard Caleb's wicked and insane laughter as he shot at Nathan Morrigan with darkness and malice. Caleb landed as the barrier came down.

Nico: That was quite an adventure in one of the places in Evershade Valley.

Me: There's still The Gloomy Manor, The Haunted Towers, The Secret Mine, and we might make yet another stop at The Treacherous Mansion.

Lincoln: We'll see what happens from here.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long light red hair, purple eyes, massive rainbow angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, light red sleeveless strapless top, light red skirt with Gem-Knight Master Diamond white bridal gloves, light red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Master Diamond and The Gem-Knight Order of Crystal Justice, she has Gem-Knight Master Diamond's broadsword, and with her are the twelve girls.

Lincoln: (GASPS) Catherine Diamantis, Avatar and Gene-Slammer of Gem-Knight Master Diamond.

Catherine Diamantis: That's right, and I got the girls away from that ghoul.

Nico: That's good.

Me: That ghoul's murderous actions claimed the life of one person already years ago.

Lincoln: And this is where his murderous rampage ends. (To Catherine Diamantis) And it's so good to see you again, Catherine.

Catherine Diamantis: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Catherine Diamantis had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Catherine Diamantis was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Catherine Diamantis: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Catherine Diamantis' waist and hugged her, and Catherine Diamantis is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Catherine Diamantis: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Catherine Diamantis, Avatar and Gene-Slammer of Gem-Knight Master Diamond, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and she also has Gem-Knight Master Diamond's broadsword as her weapon. She's known as The Rainbow Diamond Master and the leader of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The

Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Catherine Diamantis came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Catherine's parents and her little brother, Michael, in cold blood, and she swore to kill Zarya and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Catherine.

Lincoln with his massive muscular arms still wrapped around Catherine Diamantis' waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Catherine Diamantis: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Catherine Diamantis with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Catherine Diamantis: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Catherine Diamantis.

Catherine Diamantis had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Catherine Diamantis' waist, and he leaned down to her face and kissed her on the lips, and with Catherine Diamantis' hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Catherine Diamantis had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Catherine Diamantis: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The twelve girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Raniya from The Red Ranger Becomes An Adventurer In Another World, Artemisia Mesembryanthemum Cliniflors, Chihiro Harukaze, Tinctoria Wittrockiana Schmidtiana, Dianthus Chinensis Headwiggy, Inori Kanno, and Mana Yayoi from Cosscos! ~Sex with Your Favorite Cosplay~ and Aya Himeno, Haru Kasuga, Nagisa Kisaragi, Youko Sakaki, and Yuu Miyama from Doki

Doki Rooming.

Lincoln: Oh whoa, it's Raniya from The Red Ranger Becomes An Adventurer In Another World, Artemisia Mesembryanthemum Cliniflors, Chihiro Harukaze, Tinctoria Wittrockiana Schmidtiana, Dianthus Chinensis Headwiggy, Inori Kanno, and Mana Yayoi from Cosscos! ~Sex with Your Favorite Cosplay~ and Aya Himeno, Haru Kasuga, Nagisa Kisaragi, Youko Sakaki, and Yuu Miyama from Doki Doki Rooming.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, these girls are cute and sexy.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Raniya: Yes, we're okay, thanks to you.

Then, when Raniya and the other eleven girls saw who it was that saved them from Nathan Morrigan, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and

Raniya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings

and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Raniya: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Raniya, Artemisia Mesembryanthemum Cliniflors, Chihiro Harukaze, Tinctoria Wittrockiana Schmidtiana, Dianthus Chinensis Headwiggy, Inori Kanno, Mana Yayoi, Aya Himeno, Haru Kasuga, Nagisa Kisaragi, Youko Sakaki, and Yuu Miyama with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Oh man, that was one awesome and intense battle!

May: And at least, Adrian avenged his friend's death and got rid of the last of his evil relatives.

Lincoln: First, Cordelia, and now, Nathan.

Nico: Yep.

Me: Either way, at least, that ghoul's gone for good.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long neon purple hair, purple flower in her hair, pink eyes, massive purple angel wings, she has on a purple two piece bikini, and in her hand is a lightning greatsword.

Lincoln: (GASPS) Fulia Fulguraira, Queen of The Fulgurairans of Planet Fulguraira.

Nico: The only surviving Fulgurairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Fulia Fulguraira, Queen of The Fulgurairans of Planet Fulguraira, she's Lincoln's Guardian Angel from the planet of Fulguraira in The Forbidden Zone. She was the Queen of the Fulgurrirans who ruled the planet of Fulguraira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over lightning and the ability to grow even stronger, but she was also born with angel wings, Cosmic Electrokinesis, lightning, storms, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Fulia Fulguraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Electrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, wind, the sky, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Electrokinesis, Omnipotence, Omniscience, Cosmic Awareness, lightning, and all the powers of The Fulgurairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome wind greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a blazing passion, and she swore to electrocute her to death with the power of Fulgurira.

Fulia Fulguraira: And I knew Lincoln absorbed the souls of the male Fulgurairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Fulia Fulguraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Fulia Fulguraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Fulia Fulguraira with neon purple gems on the gold lightning bolts and neon purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Fulia Fulguraira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and kept her closer to his body even more and she really felt how much stronger he really is.

Fulia Fulguraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Fulgurairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us destroyed Nathan Morrigan and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Catherine Diamantis saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Catherine Diamantis: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Catherine, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Catherine Diamantis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago

into the really huge, really strong, and really powerful wolf man we know today.

Catherine Diamantis: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm, it was Darryl Calderon, Oogie Boogie's son.

Brandon Skellington: So, Darryl's back?!

Nico: That means, Oogie Boogie's the villain we're going after today.

Brandon Skellington: I'll deal with him. Then, I got to warn The Mayor and all of Halloween Town of Oogie Boogie.

Brandon Skellington flew out and confronted Darryl Calderon.

Brandon Skellington: You got some nerve coming back from the dead, Darryl. But, I'm not that surprised, if you're back, that means Oogie Boogie is back.

Darryl Calderon: You ruined our plans, Brandon, but never again! Halloween Town will be ours!

Suddenly, Brandon Skellington's orange eyes turned neon orange and he was surrounded by a black and orange, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark magic, black magic, Satanic Magic, pumpkin fire, ghostly ice, dark lightning, pumpkins, ghosts, bats, black cats, spiders, witch hats, Halloween creatures, phoenixes, and angels.

Brandon Skellington: I'm afraid that will not happen at all, Darryl. Your father failed before in the past, and so have you. Now, this is where I say my final farewells to you, this is where you perish once and for all.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF BRANDON SKELLINGTON WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE HALLOWEEN CREATURES, AND RAINBOW FIRE ANGEL AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE HALLOWEEN CREATURES, AND RAINBOW FIRE ANGEL WENT BACK TO EARTH AND BRANDON SKELLINGTON GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Brandon Skellington exploded in power and he was surrounded by a massive vortex of black and orange, white, golden yellow, and blue energy with sstars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark magic, black magic, Satanic Magic, pumpkin fire, ghostly ice, and dark lightning surrounding the vortex, there are pumpkins, ghosts, bats, black cats, spiders, witch hats, Halloween creatures, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Darryl Calderon: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and there are heavenly lights shining down on the vortex.

Suddenly, The Unity Crystals on my J.D. Knudson's True Cosmic

He came back inside to The World Tree Estate.

Nico: That was really awesome, you really gave Darryl a painful thrashing.

Brandon Skellington: And this'll be a prelude to what'll happen to Oogie Boogie when we go after him today.

Lincoln: I hope it ends with the grand finale from you and your dad.

Jack Skellington: Of course.

Me: Oogie's going to regret everything he's done when we go after him today.

We got a shower, and then, Lincoln, Claire Volikova, and Kazuho Haneyama A.K.A. PopStep are heading to Biscarrosse Beach in Nouvelle-Aquitaine, France.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Claire Volikova, and Kazuho Haneyama A.K.A. PopStep were dressed in colored two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Claire Volikova and Kazuho Haneyama A.K.A. PopStep were had feelings for Lincoln, and he also had feelings for them and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Kazuho Haneyama: Wow, so this is Biscarrosse Beach in France, it sure is beautiful.

Lincoln: It sure is, Kazuho, and it's perfect for our first date. Shall we?

Lincoln, Claire Volikova, and Kazuho Haneyama A.K.A. PopStep dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Claire Volikova, and Kazuho Haneyama A.K.A. PopStep also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Claire Volikova, and Kazuho Haneyama A.K.A. PopStep a deep tissue massage, and when he was done with that, Tina Rex was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area

Lincoln created, and Claire Volikova and Kazuho Haneyama A.K.A. PopStep got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Kazuho Haneyama: (Swooning) Oh man, the other girls were right. What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Claire Volikova and Kazuho Haneyama A.K.A. PopStep and they hugged them in their abnormally massive and powerful muscular arms, and Claire Volikova and Kazuho Haneyama A.K.A. PopStep placed their hands on the massive hairy pecs of Lincoln and his clones, but he wasn't done. Then, he had them lying down on a beach towel with him and his clones on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare

chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Biscarrosse Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Claire Volikova and Kazuho Haneyama A.K.A. PopStep with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with seven white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Claire Volikova and Kazuho Haneyama A.K.A. PopStep are in your harem, Linky.

Claire Volikova and Kazuho Haneyama A.K.A. PopStep showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Kazuho Haneyama: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger

than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Oogie Boogie starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots and Mr. Krabs went into the kitchen.

Lana: I wonder what you guys are making?

Poromon: It's gonna be fun.

Lana: All right.

Later I was reading a book in the living room. But then...

KRABOOOOOOOOMM!

I heard an explosion from the kitchen!

Me: What was that!?

I went into the kitchen and the place was a mess.

Me: What happened?

Mr. Krabs: Peas! [a can of peas, still in the can, is on the stove and is on fire] Made 'em the old-fashioned way.

Poromon: We're making lunch and Mr. Krabs is showing us how he did it.

Me: Oh so that's what you guys were planning! But guys you gotta take 'em out of the can first. [gasps] HOLY FISH PASTE! WHAT IS THAT!? [notices a giant goop pile of food on the grill, with flies and other things sticking out of it]

WHAT THE FUCK IS THAT MONSTROSITY!?

Mr. Krabs: That's the appetizer.

Poromon: Mr. Krabs showed us how to make that too.

Poliwag: We served it to everyone.

LOUD NASTY VOMIT ATTACKS

Me: OH GOOD GOD! Mr. Krabs I thought you said you cooked on the S.S. Gourmet?

Mr. Krabs: Did I say that? Sorry I was too caught up in the action.

But no I cleaned the bathrooms on the Gourmet. I was the head chef on the S.S. Diarrhea.

Me: You did mention something like that when Lincoln and his friends got sick.

EVERYONE WAS HURLING BAD!

Nico: CLEANUP ON AISLE 12!

Me: GOOD GOD! No offense Mr. Krabs but you need to have SERIOUS retraining in your cooking skills.

Mr. Krabs: Aye you're right lad. I'm a terrible cook.

Leif: I'll try some!

EVERYONE HURLED!

Me: YUCK!

Qin: OH GOOD GOD THAT IS FOUL! AND I THOUGHT EATING CHUM AT THE CHUM BUCKET WAS TERRIBLE! (VOMITS)

Plankton: (Offended) HEY!

Me: Well would you rather have the Appetizer or something made from jellyfish squeezings, whale blubber, seahorse snout and anchor rust!?

THEY VOMITED MASSIVE QUANTITIES!

Plankton: Okay I see your point.

Ransack: You trying to kill us?!

Me: Now now guys we always have a backup plan.

Erica Tala: Let me work my magic.

Me: While it's being prepared you guys better hurry and use the toilets.

ZOOM!

THEY WENT TO THE BATHROOMS AND HURLED IN THE TOILETS!

Later everyone came back and Erica came out with a REALLY AWESOME LOOKING MEAL!

Me: Ooh that looks awesome Erica.

Erica Tala: It's roasted chicken wellington with saffron curry and garlic mashed potatoes with chicken gravy.

Mary Knudson: It's one of the recipes I taught her.

Me: Cool!

We got to eating and it was delicious!

Me: (EATING) MMMM! Oh boy!

Nico: (Eating) Yummy!

Chase: We thought you guys would make lunch yourselves!

Poromon: I know. Sorry.

Me: Not your fault guys.

Mr. Krabs: It's mine.

Lily Loud: We'll help you get better.

Camie: Yeah.

We got finished.

Me: (BURPS) Oh pardon.

Rarity: That was absolutely exquisite!

Me: You said it.

Nico: Just glad the actual appetizer never showed up

Lily: That would be bad.

Then the alarm went off.

Me: Uh oh!

We went to the computer and saw something going on in the park.

Me: There's a disturbance in the park! Lets go!

Nico: You heard the man!

We went to the park and saw a woman being attacked by a Mega Moltres, Mega Porygon Z and Mega Entei! The woman had brown hair and brown eyes and had a torn up prison jumpsuit.

Me: WHOA! A Mega Moltres, Mega Entei and Mega Porygon Z.

Qin: Three Mega Pokemon! Wow!

Nico: Where did they come from?!

Me: Must be three of Dark Gale's work. But wait that woman.

I looked at her and saw that it was a woman from my past!

Me: OH FOR FUCKS SAKE! That woman is another enemy from my past!

Nico: ANOTHER ONE!? Who is it this time?

Me: Her name is Joyce Osworth and she was a heartless teacher that went to my elementary school years ago.

Sakura Knudson: I remember Joyce! She was a REALLY NASTY BULLY! She abused all the teachers and many of the kids there!

Me: Yep and the final straw that broke the camels back was when she assault one of the teachers at her son's funeral. She beat her up so bad that she almost killed her. But me and Sakura caught everything she did on our phones and we showed everyone on social media. The Whole school was totally outraged about what she did and they wanted her fired immediately. It caught the attention of the superintendent and he was outrage! He fired her on the spot and her teaching license was permanently revoked and she was permanently blacklisted from ever teaching again. After she was fired her husband divorced her and stole all of her money. She then got disowned by her family and became homeless. She then felt no remorse for her actions and went insane! She took a bunch of explosives and placed them near the school and completely blew up the school. It was all in shambles and flaming ruins and many students were killed because of her.

Sakura Knudson: What she didn't know however was that I recorded her doing the act and sent it out on social media.

Me: It caught the attention of the news and the FBI. She was arrested and charged with destruction of government property, terrorism, multiple counts of capital murder and vandalism. She was convicted of all counts. But instead of getting the Death Penalty because they thought it would be too easy, they deported her and banished her to a maximum security gulag in Siberia in Russia. And she was the punching bag of all the prisoners there. But before she was sent out, she swore revenge on me and Sakura! She vowed she would return and kill us!

EVERYONE GASPED!

Nico: GEEZ!

Me: I know.

Sakura Knudson: I'll deal with her. You guys focus on the Dark Gale Pokemon.

Me: Okay. (WINCES)

My mark glowed intensely.

Me: My birthmark is reacting to something! It must be from the Mega Moltres!

Tsurugi: Let me see.

He used telepathy and gasped!

Tsurugi Ohtori: It's my sister Houou Ohtori!

Shanan: WHOA! The Queen of the Hronorians!? That's incredible!

Tsurugi Ohtori: Yes and she is legendary in the powers of the Phoenix too.

Me: WHOA!

Lucky: Lets see.

He used telepathy on the Mega Entei and gasped!

Lucky: LUCKY! It's my sister Camii!

Shanan: The Queen of the Carnleonians!? Whoa!

Me: The sisters of the 2 Red Kyurangers! That is cool!

Emu: It sure is. Lets see.

He used telepathy on the Mega Porygon Z and gasped!

Emu Hojo: I don't believe it! It's my sister Emilia Hojo! She is known as Kamen Rider Dantera! She as all the powers of the game Dante's Inferno.

Me: WHOA!

Nicole: That is so cool!

Horsea: It sure is!

KROW!

Sakura punched Joyce in her face and kicked her in her stomach!

Sakura Knudson: That was for hurting Ms. Leila!

Me: WHOA! Well either way lets go help them!

Me, Lucky, Tsurugi and Emu went over.

Lucky: (To Mega Entei) It's me Lucky sis!

Tsurugi: (To Mega Moltres) Its your legendary bro sis!

Emu: (To Mega Porygon Z) Yeah sis it's me Emu!

Mega Porygon Z used Tri Attack on Horsea but she put her clone in front of her

KRABOOM!

The clone was blasted down.

Horsea: HA!

Me: Too bad that episode was cut because of the Strobe Light Effect.

Deadpool: That is a darn shame!

Mega Moltres fired a Fire Ray blast and Horsea grabbed another clone And blocked it with that!

Horsea: NICE TRY!

Mega Entei fired a purple fireball blast and Horsea used a 3rd clone and blocked it with that!

MASSIVE FIERY EXPLOSION!

Me: WHOA!

Horsea: Take that!

Me: Okay then...

I snapped my fingers and they reverted back. Camii and Houou were two girls with red hair and red eyes and fire angel wings and red angel wings. Houou had the Phoenix symbol on her forehead and on her arm with the Constellation of Phoenix the Firebird and the symbol of Phoenix on her arm as a cutie mark. Camii had the

Lion Symbol of the Kyurangers on her forehead and had the lion with the constellation of Leo with the symbol of Leo on her arm.

Emilia was a girl with black hair and red eyes and had black angel wings and had a red and black version of the Ex-Aid symbol with the Star of Satan and the symbols of Hell along it on her forehead. She had a Cross with a scythe on a star of satan with the nine symbols of the 9 Circles of Hell on her arm as a cutie mark.

We wrapped them in blankets and brought them over to a bench. Then...

BANG!

We saw that Sakura shot and killed Joyce! She killed her by putting a bullet through her brains!

Me: Nice shot sis!

Sakura Knudson: She had it coming.

We sent her spirit to the Black Abyss.

They woke up and saw Horsea's smiling face.

Emilia Hojo: (Groans) Huh? A Horsea?

Houou Ohtori: Wow.

Camii: What hit me?

Horsea: You girls blasted my clones!

Emu: You girls alright?

Lucky: Yeah are you okay?

Tsurugi: Are you okay?

Emilia Hojo: Emu!

Houou: Tsurugi!

Camii: LUCKY!

They hugged them!

Camii: Thank goodness you're okay!

Lucky: Me too.

Me: You girls were turned into 3 Mega Pokemon by Dark Gale. Camii you were a Mega Entei, Houou you were a Mega Moltres and Emilia you were turned into a Mega Porygon Z.

Emilia Hojo: Oh man! We don't know who Dark Gale is.

Me: They are a pokemon villain organization that we destroyed a while back. What were you all doing when you got slammed?

Emilia Hojo: I was battling the Vernier Bugster and he was infecting an entire orphanage.

Kopaka: I remember the Vernier Bugster! He was nasty!

Me: He was.

Houou: I was battling Akyanba on my home planet Hronor.

Me: I remember Akyanba! She was a nasty piece of work!

Camii: Yeah. And I was battling Scorpio on my home planet Carnleos.

Stinger: Scorpio was my brother.

Camii: I know.

Me: I remember that. That was awful. But you girls will be happy to know that Don Armage is dead. We killed him and the Jark Matter are all serving Vypra in the M.O.E.

Nico: We killed him recently

Me: Yeah we did. We met the Kyurangers 3 years ago in Universe 19 and helped them destroy some of their enemies.

Camii: WOW! That explains why the war was over.

Me: Because Jark Matter was no match for the most powerful force in the entire universe. Also Houou, I was told you were coming because of this.

I showed my birthmark on my neck.

Houou: Wow! You have the same symbol like me.

She had a symbol on her neck like mine!

Me: Whoa! That is cool!

Houou: It sure is. But I'm glad Don Armage is dead.

Me: Yep.

Rarity: Lets get you all some new clothes darlings.

The Fashion brigade gave them new clothes. Camii and Houou got red and orange clothes and Tsurugi gave Houou a copy of his Phoenix Kyuranger Sword and Camii got a fire sword. Emilia got black and red clothes and a hellfire scythe and also Emu gave her Ex-Aid belt back to her. He was holding onto it for her.

Emilia Hojo: We look amazing.

Me: You sure do.

We went back home and we were cleaning up our mess on Aisle 12.

Me: Boy what a mess.

Qin: Yeah.

Mindwipe: No offense, Mr. Krabs. But when it comes to cooking, the mascots are better off straying away from your path

Mr. Krabs: Aye none taken lads.

Me: Regardless though now we know what happened when Squidward asked you to be the chef.

Lily: Yeah Squidward asked to own the restaurant for one night to impress Squillium.

Ymir: Why would he do that?

Me: Squidward and Squilliam have been rivals since High School Band Class. Squilliam has always been the successful one.

Squidward: Yeah and I was always the failure.

Ymir: Oh man. That's rough.

Me: I know.

Lily: Yeah they never got along at all because of that. But the 20 Days of Darkness was a massive wakeup call to them.

Xenia: It's true.

Ymir: I see.

Poromon: Next time, we'll make on our own Food our way.

Me: Good idea.

Mr. Krabs: I'm sorry lads.

Me: It's all right Mr. Krabs.

Erica Tala: But at least I helped everyone out.

Me: You sure did.

Emilia Hojo: I can tell. By the way I heard how you guys killed Masamune Dan.

Me: Yes we did. But he'll be back later on in the future.

Nico: We killed him in 2022.

Emilia Hojo: Oh wow!

Qin: Yep.

Me: We had fun on those missions from August 1st thru the 14th. That was fun.

Qin: Yep.

We cleaned up the place.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was our old enemy, Oogie Boogie, he's back in Halloween Town and he's out for revenge on us yet again! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: OH, HELL NO! OOGIE BOOGIE, YOU SACK OF BUGS!

Eli: It's time.

Lincoln: That it is, Eli!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it's our old enemy, Oogie Boogie, he's back in Halloween

Town and he's out for revenge on us yet again!

EVERYONE GASPED!

Jack Skellington: Brandon had already sent a warning to all of Halloween Town, and now, all that's left is to take down Oogie Boogie and see to it he never returns.

Me: Now, all that's left is to end Oogie Boogie for good.

Nico: I'm gonna make him pay for not only everything he did, but the day he opened his big ugly mouth and sent me into that depression, that's the straw that broke the camel's back! Alright, team, let's go, Oogie Boogie's time is up!

Lincoln: Halloween Town will never belong to him ever! This is where his life ends, this time, forever!

Gira: And he is going to pay for attacking us on Chikyu!

The previous group came.

Whiplash: Can me, INSTIGATOR, Living Laser, Trap Jaw, Robo Blaze, Whiger, Griffin, Beetle, Vulture, and Drakkon go with you guys?

Nico: Yes you all can go with us.

Me: And to make this more fun lets dress up. (SNAPS FINGERS)

I was dressed in my King Inferno Costume!

Me: OH YEAH!

Nico: That's a good idea!

We all dressed up in the costumes we wore on Halloween last year.

Ymir: Awesome costumes!

Me: Thanks! I went as the male version of Solar Flare last year. I am KING INFERNO!

(FLAMES ROARED INTENSELY BEHIND ME)

Nico: YEAH!

Carnivac: Boss, which Gene Slammer do you think you'll meet next?

Me: I have a feeling it's Numbers 26 and 25 next.

Nico: You know it!

Me: WHOA! The Number 25 gene-slammer will have future sight no doubt.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Hadlar, the major antagonist in the Dragon Quest spin-off manga Dragon Quest: The Adventure of Dai, and he's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Hadlar, the major antagonist in the Dragon Quest spin-off manga Dragon Quest: The Adventure of Dai, and he's come back for revenge on us.

Aurora Nunavut Cooper: Hope you're ready to absorb him again, Lincoln.

Lincoln: Always ready, Aurora.

Nico: Too bad for him, you're far more stronger than him since last time and he's in for a nasty surprise. Alright, team, let's go, this is the final time we have to deal with Oogie Boogie.

Lincoln: Time to put an end to that bag of bugs for good, and once we put an end to him, you're next, Hadlar.

Aurora Nunavut Cooper: You made the mistake of returning, Hadlar, and now, you're going to pay for your crimes after we deal with Oogie Boogie.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Halloween Town to destroy Oogie Boogie and send that bag of bugs to The Black Abyss forever, and once we got done with him, Aurora Nunavut Cooper and Lincoln are going to destroy Hadlar and send him to The Black Abyss after Lincoln absorbs him.

* * *

We arrived in Halloween Town.

Me: Ooh spooky.

Camie: Cool!

Qin: Yeah!

Eddy: It's the true Spookyville!

Nico: Yep it sure is.

Me: I hope Jack and everyone are doing good.

Ymir: I look awesome in my costume.

She was dressed as Helen of Troy.

Me: Helen of Troy is perfect for you Ymir.

Ymir: Thanks.

Me: Come to think of it, I don't think Jack saw all our costumes last year.

Eli: He was probably busy celebrating Halloween at the time with everyone here.

Me: You might be right on that. He is the one and only Pumpkin King after all.

WE LAUGHED!

Nico: Too true.

Living Laser: Let's call Condiment King

Me: Good idea.

We did so.

Condiment King: I am here! Oh my you wore these last year.

Me: I know but since we are in Halloween Town we might as well look festive for it.

Ed came out in his viking costume.

Ed: Here I am Zombie Elvis!

Eddy: Nice nut costume Lumpy!

Ed: I am Lothar! Viking! Protector of Montezuma!

Timon: Good thing meerkats like me eat bugs

Pumbaa: And me too.

Leif: And me and Lana.

Sid Arkale: You're right about that.

Rubanoid: Where's Jack?

Me: He should be here.

We arrived in Halloween Town but it was as quiet as a graveyard. Metaphorically speaking.

Ymir: Where is everyone?

Me: This place is as quiet as a graveyard.

Lori: Literally.

Just then, a recording came on the loudspeaker.

Lori: (on the loudspeaker) I don't know but when I literally find out who it is I'm going to hunt them down and kill them and then Hakai them out of existence for the rest of their fucking ETERNITY!

Lori: That literally wasn't me!

Robo Blaze: It must be coming from City Hall

Me: Wait I remember that recording! That was what Lori said during the 20 Days of Darkness because of the Digimon Emperor!

Lori: I literally had to open my big mouth!

Me: If Oogie's trying to trick us it's not going to work!

We went to City Hall!

We found that Jack had already destroyed the recording with his Soul Robber.

Jack Skellington: I thought that I would give you a hand.

Supernova Zap: Thanks, Jack.

Me: Thank goodness.

We went outside.

?: It seems your tempers seem to be flaring.

We then saw a familiar foe of Iron Man. It was MANDARIN!

Iron Man: Mandarin!

Me: Mandarin!? WHOA! We never faced the Prime universe version of you.

Captain America: Drop whatever weapons you have right now!

Black Widow: And hands where we can see them.

Thor: Stand down, Mandarin!

Mandarin: I am not here to fight, but to give you this.

Mandarin gave Jack a map.

Me: A Map?

Jack Skellington: It's a complete map of Halloween town.

Lincoln: It could be rigged to blow.

Me: Uh oh!

Nico: Mandarin, what do you ask in return?

Mandarin: Only that you use it wisely.

Jack Skellington: And Sally?

Mandarin: Underground, like before. This will show you a shortcut that will take you to her.

Me: We appreciate that.

Nico: Why are you giving us this?

Mandarin: A shadow of disgrace has been cast upon Anti Monitor and the rest of my so called allies.

Me: A shadow of disgrace?

Luan: You heard that recording, didn't you?

Mandarin: Indeed. What Oogie just did only supports my decision. Anti Monitor's Cause is one I no longer wish to be part of.

Me: I think I understand.

Nico: In that case, why don't you join up with us?

Mandarin: Betraying my kind is not the same as accepting yours. If you wish me to join you, you'll have to earn it. (to Iron Man) We'll still fight in the future, Iron Man. But on my own terms.

With that, Mandarin teleported away.

Me: That was unexpected.

Griffin: (to me, Girl Jordan, Lincoln, Laney, Luna, Luan, Lily, and Lisa) You guys can continue to be pissed and question what Mandarin did. Or, we can follow this map and use the shortcut to get to Sally. We're doing the latter.

Me: Johnny I was not expecting Mandarin to show up. But I know that he speaks the truth because he is a man of honor.

Akira: He's right on that. When J.D. and everyone showed up to help us and we met Mandarin in our world, he surrendered peacefully and gave J.D. his 10 rings to him.

Me: He's right on that.

Griffin: Okay then.

Nico: J.D.'s judgement is correct. And yes he was telling the truth.

Me: Now we got to get a move on.

We nodded.

We followed the map to Sally.

Sinnertwin: Mandarin was right! We're getting close to Sally!

Me: That's one thing that never changes about him. He is honorable.

Lola: Yep.

Camie: Wow.

Nico: Yep. We should be getting close.

Qin: What did Mandarin mean by Shadow of Disgrace?

Me: I think I know. It means that some of Anti-Monitor's goons are fighting dirty. Like that recording of what Lori said a few minutes ago. Some of Anti-Monitor's minions are fighting dirty and using dirty tactics and they are trying to break us mentally and physically like how they did several times in the past before. But it didn't work.

Nico: That is very well it! Oh man! Just like how Oogie broke me!

Me: Yeah!

Laney: What a monster!

Qin: I know.

Drakkon: Sally?! Are you there?!

Me: She has to be here.

Jack Skellington: With that being said, guys, I'm very sorry about what happened that day. Oogie came from my world. And what he said to break Nico is partly my responsibility

Me: It's not your fault Jack. We were suffering from Dark Orb Contamination. Xehanort's essence was poisoning us.

Qin: Yeah.

Jack Skellington: I see.

Me: Yeah it was messing around with our minds and making us more vulnerable to being broken like that.

Nico: He's right.

Jack Skellington: Oh wow.

Me: I know.

We then saw a figure in the center of a big room and it was Sally.

Me: Sally!

Sally: You guys!

She turned into a Spider Monster!

Volt Luster: Hang on, Sally!

Brontes: We'll save you!

Sally (singing): We should have known not to believe

And things would not have turned so bad

Jack (singing): It's true his plan was to deceive

But that should not make you so sad

Sally (singing): But danger waits at every turn

Juru (singing): And we are ready

To set things right here

Sally (singing): How can you say that you will be okay?

And come back another day?

Jack: Sally, I'm here. You're safe now.

Sally: Jack!

Sally (singing): What will become of our dear town?

Now that we've let our leader down

Jack (singing): You know, dear Sally, that's not true

We can take this town back, me and you

Sally: There's so much danger yet to face

Tametomo (singing): But we're not worried

Jack (singing): Back home I hurried

Sena: Now we must stop

That evil Oogie's scheme

And save our Halloween

Jack: This is tougher than I thought . . .

Me: Anyone got bug spray?!

Sally: You can do it, Jack!

May: What are we, chopped liver?!

?: No that's what I am!

We saw a jar of Chopped liver on a rock. (RIMSHOT)

Sally (singing): We should have known not to believe

And things would not have turned so bad

Jack (singing): It's true his plan was to deceive

But that should not make you so sad

Sally (singing): But danger waits at every turn

Shiguru (singing): And we are ready

To set things right here

Sally (singing): How can you say that you will be okay?

And come back another day?

Jack: You're really making me angry . . .

Maria: You wouldn't like us when we're angry!

Sally: Jack, watch out!

Sally (singing): What will become of our dear town?

Now that we've let our leader down

Jack (singing): You know, dear Sally, that's not true

We can take this town back, me and you

Sally: There's so much danger yet to face

Sayo: But we're not worried

Jack: Back home I hurried

Takamichi: If we work hard

We'll overcome our shame

And beat him at his game

We fired waves of energy and danced and saved Sally from the Spider monster.

Vulture: Sally, are you okay?!

Sally: I think so. Thanks to you guys.

Me: Good. Oogie is back.

Sally: I know.

Me: We encountered him on Chikyu and that was a precursor to what's coming here.

Lana: He's right Sally. Now he's back and Mandarin told us that he is REALLY FIGHTING Dirty!

Me: It was what he did with those tactics that lead to Nico falling into that depression..

Nico: Sally, do you still have that Sleeping Soup?

Sally: Plenty of it.

She pulled out a bottle of it.

I smelled it.

Me: (Sniff) Ooh it's got Worms Wart, Frogs breath and Deadly Nightshade in it.

Sally: Yes it does.

Me: Just like what I saw and remember in the movie and from the first time we battled Oogie.

Nico: Yep.

Jack Skellington: By the way guys nice costumes. I don't think we saw those last year.

Me: You were probably busy here when it was Halloween last year. But thanks.

Nico: Finkelstein must be under Oogie's control.

Maria: Again!

Lana: This time I'm going to eat that brain!

Eli: YUCK!

Qin: OH SICK!

Me: Have at it Lana.

Nico: Okay lets get a move arrived at the lab.

We then saw the doctor.

Me: There he is.

Jack: Dr. Finkelstein! Why are you doing this!?

Dr. Finkelstein: Ah, Jack. I see you and the rest managed to make it here. I think it's time for you to rest.

Roxas: Just get it over with. I suppose it's what we deserve for letting Oogie's words break us back in 2021. But before that, would you like this soup we made? You must be getting hungry.

Dr. Finkelstein: I could use a snack.

We gave him soup.

He drank it.

Me: (In my head) That's it. Drink it all down.

He then fell asleep.

We opened his head and sure enough it had Oogie Boogie's brain in it!

But before we could pull out the Oogie brain, he woke up

Finkelstein: Trying to trick me?! I'll show you!

Beetle: Well, shit!

Dr. Finkelstein: This town has changed, my boy

Since you've been away!

Without a Pumpkin King

It's Oogie Boogie's way!

Jack: Doctor, please!

Oh, can't you see you're wrong?

Dr. Finkelstein: You were the king

But now you're nothing but prey!

Oogie Boogie is back

And he's planning to stay!

Kaito: It's a crazy web you're weaving!

Oogie Boogie will soon be leaving!

Jack: Doctor, please!

It's not too late!

Dr. Finkelstein: All my machines will seal your fate!

My lasers will slice you!

My knives will cut deep!

And when it's all over

Sally, she will weep!

The days of your good-natured

Mayhem are through!

I'll tear up this town!

And I'm starting with you!

Nico: I highly doubt that.

Jack: We'll rescue you, Doctor!

Finkelstein: Never, Jack!

Dr. Finkelstein: Well, now, my boy

It seems you've lost your crown!

In a few mere moments

You'll be six feet in the ground!

Juran: Stop at once!

Can't you see this is absurd?

Dr. Finkelstein: No more tricks!

Your friends are now your foes!

And now this dance is

Nearing its close

Gaon: All these people that you're hurting

Oh, good doctor, it's disconcerting

Doctor, please!

Your thinking is all wrong!

Dr. Finkelstein: In a moment finally you'll be gone!

Jack: Your intentions are evil!

Magine Your thoughts are all bad!

Vroon: The "thing" that you work for

Is no more than a cad!

Jack: When finally we get that

Foul brain out of you

You'll see no more foes

But friends that are true!

Finkelstein: Well, Jack. Like my inventions?

May: Fuck no!

Ed: He was talking to Jack, May.

Jack: Doctor, you've got to control yourself!

Dr. Finkelstein: This town has changed, my boy

Since you've been away!

Without a Pumpkin King

It's Oogie Boogie's way!

Jack: Doctor, please!

Oh, can't you see you're wrong?

Dr. Finkelstein: You were the king

But now you're nothing but prey!

And when it's all over

The days of your good-natured

I'll tear up this town!

And I'm starting with you!

Jack: Just about done, Doctor.

Finkelstein: Curse you, fools!

Maria: You'll thank us when this is over

Dr. Finkelstein: Well, now, my boy

It seems you've lost your crown!

In a few mere moments

You'll be six feet in the ground!

Jack: Stop at once!

Can't you see this is absurd?

Dr. Finkelstein: No more tricks!

Oh, good doctor, it's disconcerting

Doctor, please!

Dr. Finkelstein: In a moment finally you'll be gone!

Zocks: You shoot and attack us

It rolls off our backs!

He's not your enemy

He's the Pumpkin King, Jack!

Jack: When this is all over

Good friends we will be!

You'll praise Oogie no more!

You can take that from me!

* * *

I pulled it out!

Sally put his real brain back in.

Me: Appetizer for Lana.

Lana then took it and ate the whole thing!

CHOMPING AND MUNCHING!

Dr. Finkelstein: What happened?

Red Hood: You alright, Doc?

Dr. FInkelstein: I think so.

Me: Oogie had his brain in you.

Lana: Yep. But I ate it. (BURPS)

Me: That was just an appetizer Lana. Oogie's bugs are the main course.

But then something was coming!

Lock, Shock and Barrel came out of a room running in fright and the Mayor of Halloween Town came out!

Mayor: RUN FOR YOUR LIVES EVERYONE! IT'S THE APPETIZER!

A HORRIFYING MASS OF SLOP AND GRIME AND ROTTEN FOOD WITH A PIERCING RED EYE AND BLOOD RED ANGEL WINGS CAME OUT ROARING FEROCIOUSLY!

WE GASPED IN SHOCK!

ME: HOLY FISH PASTE! WHAT IN THE NINE FUCKING LEVELS OF HELL IS THAT!?

Lincoln: That's Leif's Akuma The Rotten Appetizer! The Hypothetical Akuma of Leif Loud and this is one disgusting monster! He is made of many kinds of rotten and disgusting food and he smells really horrible! He throws up garbage and chum all over the place. He was made because of Chandra, The Female version of Chandler, bullying his sister Linka and vowed to eat her and chew her up and grind her into chum.

WE GASPED IN HORROR!

Nico: Who is Chandra?

Linka: Oh she is my worlds version of Chandler and she is a NASTY MONSTER!

Jaime Diana Knudson: Chandra is 10 times worse than Chandler and she mercilessly beat up Linka so bad that she had to be rushed to the hospital on numerous occasions.

Me: What a bitch!

Nico: I don't think he's alone!

We heard a roar and outside we saw a SCARY SKELETON PUMPKINHEADED HYDRA DRAGON!

Nico: HOLY CRUD!

Lincoln: Oh man! That's Jack Skellington's Akuma, DRAGOGRUSOME! The hypothetical akuma of Jack Skellington and a REALLY HORRIFYING PUMPKIN AND HALLOWEEN DRAGON! He was made because of Oogie Boogie killing everyone Jack loved and he vowed to kill that sack of bugs no matter what!

Me: OH MAN! That one is scarier than the Appetizer!

The Rotten Appetizer came out too!

Whiger: Leif, Jack!? Is that you two?

They roared!

Me: 2 Feral ones! Guess calming them down is out of the question!

Nico: Yep.

I fired a massive blast of fire and burned and cooked The Rotten Appetizer!

Dragogrusome fired NITRONAPALMIC SLIME AT US!

We dodged it and it exploded into intense flames when it hit the ground!

Me: HOLY CRUD! That is deadly slime!

Camie: LETHAL!

Condiment King: Have some mustard!

He fired mustard and drenched the Rotten Appetizer.

HE THEN VOMITED BLOOD AT US!

We dodged it!

Me: OH SICK!

I fired waves of fire and blasted him and knocked him out.

I fired waves of intense fire and blasted Dragogruesome down and he was knocked out too!

Me: That's that.

Nico: This was foreshadowed earlier!

Me: It sure was!

Ghostfreak: Looks like I was right.

Me: You sure were.

Qin: Should we go after that ugly bag of bugs now?

Nico: First, we need to find out if Santa's okay

Me: Oh right. I've lost track of how many times Santa owes us. We saved Santa's life a lot over the last 7 years.

Nico: We sure did.

We were off.

We later arrived in Christmas Town.

Me: Wow. Christmas Town is amazing. Even though it's almost summer.

Nico: I know. And Here we are near Santa's Workshop.

Juran: Everything seems okay. And look. Santa made a new train!

Me: New train? That's no new train!

Quake Woman: That's the same train Oogie used!

Jack: Oh no! Oh no!

There's trouble everywhere!

Oh no!

There's smoke clouds in the air!

Jack: Oh no!

I can't believe my eyes

We have to help them

Hurry Jack, they wouldn't dare! Oh no!

Shego: Oh no! Oh no!

There's something very wrong!

Shocker: Oh no!

These things here don't belong!

Jack: Oh no!

The streets are lined with

Little creatures crying

All the others must be hiding

Christmas spirit is subsiding!

Oh no!

Oh no!

Lincoln: The joyous decorations here

Are melting from the fire!

No doubt the work of Oogie Boogie!

Drat that no good liar!

Robo Knight: There's fear in every window!

Oh, I can't believe my eyes!

Jack: And in my bones I feel the urge

To cut him down to size!

Spiderman: And there! Oh no!

His monsters have control!

Look out!

It chills me to my soul!

No more!

They're gathering the presents to ignite them!

Don't they know who they are for?

Oh no!

Jack: Oh no!

He's here! It's all part of his plan!

The nerve!

He's really gone too far!

This time!

Sly Cooper: It's up to us to put a stop to this

Now is our chance I cannot miss!

This town's counting on us!

So we must take charge and let them know!

The time is now

For them to go!

Oh where to start in such a mess!

Oh no!

Jack: Oh no, what now?

The peaceful town is ruined!

And look, the Christmas tree is bare!

Attacked! By someone, welcomed fiends!

I tell you I will snare them

And make sure they pay for their

Outlandish rude behavior . . .

Oh no!

The cheerfulness is missing

And the wonder isn't here!

And in their place there seems to be

A paralyzing fear!

Instead of songs, I swear

I just hear screaming in the air!

The stench of Oogie Boogie

Is absolutely everywhere . . .

Double D: The ghosts, the ghouls!

Ed: They're everywhere and all around!

Eddy: I've never felt so sad before!

Jack: This happy place in front of us is being trashed

So greedily, so greedily!

Nico: It's tragic! Oh, it's tragic!

I can't stand and watch it burn!

We've got to save this Christmas Town!

And seize these monsters all about!

Jack: This must stop!

We blasted the train and blasted it all over and fixed Christmas Town and more.

Me: That's it for the train.

Trap Jaw: The train's down. But where's Santa?

Me: He has to be here.

We went to see if he was in his workshop.

Me: He's not here!

Qin: Oogie must've gotten him again.

We hightailed it back to Halloween Town and we heard the malevolent laughter of Oogie Boogie.

Nico: There he is. Time for our entrance!

We looked and saw him!

Nico: Look at him, laughing malevolently like always! I'm gonna shut him up for good!

Brandon Skellington flew into the air and fired powerful blasts of black and orange, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark magic, black magic, Satanic Magic, pumpkin fire, ghostly ice, dark lightning, pumpkins, ghosts, bats, black cats, spiders, witch hats, Halloween creatures, phoenixes, and angels and they hit Oogie Boogie!

Oogie Boogie: OUCH! What the?! (GROWLS) Lock! Shock! Barrel! If that was you three, I'm gonna...!

Suddenly, the spirits of Halloween Town's citizens, the icons of Halloween, and the creatures of Halloween appeared and they attacked Oogie Boogie with fury, and then, the spirits converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Jack Skellington: Hello, Oogie!

Me: You got some nerve crawling out of The Warp, you ugly bag of bugs.

Nico: Well, we knew it wouldn't be long before you'd show up again.

Lincoln: This time, we're gonna make sure you never come back, and this time, for good.

Me: Well well well. What have we here? Oogie Boogie!

Motormaster: You'd be wise to give back the Holiday leaders.

Oogie: Oh, I assure you. The leader of everyday holiday is right where he should be! And you're looking at him.

Nico: That doesn't matter. For what you did to Nico back in 2021, you're going to pay!

Oogie: (sarcastically) What a surprise. A villain pulling dirty tricks!

Don't blame me for your misfortunate during those days. You guys are the ones who neglected Nico and focused on Organization XIII. You pratically begged me to traumatizae him. All I did was take the opportunity you gave me. Luthor gave you a chance to erase all that but you rejected him! By the way, how DID you guys find that ragdoll so fast?

We. struggled to come up with an answer. But Kaguragi, being the expert liar he is, spoke up.

Kaguragi: You should know by know that Eli can sense anyone with the Force!

Oogie: Is that so? Still won't save you!

Nico: (in my head) We can't let Anti Monitor know that Mandarin helped us. Who knows what he'll do to him?

Me: Your lies have no power over us Oogie! You nearly drove Nico to the brink of killing himself! Everything you did shows that your heart is as Black as Maleficent's! She is not coming to save your ugly baggy butt!

Qin: YEAH!

Me: Also this roll of the dice is for you.

I rolled his dice and it came up Snake Eyes!

Sakura Haruno Divine Armor!

She surrounded herself in holy power to absorb damage and absorbed the blasts.

Lana ate some of the bugs.

Sakura Haruno: Martyrdom!

Sakura Haruno fired a blast of energy and light and blasted Oogie!

Sakura Haruno: Heaven's Embrace!

Sakura summoned several icy shards which acted as mines. And they blasted Oogie Boogie all over!

Adrian Morrigan went after Oogie Boogie and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded as they hit him, and he also whacked him and blasted him with his staff. Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Oogie Boogie which hit him hard.

Oogie Boogie: Why, you! You think you can do this to me?!

Then...!

POW!

Caleb Maxwell punched Oogie Boogie hard in the face and he slashed him in the chest with his gold-armored dragon claws, and he kicked him hard into a tree, and we saw the anger in Caleb's eyes: he was out for blood.

Lincoln let out a growl as his deep sapphire eyes with yellow rings surrounding them remain the same, but his pupils turn to slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair remained the same, his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner remained the same, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and markings of his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln went wild on Oogie Boogie as he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him.

Then, Lincoln held out his left hand and fired five massive balls of fire at Oogie Boogie, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Nicole: Jeez, he's tearing him apart!

Finally, Lincoln formed a massive blue fireball in his left hand and he

threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Leif, Lana, Jack Skellington, Sally, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was pissing off Oogie Boogie even more, and we also fired energy blasts that shattered The Monitor Orb in his forehead and we got a massive power boost and Oogie Boogie screamed in pain.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Oogie Boogie and we all found ourselves not only in Heaven, but also, in space.
